FINDING YOU. LENA. HENDRIX, 2023

Just Say Yes Lena Hendrix, 2025-11-25 Getting tangled up with an Olympic rugby player seems like the perfect way to forget about how my life is falling apart. Until I discover he's my ex-boyfriend's best friend. Logan Brown walked into my small town with a charming grin and mischief in his eyes. He's a world-class flirt and his confident masculinity is almost as distracting as those rugby thighs. Given my inexperienced history, I'm no match for our undeniable chemistry. I vow to keep him at arm's length. But with Logan, every lingering stare—every forbidden touch—awakens something inside of me I thought I had buried for good. We both know we shouldn't cross that line, but I have spent my entire life being a good girl, and suddenly I'm tempted to be very, very bad. Especially when Logan tells me to just say yes.

Just Like That Lena Hendrix, 2025-11-25 In bestselling author Lena Hendrix's fourth Kings novel, JP King finds his position as head of the King family's powerful empire compromised by some unexpected news—and the irresistible woman who delivered it . . . He's my sister's ex, a stubborn jerk, and completely off-limits. Getting a man to give up custody of a son he didn't know existed should have been easy. Trouble is, nothing with JP King is ever easy. Suave, grumpy billionaires aren't supposed to have strong hands or filthy mouths, and I never expected our snippy banter to be so much fun. JP regards me as something he scraped off the bottom of his dress shoe, but when this reluctant single dad looks at my nephew, there's a softness there he struggles to keep hidden. He may be gruff and uptight, but something simmers beneath his controlled, polished exterior. Sure, I'm wild and reckless, but when we're forced together as guardians, everything changes. His cold and calculated exterior melts into hushed conversations and lingering stares. The more we fight, the harder we fall. I'm scatterbrained, unconventional, and everything he's been missing. The closer we get, the less we understand why we were ever at odds. . . . until just like that our lives are turned upside down.

Just This Once Lena Hendrix, 2025-11-25 In a rugged small town on the coast of Michigan where heartbreak lingers but love always finds a way, sparks fly between a fireman and the daughter of the fire chief after an unforgettable one night stand. Fans of Lucy Score's Knockmeout Series, Elsie Silver, Carley Fortune, and B.K. Borrison will swoon over book 1 in Lena Hendrix's bestselling Kings Series! Cocky, pierced firefighters are perfect for late-night rom-coms, but in real life they're nothing but trouble. Especially when you find out they work for your dad—after you've already slept with them.

Moving to my parents' small town was supposed to be the fresh start I was looking for. When a disastrous Valentine's Day leads to an unexpected encounter with a sexy stranger, it ended with the hottest night of my life. I didn't think I would ever see Whip again. Imagine my surprise when one of my sixth-grade students has a medical emergency and it's Whip who shows up, looking hot as hell, to save the day. I should be embarrassed at how we left things, but instead I'm furious he doesn't seem to remember me. So I scrape my pride off the floor, lift my chin, and pretend there's nothing between us. But that can last only so long. Stolen glances melt into forbidden touches, and once we give in to temptation, we can't keep our hands off each other. Nothing has ever felt so right, but my guarded heart won't let me believe in happily ever after with a man like him. Opening up to Whip may be the hardest thing I've ever done, and every time we agree to one last time, we both know it's a lie. How many times can we keep telling ourselves just this once before we realize that, when it comes to love, once is never enough?

Just My Luck Lena Hendrix, 2025-11-25 Unexpected sparks ignite a slow burn in this grumpy/sunshine workplace romance when a single mom proposes a marriage of convenience to save her boss's brewery. Fans of Lucy Score, Elsie Silver, Carley Fortune, and B.K. Borrison will find their next obsession with this second standalone in bestselling author Lena Hendrix's spicy, emotional, deeply romantic Kings Series set in small town Michigan. You might think it's reckless for a single mom to enter into a marriage of convenience with her boss. You would be correct. To make matters worse, Abel King is a grumpy local brewer with a criminal past. He also happens to be my boss and a total stick-in-the-mud. Every time I come to work with a smile and wave, I'm lucky if I can get a grunt in response. When I accidentally-on-purpose overhear that he's having trouble securing a business loan due to his criminal record, I hatch a plan to help the both of us. The arrangement is perfect—a business transaction and nothing more. Like having a roommate without the hassle of other people bugging you for dates. I will definitely not be falling in love with him—no matter how many times he says “my wife” and tingles dance in all the right places. Trouble is, as time goes on, things stop feeling like business and start feeling a whole lot like pleasure . . . and really, that's just my luck . . .

Finding You Lena Hendrix, 2021-05-26 I never thought I'd find her. After eight years in the Marines, I'm still looking for the mysterious woman I've obsessed over since her first letter. When she shows up in my small town, I'm thrilled. But when she turns out to be my brother's best friend--and the girl he's always loved--I'm caught between the two people who matter to me the most. I'm a Marine, which means honor and duty run deep. Joanna is off-limits. That would be a whole lot easier if she hadn't already agreed to help run my brother's fishing guide business for the summer, forcing me to work side-by-side with the woman I've fantasized about for years. I try to keep her at a distance, push her away, man up. But she draws me in without even trying, and I can't get enough of how she makes me feel. I'm stealing moments with her, and I know it's wrong. She may not be my brother's girlfriend, but I know a landmine when I see one. How can a good man choose his heart over his

honor?

Keeping You Lena Hendrix, 2021-09-06 I never should have slept with Colin McCoy. When I moved to my sister's small town, I was looking for a fresh start—no more shallow relationships, no snotty fake friends, and definitely no charming, dirty-talking musicians. We had a fun, red-hot night together and we agreed that hooking up was a mistake, a one-time thing. But when my dream bakery location happens to be right next door to his bar, every day I'm forced to see that chiseled jawline and remember the feel of his incredible body on mine. No. I'm starting over. I have rules. No more bad habits, definitely no falling in love. No matter how hard he tries, hooking up with him again would prove I'm the flake everyone expects me to be. But here I am, stuck between wanting to make something of my life and wanting to grab him and make another delicious mistake. *Keeping You* is book two in the Chikalu Falls series. Each is a steamy, interconnected stand alone. You'll find characters in the town overlap, but each book is a complete story on its own!

The Luck of Finding You Taylor Epperson,2024-02-10 Can you fall in love with the same person twice? Exactly five years, five months, and three days ago I spent a single afternoon with a guy, Noah, and promptly fell in love with him. Then he left without leaving a number or his last name. Now he's standing above me in the same tiny cafe we met all those years ago. And he's a grown man with an easy smile that's making me feel eighteen again. But I don't fall in love, not anymore. Which is why I make this promise to myself. I will not fall in love with Noah. Again. Even if I do have to work with him every day for the next year in his Grandma's book store, thanks to her will. And I will not fall in love with Mo, my online best friend who's suggesting that we finally meet in person after two years of talking. Because in the end, guys always leave, and happily ever afters only exist in romance novels. The Luck of Finding You special edition includes a bonus epilogue, not included in the original.
