*George Michael* James Gavin, 2022-06-28 In *George Michael: A Life*, “Gavin’s engrossing biography of the singer takes the measure of a gifted, tragic, and infuriating man” (New York Times Book Review). George Michael was an extravagantly gifted, openhearted soul singer whose work was both pained and smolderingly erotic. He was a songwriter of true craft and substance, and his music swept the world, starting in the mid-1980s. His fabricated image—that of a hypermacho sex god—loomed large in the pop culture of his day. It also hid—for a time—the secret he fought against revealing: Michael was gay. Soon his obsession with fame would start to backfire. As one of the industry’s most privileged yet tortured men began to self-destruct, the press showed little sympathy. *George Michael: A Life* explores the compelling story of a superstar whose struggles, as well as his songs, continue to touch fans all over the world. Acclaimed music biographer James Gavin traces Michael’s metamorphosis from the shy and awkward Georgios Kyriacos Panayiotou into the swaggering, dominant half of the leading British pop duo of the 1980s Wham! He then details Michael’s sensational solo career and its subsequent unraveling. With deep analysis of the creative process behind Michael’s albums, tours, and music videos, as well as interviews with hundreds of his friends and colleagues, *George Michael: A Life* is a probing, definitive portrait of a pop legend.

*Dreams* Mark Blake, 2024-10-01 An illuminating deep-dive into everything Fleetwood Mac—the songs, the rivalries, the successes, and the failures—*Dreams* evokes the band’s entire musical catalog as well as the complex human drama at the heart of the Fleetwood Mac story. Fleetwood Mac has had a ground-breaking career spanning over fifty years and includes some of the best-selling albums and greatest hits of the twentieth and twenty-first centuries. But the band’s unique story is one of enormous triumph and also deep tragedy. There has never been a band in the history of music riven with as much romantic drama, sexual tension, and incredible highs and lows as Fleetwood Mac. *Dreams* is a must-read for casual Fleetwood Mac fans and die-hard devotees alike. Presenting mini-biographies, observations, and essays, Mark Blake explores all eras of the Fleetwood Mac story to explore what it is that has made them one of the most successful bands in history. Blake draws on his own exclusive interviews with Mick Fleetwood, Stevie Nicks, Lindsey Buckingham, and the late Peter Green and Christine McVie, and addresses the complex human drama at the heart of the Fleetwood Mac story, including the complicated relationships between the band’s main members, but he also dives deep into the towering discography that the band has built over the past half-century.

We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

Super Hits Hal Leonard Corporation,1988-10 inch....this work is likely to become a standart work very quickly and is to be recommended to all schools where recorder studies are undertaken inch. (Oliver James, Contact Magazine) A novel and comprehensive approach to transferring from the C to F instrument. 430 music examples include folk and national songs (some in two parts), country dance tunes and excerpts from the standard treble repertoire of Bach, Barsanti, Corelli, Handel, Telemann, etc. An outstanding feature of the book has proved to be Brian Bonsor's brilliantly simple but highly effective practice circles and recognition squares designed to give, in only a few minutes, concentrated practice on the more usual leaps to and from each new note and instant recognition of random notes. Quickly emulating the outstanding success of the descant tutors, these books are very popular even with those who normally use tutors other than the Enjoy the Recorder series.
