

# Books On The Russian Civil War

**A. S. Bubnov, S. S. Kamenev, M. N. Tukhachevskii, R. P. Eideman**

**The "Russian" Civil Wars, 1916-1926** Jonathan Smele, 2016-01-15 This volume offers a comprehensive and original analysis and reconceptualisation of the compendium of struggles that wracked the collapsing Tsarist empire and the emergent USSR, profoundly affecting the history of the twentieth century. Indeed, the reverberations of those decade-long wars echo to the present day - not despite, but because of the collapse of the Soviet Union, which re-opened many old wounds, from the Baltic to the Caucasus. Contemporary memorialising and 'de-memorialising' of these wars, therefore form part of the book's focus, but at its heart lie the struggles between various Russian political and military forces which sought to inherit and preserve, or even expand, the territory of the tsars, overlain with examinations of the attempts of many non-Russian national and religious groups to divide the former empire. The reasons why some of the latter were successful (Poland and Finland, for example), while others (Ukraine, Georgia and the Muslim Basmachi) were not, are as much the author's concern as are explanations as to why the chief victors of the 'Russian' Civil Wars were the Bolsheviks. Tellingly, the work begins and ends with battles in Central Asia - a theatre of the 'Russian' Civil Wars that was closer to Mumbai than it was to Moscow.

The Russian Civil War Evan Mawdsley, 2009-02-24 The best book ever written on the Russian civil war. A first-rate work of scholarly synthesis. —Robert McNeal In St. Petersburg on October 25, 1917, the Bolshevik Party stormed the capital city and turbulent years that brought the ironfisted seized the power over the Russian Provisional Soviet regime to political power. Government, which had been operating ineffectively since the abdication of Tsar Nicholas II eight months before. That October Revolution began the Russian Civil War, which in three years would cost the largest country in the world more than seven million lives. It was an apocalyptic struggle, replete with famine and pestilence, but out of the struggle a new social order would rise: The Soviet Union. Mawdsley offers a lucid, superbly detailed account of the men and events that shaped twentieth century communist Russia. He draws upon a wide range of sources to recount the military course of the war, as well as the hardship the conflict brought to a country and its people—for the victory and the reconstruction of the state under the Soviet regime came at a painfully high economic and human price.

The Bolshevik Revolution and Russian Civil War Rex A. Wade, 2001 Examines the Bolshevik Revolution and the Russian Civil War through narrative history and analysis, biographies, and primary documents; also includes a glossary, an annotated

bibliography, and a time line.

*Red Victory* W. Bruce Lincoln, 1989 A chronicle of the Russian Civil War, from 1918 to 1921.

*The Russian Civil War* Evan Mawdsley, 2017-09-07 The Russian Civil War of 1917-1920, out of which the Soviet Union was born, was one of the most significant events of the twentieth century. The collapse of the Tsarist regime and the failure of the Kerensky Provisional Government nearly led to the complete disintegration of the Russian state. This book, however, is not simply the story of that collapse and the rebellion that accompanied it, but of the painful and costly reconstruction of Russian power under a Soviet regime. Evan Mawdsley's lucid account of this vast and complex subject explains in detail the power struggles and political manoeuvres of the war, providing a balanced analysis of why the Communists were victors. This edition includes illustrations, a new preface and an extensively updated bibliography.

**The Russian Revolution and Civil War 1917-1921** Jonathan Smele, 2006-04-15 The Russian Revolution and Civil War in the years 1917 to 1921 is one of the most widely studied periods in history. It is also somewhat inevitably one that has generated a huge flow of literature in the decades that have passed since the events themselves. However, until now, historians of the revolution have had no dedicated bibliography of the period and little claim to bibliographical control over the literature. *The Russian Revolution and Civil War, 1917-1921* offers for the first time a comprehensive bibliographical guide to this crucial and fascinating period of history. The Bibliography focuses on the key years of 1917 to 1921, starting with the February Revolution of 1917 and concluding with the 10th Party Congress of March 1921, and covers all the key events of the intervening years. As such it identifies these crucial years as something more than simply the creation of a communist state.

The Russian Civil War, 1918-1921 A. S. Bubnov, S. S. Kamenev, M. N. Tukhachevskii, R. P. Eideman, 2020-08-31 The Russian Civil War was one of the most fateful of the 20th century's military conflicts, a bloody three-year struggle whose outcome saw the establishment of a totalitarian communist regime within the former Russian Empire. As such, it commands the attention of the military specialist and layman alike as we mark the one hundredth anniversary of the war's end. This work is the third volume of the three-volume Soviet official history of the Russian Civil War, which appeared during 1928-1930, just before the imposition of Stalinist orthodoxy. While the preceding volumes focused on the minutiae of the Red Army's organizational development and military art, this volume provides an in-depth description and analysis of the civil war's major operations along the numerous fronts, from the North Caucasus, the Don and Volga rivers, the White Sea area, the Baltic States and Ukraine, as well as Siberia and Poland. It also offers a well-argued case for the political reasons behind the Bolsheviks' military strategy and eventual success against their White opponents. And while it is a certainly a partisan document with a definite political bias, it is at the same time a straightforward military history that manages to avoid many of the hoary myths that later came to dominate the subject. As such, it is easily the most objective account of the struggle to

emerge from the Soviet Union before the collapse of the communist system in 1991.

Red Victory W. Bruce Lincoln, 1999-05-07 Shortly after withdrawing from World War I, Russia descended into a bitter civil war unprecedented for its savagery: epidemics, battles, mass executions, forced labor, and famine claimed millions of lives. From 1918 to 1921, through great cities and tiny villages, across untouched forests and vast frozen wasteland, the Bolshevik Reds fought the anti-Communist Whites and their Allies (fourteen foreign countries contributed weapons, money, and troops—including 20,000 American soldiers). This landmark history re-creates the epic conflict that transformed Russia from the Empire of the Tsars into the Empire of the Commissars, while never losing sight of the horrifying human cost.

**The Origins of the Russian Civil War** Geoffrey Swain, 2013-11-26 Concentrating on the turbulent months from February 1917 to November 1918, Geoffrey Swain explores the origins of the Civil War against the wider background of revolutionary Russia. He examines the aims of the anti-Bolshevik insurgents themselves; but he also shows how far the fear of civil war governed the action of the Provisional Government, and even the plans of the Bolsheviks. If the war itself can seem a fairly straightforward line-up of revolutionaries and counter-revolutionaries, this study reveals how complex were the motives of the people who precipitated it.

**Russia in Flames** Laura Engelstein, 2018 Laura Engelstein, one of the greatest scholars of Russian history, has written a searing and defining account of the Russian Revolution, the fall of the old order, and the creation of the Soviet state.

The Russian Civil War V.P. Butt, Geoffrey Swain, A.B. Murphy, N.A. Myshov, 2016-01-07 Russia's experiences during the Civil War determined the framework within which the Russian people were governed throughout the Soviet period. These newly released documents reveal how the events of 1918-22 reflected struggles and tensions in Russian society that were more complex than the simple Red-White propaganda war. In this collection the authors have sought out documents which highlight the complexities of the struggle, exploring episodes which shed light on what was a multifaceted struggle which left wounds on Russian society which never healed.

**Russian Civil War** Michael Foley, 2020-01-31 This historical study examines how the Bolshevik Revolution and Russian Civil War influenced events on the world stage in the Great War and beyond. The Russian Revolution of 1917 is remembered as the catalyst for a bloody conflict between the Communist Red Army and the anti-Communist White Army. But in reality, the conflict was far more complex and multifaceted, involving forces from outside Russia. In this probing history, Michael Foley examines the Russian Civil War in terms of its relationship to the larger conflict raging across Europe. It is an epic tale of brutal violence and political upheaval featuring a colorful cast of characters—including Tsar Nicholas II, Vladimir Lenin, Leon Trotsky, Joseph Stalin and Winston Churchill.

*The Victors' Dilemma* John Silverlight, 1971

Party, State, and Society in the Russian Civil War Diane Koenker, William G. Rosenberg, Ronald Grigor Suny, 1989 By 1921

(after four years of civil war), the Red Armies and the Soviet system emerged victorious, but the social and political consequences of this victory, the implications of the experience of the war years themselves, remain an unresolved historical issue. Among the questions confronted in these papers: To what extent were responses and political choices of the Civil War years the product of social and economic circumstances, to what extent the exercise of conscious political will? Why was there a progressive erosion of democratic practices and forms in the soviets, in the central government, in trade unions, and in the factories themselves in the post-October period? Paper edition (unseen), \$12.50. Annotation copyrighted by Book News, Inc., Portland, OR

*The Russian Civil War* Brian Murphy, Felix Patrikeeff, 2000 A. B. Murphy uses translated documents from Russian archives to give fresh insight into the Russian civil war, a struggle whose outcome defined much of the history of our time. Areas covered include Soviet relations with the Don Cossacks, the problems of securing supplies for the Red Army, the issue of disloyalty of the two successful cavalry commanders, Colonel Mironov and Sergeant Budyonny, as well as a selection of documents from White sources.

*The Russian Revolution* Nik Cornish, 2012-07-19 Often the drama of the October Revolution and the Bolshevik seizure of power overshadow the disastrous Russian-German war that preceded it and the extended, confusing, many-sided civil war between the Reds and the Whites that followed. But Nik Cornish's vivid photographic history gives equal coverage to each of these momentous events and shows how the Russian empire of the Romanovs was transformed into the Soviet dictatorship. Contemporary photographs show the leading characters in the drama Tsar Nicholas II, Kerensky, Lenin and Trotsky and other Bolsheviks, and the White commanders Denikin, Kolchak, Wrangel and the rest. But they also record, in an unforgettable way, the ordinary people who were caught up in the surge of events civilian crowds on the city streets, peasant groups in the villages, the faces of common soldiers on all sides who fought on multiple fronts across Russia from Poland, the Baltic states and the White Sea to the Black Sea and Siberia. The scale of the conflict was remarkable, as was the intensity of the experience of those who took part and witnessed it, and this collection of historic photographs gives a poignant insight into the conditions of their time. It is a fascinating introduction to a period that saw a sea change in Russian history.

**Historical Dictionary of the Russian Civil Wars, 1916-1926** Jonathan D. Smele, 2015-11-19 This book is a detailed reference of the twentieth century struggles that were waged across and beyond the decaying Russian Empire at the end of the First World War, as tsarism and democratic alternatives to it collapsed and the world's first Communist state, the Union of Soviet Socialist Republics, was born. At the same time, it is a necessary corrective to studies that have viewed events of the time as a unitary "Russian Civil War" that sprang from the Russian Revolution of 1917. Instead, it contributes to the ongoing process of integrating the civil wars into a "continuum of crises" that wracked the Russian Empire and its would-be successor states across a prolonged period. The Historical Dictionary of the Russian Civil Wars, 1916-1926 covers the history

of this period through a chronology, an introductory essay, appendixes, and an extensive bibliography. The dictionary section has almost 2,000 cross-referenced entries on individuals, political and governmental institutions and political parties, and military formations and concepts, as well as religion, art, film, propaganda, uniforms, and weaponry. This book is an excellent access point for students, researchers, and anyone wanting to know more about the Russian Civil War.

*Historical Dictionary of the Russian Civil Wars, 1916-1926* Jonathan D. Smele, 2015-11-19 This book is a detailed reference of the twentieth century struggles that were waged across and beyond the decaying Russian Empire at the end of the First World War, as tsarism and democratic alternatives to it collapsed and the world's first Communist state, the Union of Soviet Socialist Republics, was born. At the same time, it is a necessary corrective to studies that have viewed events of the time as a unitary "Russian Civil War" that sprang from the Russian Revolution of 1917. This book is an excellent access point for students, researchers, and anyone wanting to know more about the Russian Civil War.

*The White Generals* Richard Lockett, 2017-03-31 This account of the Russian Civil War, originally published in 1971, combines a vivid narrative of the military events with a biographical discussion of the White Generals, figures of the former Imperial Russian Army officers who led the separate campaigns against the Red Soviets - men such as Kornilov, Alekseev, Kolchak, Denikin, Wrangel, Yudenich and the Finnish Yudeniol Marshal Mannerheim. Despite their shared designation, the White Generals had no common programme. Their tragedy was that Lenin's dogmatism, intransigence and ruthlessness, all essential qualities in a country which had never known anything other than autocracy, were alien to their characters.

**Russia Under the Bolshevik Regime** Richard Pipes, 1995-04-04 From the acclaimed authority on Russia and the Russian Revolution—the final volume in his magisterial history of the Russian Revolution, covering the period from the outbreak of the Civil War in 1918 to Lenin's death in 1924 Offers a penetrating analysis of the making of the Soviet system.... [It is] a passionate book whose outstanding scholarship is rooted in universal values like truth, honor, responsibility and the sacredness of human life. —Philadelphia Inquirer Timely.... The work is enriched in intriguing ways by the author's access to the once-secret archives of the Soviet Union. —Los Angeles Times

## **Books On The Russian Civil War Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Books On The Russian Civil War has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Books On The Russian Civil War has opened up a world of possibilities. Downloading Books On The Russian Civil War provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Books On The Russian Civil War has democratized knowledge.

Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Books On The Russian Civil War. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Books On The Russian Civil War. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Books On The Russian Civil War, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the

legitimacy of the websites they are downloading from. In conclusion, the ability to download Books On The Russian Civil War has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About Books On The Russian Civil War Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting

while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Books On The Russian Civil War is one of the best book in our library for free trial. We provide copy of Books On The Russian Civil War in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Books On The Russian Civil War. Where to download Books On The Russian Civil War online for free? Are you looking for Books On The Russian Civil War PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Books On The Russian Civil War. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Books On The Russian Civil War are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of

thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Books On The Russian Civil War. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Books On The Russian Civil War To get started finding Books On The Russian Civil War, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Books On The Russian Civil War So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Books On The Russian Civil War. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Books On The Russian Civil War, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Books On The Russian Civil War is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Books On The Russian Civil War is

universally compatible with any devices to read.
