Bar Harbor Babylon Dan Landrigan,Leslie Landrigan,2019-05-15 Mount Desert Island has attracted scoundrels and scandals for more than 100 years. Steady as the tide, every summer brings a rush of summer residents from eastern cities to the island and nothing thrilled them so much as a good scandal. In its heyday, Mount Desert was a wild oasis where the summercators could carry on in comparative privacy. Today, unfortunately, unlike Las Vegas, what happened on Mount Desert doesn't always stay on Mount Desert. The scandals that were the talk of the picnics and outings that filled the summer visitors' days are brought back to life in Bar Harbor Babylon. Murderers, thieves, cheaters and scammers have all made their mark on the tiny towns of Mount Desert. This book will take the reader on a tour of the misadventures and misfortunes that punctuate the island's wealthy and privileged past.

Book Review Digest ,1974 Excerpts from and citations to reviews of more than 8,000 books each year, drawn from coverage of 109 publications. Book Review Digest provides citations to and excerpts of reviews of current juvenile and adult fiction and nonfiction in the English language. Reviews of the following types of books are excluded: government publications, textbooks, and technical books in the sciences and law. Reviews of books on science for the general reader, however, are included. The reviews originate in a group of selected periodicals in the humanities, social sciences, and general science published in the United States, Canada, and Great Britain. - Publisher.

Gun Country Andrew C. McKeivitt, 2023-09-18 Just as World War II transformed the United States into a global military and economic superpower, so too did it forge the gun country America is today. After 1945, war-ravaged European nations possessed large surpluses of mass-produced weapons, and American entrepreneurs seized the opportunity to buy used munitions for pennies on the dollar and resell them stateside. A booming consumer market made cheap guns accessible to millions of Americans, and rates of gun ownership and violence began to climb. Andrew C. McKeivitt tells the history of this gun boom through the dynamics of consumer capitalism and Cold War ideology, the combination of which resulted in a vast number of Americans arming themselves to the teeth and centering their political identity on their guns. When gun control legislation emerged in the 1960s, many Americans, accustomed to the unregulated postwar bounty of cheap guns and fearful of Soviet invasion, domestic subversion, and urban uprisings, fiercely challenged it. Meanwhile, gun control groups were diverted from their abolitionist roots toward a conciliatory, fundraising-focused strategy that struggled to limit the stockpiling of firearms. *Gun Country* recasts the story of guns in postwar America as one of Cold War and racial anxieties, unfettered capitalism, and exceptional violence that continues to haunt us to this day.

The Foundation Directory 2004 Edition David G. Jacobs, 2004

Unveiling the Energy of Verbal Artistry: An Mental Sojourn through **William And Louise Thoresen**

In a global inundated with displays and the cacophony of quick communication, the profound energy and mental resonance of verbal artistry frequently fade into obscurity, eclipsed by the continuous onslaught of sound and distractions. However,

located within the musical pages of **William And Louise Thoresen**, a interesting function of fictional splendor that impulses with organic emotions, lies an unforgettable trip waiting to be embarked upon. Penned by way of a virtuoso wordsmith, that exciting opus manuals viewers on a psychological odyssey, lightly revealing the latent potential and profound impact embedded within the elaborate web of language. Within the heart-wrenching expanse of this evocative analysis, we shall embark upon an introspective exploration of the book is key subjects, dissect its charming writing type, and immerse ourselves in the indelible impact it leaves upon the depths of readers souls.
