

Books On Dutch East India Company

Charles River Editors

The Dutch East India Company Charles River Editors, 2017-02-23 *Includes pictures *Includes contemporary accounts of the VOC's expeditions and conflicts *Includes a bibliography for further reading -Whereas pepper has nothing in it that can plead as a recommendation to fruit or berry, its only desirable quality being a certain pungency; and yet it is for this that we import it all the way from India! - Pliny the Elder From classic grilled meat to exotic and savory 5-star dishes, pepper has long been the ultimate staple spice. While bulk pepper may be readily stocked in supermarkets and convenience stores today, there was once a time when the common spice was considered one of the most valuable commodities in the world. Merchants tripped over one another to get their hands on the tiny black beads, which live in colorful clusters of berry-like shells reminiscent of Christmas lights. They were so precious that an uncountable number of men crossed the turbulent and uncharted seas for them. In fact, the tropical spice was so highly sought after that blood was shed over the edible gold. To many, the mention of maritime merchants evokes an imagery of growling pirates donned in their stereotypical hats and a colorful parrot perched upon their shoulders. These nautical rascals wander the high seas in search of treasure and adventure. Though that imagery may be inaccurate, the real life companies that once dominated international waters operated on a similar thirst for conquest and riches. Perhaps the most famous - or as many would put it, infamous - of these naval corporations was the Dutch East India Company, also known as VOC. Established around the beginning of the 17th century, this nautical behemoth of a corporation was determined to squeeze everyone else out of the market. Vested with the power to wage war and exterminate any who dared stand in their way, the rest of the world stood by as the unstoppable force took over the whole of international maritime trade. The company would crush its opponents on the way to the top, establishing a monopoly on the global spice trade that would not only rock the world but forever change the course of modern business history. This book examines how the rabid consumer craving of a particular spice jumpstarted the legendary corporation, and how the Dutch East India Company rose to prominence through a brutal mix of financial acumen, merciless violence, and highly controversial business tactics. Along with pictures of important people, places, and events, you will learn about the Dutch East India Company like never before, in no time at all.

The Dutch East India Company in Early Modern Japan Michael Laver, 2020 Michael Laver examines how the giving of exotic gifts in early modern Japan facilitated Dutch trade by ascribing legitimacy to the shogunal government and by

playing into the shogun's desire to create a worldview centered on a Japanese tributary state. The book reveals how formal and informal gift exchange also created a smooth working relationship between the Dutch and the Japanese bureaucracy, allowing the politically charged issue of foreign trade to proceed relatively uninterrupted for over two centuries. Based mainly on Dutch diaries and official Dutch East India Company records, as well as exhaustive secondary research conducted in Dutch, English, and Japanese, this new study fills an important gap in our knowledge of European-Japanese relations. It will also be of great interest to anyone studying the history of material culture and cross-cultural relations in a global context.--

The Dutch East India Company F. S. Gaastra, 2003 De geschiedenis van de Verenigde Oostindische Compagnie en met name de sociaal-economische aspecten, vanaf de oprichting in 1602 tot aan de ondergang aan het einde van de achttiende eeuw

The Dutch Factories in India Om Prakash, V. B. Gupta, 2007 The Records Of The Dutch East Company Are Recognized to Be A Major Source Material On Indian History For The Seventeenth And The Eighteenth Centuries.

Seventeenth-century Burma and the Dutch East India Company, 1634-1680 Wil O. Dijk, 2006 Accompanying CD-ROM contains Appendices.

The Dutch East India Company Captivating History, 2019-11-03 Huge international companies and corporations are a normal part of our everyday lives today. For most, their unimaginable wealth and power, which are rivaling even some of the smaller countries of the world, is something we take for granted.

Merchant in Asia E. M. Jacobs, 2006 For much of its two centuries of existence (1602 to 1799), the VOC, the Dutch East India Company was the largest trading company in the world. Although the VOC was established to operate primarily as a trading company, it soon also came to play a prominent military, diplomatic and political role on the Asian stage and eventually it laid the foundations of the Dutch colonial empire in the Indonesian Archipelago. Merchant in Asia is the first study to pay attention to the full breadth and width of the VOC commercial activities in Asia. It looks at the company from the peak of its fame until its final decline at the end of the eighteenth century. The study focuses on the main trade goods - spices, Indian textiles, Chinese tea and Javanese coffee - and their specific by-products. Els Jacobs has analyzed in detail the VOC trade in fifteen of the most important commodities that together made up 85% of the total turnover. This innovative study is based on extensive research of the VOC archives and many other Dutch sources, as well as a detailed quantitative analysis of the VOC bookkeeping records. In the study the author sketches in vivid detail how the merchants of the VOC sold, bought, and even supervised the production of tropical products and how they dealt with Asian suppliers and consumers. In addition, she looks at the range of problems the merchants encountered in the maritime trade from Yemen and Persia in the West to China and Japan in the East, including India, Ceylon, Malacca, and the Indonesian Archipelago.

Porcelain and the Dutch East India Company T. Volker,1954

The Dutch East India Company Hourly History,2017-10-18 The Dutch East India Company Once valued at close to seven trillion dollars by today's standards, the Dutch East India Company, formed in 1602, became the world's first multinational corporation. In the nearly 200-year reign of their empire at sea, the Dutch East India Company amassed unfathomable fortunes, laid the foundation of the modern globalized world, and built monopolies that controlled the economy of the seventeenth and eighteenth centuries in Europe and the East Indies. Inside you will read about... - The Superstructure of the VOC - The Growth of VOC's Colonies and Trade Routes - The Golden Age - Reorientation and the Expansion Age - The Great Wars and Conquests of the VOC - Decline and Fall And much more! The rich history of the Verenigde Oostindische Compagnie commonly referred to as the VOC, and its titanic exploits are as astonishing as the twelve labors of Hercules. Uncover the organization that in no small part built the world we live in from the ground up.

East India Company and Dutch East India Company: A History from Beginning to End Hourly History,2018-10-11 East India Company and Dutch East India Company* **Download for FREE on Kindle Unlimited + Free BONUS Inside!* *
*The East India CompanyFounded at the dawn of the seventeenth century as European nations were establishing global empires, the English East India Company would become a vital part of burgeoning British supremacy. Begun as a joint-stock company for trade with the East Indies, this organization would evolve into one of the world

The Dutch East India Company and the Economy of Bengal, 1630-1720 Om Prakash,2014-07-14 Om Prakash reveals the central role played by Bengal in the Dutch East India Company's activities in India in the seventeenth and the early eighteenth century and the resulting integration of India into the world economy. Originally published in 1985. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

VOC John Landwehr,2024-06-03 At the height of its power and influence in the seventeenth and eighteenth century the VOC - acronym for the United Netherland East India Company - was the greatest commercial concern in the world. The scope of its activities extended from the Cape of Good Hope to Japan. In some aspects, the Baltic trade and the North Sea fisheries were of more fundamental relevance for the economy of the Lowlands. But it was the more spectacular East Indian trade which aroused the admiration and the envy of foreigners, sometimes to the point of war. In this bibliography several topics are covered. Not only technical matters such as the legal status of the VOC, its management, directors and shareholders, but also subjects as voyages, battles, ship building, navigation, geography, natural history, ethnography,

mission work, ministration, and many others. With 1674 entries, fully described and fully indexed.

Het Grote VOC Boek Ron Guleij, 2017-02-01

East Indies Ian Burnet, 2013 Trade.

The Dutch East India Company Charles River Charles River Editors, 2016-11-12 *Includes pictures *Includes contemporary accounts of the VOC's expeditions and conflicts *Includes a bibliography for further reading Whereas pepper has nothing in it that can plead as a recommendation to fruit or berry, its only desirable quality being a certain pungency; and yet it is for this that we import it all the way from India! - Pliny the Elder From classic grilled meat to exotic and savory 5-star dishes, pepper has long been the ultimate staple spice. Along with pictures of important people, places, and events, you will learn about the Dutch East India Company like never before, in no time at all.

Porcelain and the Dutch East India Company T. Volker, 1971

In the Shadow of the Company: The Dutch East India Company and Its Servants in the Period of Its Decline (1740-1796) Chris Nierstrasz, 2012-08-27 Chris Nierstrasz' *In the Shadow of the Company*, offers us an insight into the relation between the Dutch East India Company and its servants as it slipped into decline. This relationship altered dramatically in the eighteenth century under internal and external pressures.

History of South Africa Under the Administration of the Dutch East India Company 1652 to 1795 George McCall Theal, 1897

Dutch East India Company Merchants at the Court of Ayutthaya Bhawan Ruangsilp, 2007 This book deals with the early modern Dutch-Thai interactions as told by the merchants of the Dutch East India Company (VOC) who concurrently tried to find a balance between their 'partnership' with and 'sense of differences' from the Thai elite.

The Dutch East India Company and British East India Company Charles River Editors, 2017-12-04 *Includes pictures *Includes contemporary accounts of the companies *Includes a bibliography for further reading From classic grilled meat to exotic and savory 5-star dishes, pepper has long been the ultimate staple spice. While bulk pepper may be readily stocked in supermarkets and convenience stores today, there was once a time when the common spice was considered one of the most valuable commodities in the world. Merchants tripped over one another to get their hands on the tiny black beads, which live in colorful clusters of berry-like shells reminiscent of Christmas lights. They were so precious that an uncountable number of men crossed the turbulent and uncharted seas for them. In fact, the tropical spice was so highly sought after that blood was shed over the edible gold. To many, the mention of maritime merchants evokes an imagery of growling pirates donned in their stereotypical hats and a colorful parrot perched upon their shoulders. These nautical rascals wander the high seas in search of treasure and adventure. Though that imagery may be inaccurate, the real life companies that once dominated international waters operated on a similar thirst for conquest and riches. Perhaps the most famous - or as many would put it, infamous - of these naval corporations was the Dutch East India Company, also known as VOC. Established around the beginning of the 17th century, this nautical behemoth of a corporation was determined to squeeze everyone else out of the market. Vested with the power to wage war and exterminate any who dared stand in their way, the rest of the world stood by as the unstoppable force took over the whole of international maritime trade. The company would crush its opponents on the way to the top, establishing a monopoly on the global spice trade that would not only rock the world but forever change the course of modern business history. The British East India Company served as one of the key players in the formation of the British Empire. From its origins as a trading company struggling to keep up with its superior Dutch, Portuguese, and Spanish competitors to its tenure as the ruling authority of the Indian subcontinent to its eventual hubristic downfall, the East India Company serves as a lens through which to explore the much larger economic and social forces that shaped the formation of a global British Empire. As a private company that became a non-state global power in its own right, the East India Company also serves as a cautionary tale all too relevant to the modern world's current political and economic situation. Beyond its obvious influence in areas like trade and commerce, the East India Company also served as a point of cultural contact between Western Europeans, South Asians, and East Asians. Quintessentially British practices such as tea drinking were made possible by East India Company trade. The products and cultural practices traveling back and forth on

East India Company ships from one continent to another also reconfigured the way societies around the globe viewed sexuality, gender, class, and labor. On a much darker level, the East India Company fueled white supremacy and European concepts of Orientalism (See Said, Orientalism). One of the major reasons that the East India Company remains the subject of intense interest is that the consequences of its influence remain visible in India, Britain, and other parts of the world to this day. While the British Crown eventually replaced the East India Company as the governing authority of India, the systems of production they had established remained intact. More than half a century after India declared independence from the British Empire, the economic and cultural effects of this colonial system of production remained apparent. The disparities in wealth and power between the Global North and the Global South may not stem from the East India Company alone, but the company played an indisputable role in imperial processes.

Books On Dutch East India Company Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Books On Dutch East India Company PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows

anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Books On Dutch East India Company PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring

that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Books On Dutch East India Company free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Books On Dutch East India Company Books

1. Where can I buy Books On Dutch East India Company books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
