Your Faith Is Your Fortune (Condensed Classics) Neville Goddard, Mitch. Horowitz, 2018-10-09 The Next Hour Can Teach You the Greatest Secret In the World You are about to experience a concise, powerful, and overwhelmingly persuasive introduction to Neville Goddard's cosmic philosophy in this condensed edition of Your Faith Is Your Fortune, abridged and introduced by historian Mitch Horowitz. This pristine distillation of one of Neville's core works highlights the mystic teacher's

most direct and important ideas, allowing you to apply Neville's timeless principles right now to improve your life, finances, social standing, and sense of purpose, as well as the lives of those you love. Neville is becoming widely known as one of the most practical and dynamic spiritual thinkers of our time. In *Your Faith Is Your Fortune* he challenges you to put his ideas to the test. Are you ready to decide for yourself whether Neville's simple principle that imagining creates reality really works? It may be the most important step you ever take. Neville Goddard (1905-1972) was the author of more than ten books, and delivered thousands of lectures in which he taught that the human imagination is God. His work influenced some of the leading spiritual writers of the past century and prefigured today's most radical theorizing in quantum mechanics.

Your Faith is Your Fortune Neville, 1943

Your Faith Is Your Fortune Neville Goddard, 2020 With the words 'Leave the mirror and change your face. Leave the world alone and change your conceptions of yourself' Goddard invites us to resist the temptation toward judgment and to look at ourselves for the change we want to see in the world and in others. 'God's promise is unconditional'. You rise to a higher level of consciousness by taking your attention away from your present limitations and placing it upon that which you desire to be. Do not attempt this in day-dreaming or wishful thinking but in a positive manner. Claim yourself to be the thing desired. I AM that; no sacrifice, no diet, no human tricks. All that is asked of you is to accept your desire. If you dare claim it, you will express it. 'Leave all and follow me' is a double invitation to you. First, it invites you to turn completely away from all problems and, then, it calls upon you to continue walking in the claim that you are that which you desire to be. Do this and you will know that you have found the master, the Master Magician, making the unseen the seen through the command: I AM THAT!

Your Faith Is Your Fortune Neville Goddard, Mitch Horowitz, 2021-12-14 This powerful, and overwhelmingly persuasive introduction to Neville Goddard's cosmic philosophy can change your life.

Your Faith is Your Fortune & That Which Already Has Been Neville Goddard, 2020-05-15 Neville Goddard (1905-1972) was one of the most influential teachers of the practical application of creative Imagination: With your desire defined, quietly go within and shut the door behind you. Lose yourself in your desire; feel yourself to be one with it; remain in this fixation until you have absorbed the life and name by claiming and feeling yourself to be and to have that which you desired. When you emerge from the hour of prayer you must do so conscious of being and possessing that which you heretofore desired.— Neville Goddard, *Your Faith is Your Fortune* *Your Faith is Your Fortune* is one of Neville's ten practical books on the subject of Imagination and Creation, and we've selected his 1959 lecture *That Which Already Has Been* as further illustration of his foundational teachings that Christ is Imagination, at work in your life through you. Joseph Murphy, a writer and lecturer who studied with Neville in New York City, said of him: Neville may eventually be recognized as one of the world's great mystics. Assume you are what you want to be. Walk in that assumption and it will harden into fact. The

advice, if applied, will change your life... Now, live as though it already has.

Your Faith is Your Fortune Neville Goddard, 2022-12-16 Neville is an expert in deciphering biblical symbolism, and his explanations help us understand it in a way that may help us understand the Bible more accurately. The purpose of the Bible is to instruct and uplift the individual. Neville pulls out the full potential of the stories, whether they are based on true history or not, or a combination of the two. They are revealed to be effective teaching tools, which many people have successfully used. Your understanding of the Bible and, more crucially, of yourself, may change after reading this book.

Your Faith Is Your Fortune and The Creative Use of Imagination Neville Goddard, 2023-11-09 Two books by Neville in one volume *Your Faith Is Your Fortune* This book reveals the important spiritual messages that can be found in the major stories of the Bible. According to Neville, these Bible stories are not historical. If understood correctly, they are meant as tools for the inner transformation of the reader. Neville expresses God as our awareness of being and we should look within and utilize the power we have to overcome every obstacle in life rather than looking outside for causes and remedies. This pristine distillation of one of Neville's core works highlights the mystic teacher's most direct and important ideas, allowing you to apply Neville's timeless principles right now to improve your life, finances, social standing, and sense of purpose. *The Creative Use of Imagination* Humanity, understood psychologically, is an infinite series of levels of consciousness and you, individually, are who you are based on where you are in the series. Consciousness is the only reality, and where you are psychologically conscious determines the circumstances of your life. The ancients knew this great truth, but our modern teachers have yet to discover it. There is only one substance in the world. Scientists call it energy while the scriptures define it as consciousness. A book that will awaken you to your real self, the purpose of this book is to bring about a psychological change in the individual.

Your Faith is Your Fortune Neville Goddard, 2016 Man can decree a thing and it will come to pass. In the beginning was the unconditioned awareness of being; and the unconditioned awareness of being became conditioned by imagining itself to

be something, and the unconditioned awareness of being became that which it had imagined itself to be; so did creation begin. Stand still in the psychological state defined as your objective until you feel the thrill of Victory, Then, with confidence born of the knowledge of this law, watch the physical realization of your objective. Neville Goddard was an influential New Thought teacher and an early proponent of the Law of Attraction through his belief that one could create one's physical reality through imagining.
