Aliado Nepson

From Destiny & Beyond: The Kelly Rowland Story Chloe Govan, 2012-09-19 American singer and TV personality Kelly Rowland rose to fame as one of the founding members of the American girl group Destiny's Child. She sold forty million albums and twenty million singles with the group, and more than four million solo albums and eighteen million solo singles. This biography details her childhood strife with an alcoholic – and then absent – father, life on the edge as a teenage R&B star in Destiny's Child, an ill-fated early solo career and finally finding success on her own, as well as taking centre stage as a judge on X-Factor.

Beyoncé — The Stride of Queen B Aliado Nepson, Beyoncé — The Stride of Queen B is a powerful, deeply reported, and cinematic chronicle of one of the most influential artists of our time. Tracing Beyoncé's journey from her Houston childhood to global cultural dominance, this book reveals how discipline, craft, and vision shaped an icon whose impact extends far beyond music. Through vivid storytelling and meticulous detail, The Stride of Queen B explores Beyoncé's evolution—from Girl's Tyme and Destiny's Child to her groundbreaking solo eras, visual albums, tours, films, and entrepreneurial empire. Each chapter uncovers the creative decisions, personal trials, reinventions, and cultural shifts that defined the making of a modern legend. Readers are taken backstage into rehearsal rooms, recording studios, film sets, and moments of transformation: The intense preparation that built Destiny's Child The artistic leap of Dangerously in Love The visual mastery of Lemonade The historic power of the Homecoming performance The liberating worlds of Renaissance and Cowboy Carter The business acumen that crafted an enduring legacy More than a biography, this is a study of artistry, leadership, resilience, and cultural impact. Whether you're a Beyoncé fan, a music lover, or a reader who appreciates stories of ambition and excellence, this book offers an intimate and authoritative portrait of a woman who changed the sound—and shape—of a generation. Perfect for fans of music history, pop culture studies, Black excellence narratives, and behind-the-scenes creative storytelling.

Entertaining Race Michael Eric Dyson, 2021-11-02 From the New York Times bestselling author of Tears We Cannot Stop Entertaining Race is a splendid way to spend quality time reading one of the most remarkable thinkers in America today.

—Speaker Nancy Pelosi To read *Entertaining Race* is to encounter the life-long vocation of a teacher who preaches, a preacher who teaches and an activist who cannot rest until all are set free. —Senator Reverend Raphael Warnock For more than thirty years, Michael Eric Dyson has played a prominent role in the nation as a public intellectual, university professor, cultural critic, social activist and ordained Baptist minister. He has presented a rich and resourceful set of ideas about American history and culture. Now for the first time he brings together the various components of his multihued identity and eclectic pursuits. *Entertaining Race* is a testament to Dyson's consistent celebration of the outsized impact of African American culture and politics on this country. Black people were forced to entertain white people in slavery, have been forced to entertain the idea of race from the start, and must find entertaining ways to make race an object of national conversation. Dyson's career embodies these and other ways of performing Blackness, and in these pages, ranging from 1991 to the present, he entertains race with his pen, voice and body, and occasionally, alongside luminaries like Cornel West, David Blight, Ibram X. Kendi, Master P, MC Lyte, Ta-Nehisi Coates, Alicia Garza, John McWhorter, and Jordan Peterson. Most of this work will be new to readers, a fresh light for many of his long-time fans and an inspiring introduction for newcomers. *Entertaining Race* offers a compelling vision from the mind and heart of one of America's most important and enduring voices.

Menstruation and Childbirth in the Bible Tarja S. Philip, 2006 This book offers a careful study of biblical texts on menstruation and childbirth in the light of their ancient Near Eastern background. Close reading of the biblical texts, based on classical and feminist biblical interpretation, and supported by comparative study of ancient Near Eastern sources and anthropology, reveals a rich and varied picture of these female events. Fertility and impurity are closely connected to

menstruation and childbirth, but their place and importance are different in priestly and nonpriestly writings of the Bible, which are therefore separately dealt with. This book contributes to a better understanding of physiological, social, cultural, and religious aspects of menstruation and childbirth in the larger context of body and society and women and men.

A Brief Theology of Periods (Yes, really) Rachel Jones, 2021-05-01 What does the Bible say about periods? The average woman has 500 periods in her lifetime. And whether yours are mildly annoying, utterly debilitating or emotionally complicated, most of us have at one time or another asked: Why?! This warm, light-hearted, real, honest and at times surprising book gives a biblical perspective on menstruation, as well as a whole lot more. Beginning with periods, Rachel Jones takes readers on an adventure in theology, weaving together wide-ranging reflections on the nature of our bodies, the passing of time, the purpose of pain, and the meaning of life. One thing is for sure: you've never read a Christian book quite like this one. Whether you're in need of hope and help, or are just downright curious, you'll be refreshed and encouraged by this book. As Rachel puts it, "Whoever you are, my aim is that you reach the end of this book celebrating who God has made you, how God has saved you, and the fact that he speaks liberating and positive truth into all of life's experiences (even periods)".
