

Bret Easton Ellis Books

Jason Huff, Mimi Cabell

White Bret Easton Ellis, 2019 This is a Borzoi book published by Alfred A. Knopf.

The Informers Bret Easton Ellis, 1995-08-01 From the New York Times bestselling author of *American Psycho* and *Less Than Zero* comes a nihilistic novel set in the early eighties that portrays a chilling descent into the abyss beneath L.A.'s gorgeous surfaces. • "Skillfully accomplishes its goal of depicting a modern moral wasteland.... Arguably Ellis's best." —The Boston Globe The basis of the major motion picture starring Billy Bob Thornton, Kim Basinger and Mickey Rourke, *The Informers* is a seductive and chillingly nihilistic novel, in which Bret Easton Ellis, returns to Los Angeles, the city whose moral badlands he portrayed so unforgettably in *Less Than Zero*. This time is the early eighties. The characters go to the same schools and eat at the same restaurants. Their voices enfold us as seamlessly as those of DJs heard over a car radio. They have sex with the same boys and girls and buy from the same dealers. In short, they are connected in the only way people can be in that city. Dirk sees his best friend killed in a desert car wreck, then rifles through his pockets for a last joint before the ambulance comes. Cheryl, a wannabe newscaster, chides her future stepdaughter, "You're tan but you don't look happy." Jamie is a clubland carnivore with a taste for human blood.

American Psycho Bret Easton Ellis, 1991-03-06 INTERNATIONAL BESTSELLER • In this modern classic, the acclaimed author of *The Shards* explores the incomprehensible depths of madness and captures the insanity of violence in our time or any other. A seminal book." —The Washington Post One of The Atlantic's Great American Novels of the Past 100 Years Patrick Bateman moves among the young and trendy in 1980s Manhattan. Young, handsome, and well educated, Bateman earns his fortune on Wall Street by day while spending his nights in ways we cannot begin to fathom. Expressing his true self through torture and murder, Bateman prefigures an apocalyptic horror that no society could bear to confront. "A masterful satire and a ferocious, hilarious, ambitious, inspiring piece of writing.... An important book." —Katherine Dunn, bestselling author of *Geek Love*

Bret Easton Ellis Naomi Mandel, 2010-11-18 This collection of critical essays on the American novelist Bret Easton Ellis examines the novels of his mature period: *American Psycho* (1991), *Glamorama* (1999), and *Lunar Park* (2005). Taking as its starting-point *American Psycho*'s seismic impact on contemporary literature and culture, the volume establishes Ellis' centrality to the scholarship and teaching of contemporary American literature in the U.S. and in Europe. Contributors

examine the alchemy of acclaim and disdain that accrues to this controversial writer, provide an overview of growing critical material on Ellis and review the literary and artistic significance of his recent work. Exploring key issues including violence, literature, reality, reading, identity, genre, and gender, the contributors together provide a critical re-evaluation of Ellis, exploring how he has impacted, challenged, and transformed contemporary literature in the U.S. and abroad.

Glamorama Bret Easton Ellis, 2000-03-21 The New York Times bestselling author of *American Psycho* and *Less Than Zero* delivers a gripping and brilliant dissection of our celebrity obsessed culture. • “Arguably the novel of the 1990’s...Should establish Ellis as the most ambitious and fearless writer of his generation...a must read.” —The Seattle Times Set in 90s Manhattan, Victor Ward, a model with perfect abs and all the right friends, is seen and photographed everywhere, even in places he hasn't been and with people he doesn't know. He's living with one beautiful model and having an affair with another on the eve of opening the trendiest nightclub in New York City history. And now it's time to move to the next stage. But the future he gets is not the one he had in mind. With the same deft satire and savage wit he has brought to his other fiction, Bret Ellis gets beyond the facade and introduces us, unsparingly, to what we always feared was behind it. *Glamorama* shows us a shadowy looking-glass reality, the juncture where fame and fashion and terror and mayhem meet and then begin to resemble the familiar surface of our lives. Look for Bret Easton Ellis's new novel, *The Shards*!

Imperial Bedrooms Bret Easton Ellis, 2011-04 De nihilistische rijke jongeren uit de roman 'Less than zero' (1985) hebben zich ontwikkeld tot narcistische delinquenten in de Hollywoodse filmwereld.

Less Than Zero Bret Easton Ellis, 1998-06-30 NEW YORK TIMES BESTSELLER • The timeless classic from the acclaimed author of *American Psycho* about the lost generation of 1980s Los Angeles who experienced sex, drugs, and disaffection at too early an age. • The basis for the cult-classic film Possesses an unnerving air of documentary reality. —The New York Times They live in a world shaped by casual nihilism, passivity, and too much money in a place devoid of feeling or hope. When Clay comes home for Christmas vacation from his Eastern college, he re-enters a landscape of limitless privilege and absolute moral entropy, where everyone drives Porsches, dines at Spago, and snorts mountains of cocaine. He tries to renew feelings for his girlfriend, Blair, and for his best friend from high school, Julian, who is careering into hustling and heroin. Clay's holiday turns into a dizzying spiral of desperation that takes him through the relentless parties in glitzy mansions, seedy bars, and underground rock clubs and also into the seamy world of L.A. after dark.

American Psycho Bret Easton Ellis, 2002 Chokerende afsløring af den amerikanske drøms bagside. Hovedpersonen er en ung finansmand i New York, og romanen registrerer minutøst hans overfladiske yuppietilværelse og hans natlige eskapader af pervers sex, vold og mord

Lunar Park Bret Easton Ellis, 2005-08-16 NATIONAL BESTSELLER • From the New York Times bestselling author of *American Psycho* and *Less Than Zero* comes a chilling tale that combines reality, memoir, and fantasy to create a fascinating

portrait of this most controversial writer but also a deeply moving novel about love and loss, parents and children, and ultimately forgiveness. “John Cheever writes *The Shining*.” —Stephen King, *Entertainment Weekly* Bret Ellis, the narrator of *Lunar Park*, is the bestselling writer whose first novel *Less Than Zero* catapulted him to international stardom while he was still in college. In the years that followed he found himself adrift in a world of wealth, drugs, and fame, as well as dealing with the unexpected death of his abusive father. After a decade of decadence a chance for salvation arrives; the chance to reconnect with an actress he was once involved with, and their son. But almost immediately his new life is threatened by a freak sequence of events and a bizarre series of murders that all seem to connect to Ellis’s past. His attempts to save his new world from his own demons makes *Lunar Park* Ellis’s most suspenseful novel.

The Shards Bret Easton Ellis, 2023-01-17 The Sunday Times Bestseller 'A full-spectrum triumph' Guardian A sensational new novel from the bestselling author of *Less Than Zero* and *American Psycho* that tracks a group of privileged Los Angeles high school friends as a serial killer strikes across the city. His first novel in 13 years, *The Shards* is Bret Easton Ellis at his inimitable best. LA, 1981. Buckley College in heat. 17-year-old Bret is a senior at the exclusive Buckley prep school when a new student arrives with a mysterious past. Robert Mallory is bright, handsome, charismatic, and shielding a secret from Bret and his friends, even as he becomes a part of their tightly knit circle. Bret's obsession with Mallory is equalled only by his increasingly unsettling preoccupation with The Trawler, a serial killer on the loose who seems to be drawing ever closer to Bret and his friends, taunting them with grotesque threats and horrific, sharply local acts of violence. Can he trust his friends - or his own mind - to make sense of the danger they appear to be in? Thwarted by the world and by his own innate desires, buffeted by unhealthy fixations, Bret spirals into paranoia and isolation as the relationship between The Trawler and Robert Mallory hurtles inexorably toward a collision. Gripping, sly, suspenseful, deeply haunting and often darkly funny, *The Shards* is a mesmerizing fusing of fact and fiction that brilliantly explores the emotional fabric of Bret's life at 17 - sex and jealousy, obsession and murderous rage.

The Rules of Attraction Bret Easton Ellis, 1998-06-30 From the New York Times bestselling author of *Less Than Zero* and *American Psycho*—a startlingly funny, kaleidoscopic novel about three students at a small, affluent liberal-arts college in New England with no plans for the future—or even the present—who become entangled in a romantic triangle. • “An extraordinary writer.” —LA Weekly Bret Easton Ellis trains his incisive gaze on the kids at self-consciously bohemian Camden College and treats their sexual posturings and agonies with a mixture of acrid hilarity and compassion while exposing the moral vacuum at the center of their lives. Lauren changes boyfriends every time she changes majors and still pines for Victor who split for Europe months ago and she might or might not be writing anonymous love letter to ambivalent, hard-drinking Sean, a hopeless romantic who only has eyes for Lauren, even if he ends up in bed with half the campus, and Paul, Lauren's ex, forthrightly bisexual and whose passion masks a shrewd pragmatism. They waste time getting wasted, race from Thirsty

Thursday Happy Hours to Dressed To Get Screwed parties to drinks at The Edge of the World or The Graveyard. The Rules of Attraction is a poignant, hilarious take on the death of romance. The basis for the major motion picture starring James Van Der Beek, Shannyn Sossamon, Jessica Biel, and Kate Bosworth. Look for Bret Easton Ellis's new novel, The Shards!

Bret Easton Ellis's American Psycho Julian Murphet, 2002-01-11 This is part of a new series of guides to contemporary novels. The aim of the series is to give readers accessible and informative introductions to some of the most popular, most acclaimed and most influential novels of recent years - from 'The Remains of the Day' to 'White Teeth'. A team of contemporary fiction scholars from both sides of the Atlantic has been assembled to provide a thorough and readable analysis of each of the novels in question.

The Shards Bret Easton Ellis, 2023-10-24 A novel of sensational literary and psychological suspense from the best-selling author of *Less Than Zero* and *American Psycho* that tracks a group of privileged high school friends in a vibrantly fictionalized 1980s Los Angeles as a serial killer strikes across the city Bret Easton Ellis's latest masterful novel is a story about the end of innocence, and the perilous passage from adolescence into adulthood, set in a vibrantly fictionalized Los Angeles in 1981 as a serial killer begins targeting teenagers throughout the city. Seventeen-year-old Bret is a senior at the exclusive Buckley prep school when a new student arrives with a mysterious past. Robert Mallory is bright, handsome, charismatic, and shielding a secret from Bret and his friends even as he becomes a part of their tightly knit circle. Bret's obsession with Mallory is equaled only by his increasingly unsettling preoccupation with the Trawler, a serial killer on the loose who seems to be drawing ever closer to Bret and his friends, taunting them—and Bret in particular—with grotesque threats and horrific, sharply local acts of violence. The coincidences are uncanny, but they are also filtered through the imagination of a teenager whose gifts for constructing narrative from the filaments of his own life are about to make him one of the most explosive literary sensations of his generation. Can he trust his friends—or his own mind—to make sense of the danger they appear to be in? Thwarted by the world and by his own innate desires, buffeted by unhealthy fixations, he spirals into paranoia and isolation as the relationship between the Trawler and Robert Mallory hurtles inexorably toward a collision. Set against the intensely vivid and nostalgic backdrop of pre-*Less Than Zero* L.A., *The Shards* is a mesmerizing fusing of fact and fiction, the real and the imagined, that brilliantly explores the emotional fabric of Bret's life at seventeen—sex and jealousy, obsession and murderous rage. Gripping, sly, suspenseful, deeply haunting, and often darkly funny, *The Shards* is Ellis at his inimitable best.

Glamorama Bret Easton Ellis, 2006

A Study Guide for Bret Easton Ellis's "Less than Zero" Gale, Cengage Learning, 2016-06-29 A Study Guide for Bret Easton Ellis's *Less than Zero*, excerpted from Gale's acclaimed *Novels for Students*. American Psycho Jason Huff, Mimi Cabell, 2012

Bret Easton Ellis G. Colby, 2011-08-15 This book reads the whole of Bret Easton Ellis's oeuvre to date from *Less Than Zero* to *Imperial Bedrooms* and asks to what extent Ellis's novels can be read as critiquing the cultural moments of which they are a part. Ellis's work can be thought of as an enactment of a process of underwriting contemporary culture, which offers new paths of understanding and ways of critiquing the contemporary author's place in the relations of production.

Bret Easton Ellis Bret Easton Ellis, 2022 I Bret Easton Ellis debutroman är rikedom och likgiltigheten hos de unga gestalterna minst lika bedövande som i *American Psycho* - den bok som sex år senare skulle göra honom ökad - och våldet kan just därför redan anas. *Less Than Zero* presenteras här i svensk översättning av Sven Lindell. BRET EASTON ELLIS [f. 1964] är en amerikansk romanförfattare. Han debuterade som 21-åring och var en del av 1980-talets litterära brat pack, tillsammans med bland andra Jay McInerney. Flera av hans romaner har filmatiserats, och *American Psycho* betraktas numera som en modern klassiker.

Deconstructing Bret Easton Ellis Annette Schimmelpfennig, 2021-09-07 Riddled with intertextual references and notorious for their explicit portrayal of sex, drugs, and the occasional rock 'n' roll, the novels of Bret Easton Ellis reveal many layers. The novels are often accused of not making sense--but they instead make many senses. Their semantic complexity is obvious when put under a theoretical lens as provided by Jacques Derrida. His semiotic analysis, which focuses on the instability of meaning and is shaped by key terms such as *differance*, the trace, and the supplement, offers the ideal framework to look behind Ellis's obsession with surfaces. Aimed at aficionados of Ellis's works as well as students of contemporary American fiction and literary theory, this book discusses the central issues in Ellis's novels through 2019 and offers a new perspective for the practical use of Derrida's ideas. In order to ensure accessibility, a theoretical chapter introduces all the concepts necessary to understand a Derridean analysis of Ellis's fiction. As Rip says in *Imperial Bedrooms*: It means so many things, Clay.

American Psycho Bret Easton Ellis, 1993 Een seriemoordenaar vertelt gedetailleerd over de moorden die hij pleegt en over zijn leven.

Bret Easton Ellis Books Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its

research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Bret Easton Ellis Books free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by

providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Bret Easton Ellis Books free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its

user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Bret Easton Ellis Books free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Bret Easton Ellis Books. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu,

provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Bret Easton Ellis Books any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Bret Easton Ellis Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you

to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Bret Easton Ellis Books is one of the best book in our library for free trial. We provide copy of Bret Easton Ellis Books in digital format, so the resources that you find are reliable. There are also many eBooks of related with Bret Easton Ellis Books. Where to download Bret Easton Ellis Books online for free? Are you looking for Bret Easton Ellis Books PDF? This is definitely going to save you time and cash in something you should think about.
