**Romantic Relationships in a Time of 'Cold Intimacies'** Julia Carter, Lorena Arocha, 2019-10-31 This book addresses the nature of intimacy and relationships in a time of what Eva Illouz characterizes as 'cold intimacies'. The contributors to this collection highlight the ambivalence and tensions contained in 'intimacy' by uncovering a nuanced and complex dynamic, in which interpersonal relations and the public sphere are mutually constituted. A range of topics are explored, including the new conditions of 'choice', the abundance of partners, class and emotional competence, rational decision-making and the

specific forms of 'love pain' which can emerge from cooled intimacy. The chapters also shed light on the limits of this theoretical contribution, highlighting the importance of parenting, violence, poverty, and other material constraints that continue to limit and frame individuals' romantic choices. Overall this volume presents an interpretation of intimacy that is not just 'cold' but includes practices, desires and feelings that are safe and dangerous, that bring solace or erupt in violence, that lead to salvation or condemnation, and where virtual encounters and increased internal and crossborder mobility have altered the relationship between intimacy and (physical/emotional) distance. *Romantic Relationships in a Time of 'Cold Intimacies'* will be of interest to scholars and students across a range of disciplines, including sociology, social work, social policy and demography, as well as practitioners and policy-makers with an interest in couple relationships.

**The One-Way Ticket Plan** Alexa West, 2023-09-12 In 2011, Alexa West sat on her bedroom floor, packed her life into a backpack, and got on a one-way flight with just \$200 in her pocket. She went from budget backpacker to solo female travel expert — and now teaches thousands of women how to travel alone and make money from anywhere. *The One-Way Ticket Plan* reveals her decade's worth of lessons, regrets, embarrassments, love stories, shortcuts, and problem-solving strategies — all packed into a hilarious page-turner and actionable plan for a total life makeover. From real-world advice on how travel can lower your cost of living to guidance on traveling safely, using strange toilets, avoiding tourist traps, dealing with unfamiliar foods, and coping with friendships, romance, and loneliness, Alexa provides the tools and inspiration to turn even the most inexperienced traveler into an expert explorer before ever leaving the couch.

**Don't Stick Your Dick in a Blender** Jonathan Roseland, 2025-09-09 Women are dangerous. Good, yet naive, men routinely wreck their lives because they “stick their dick in a blender” — having sex with the wrong kinds of women. STDs, unplanned pregnancies, false accusations, mental health headcases, and divorce make chasing skirts a dangerous game. While lesser men retreat from the pursuit of women into the pixel-powered pleasure world, you have faith that your hunt for a virtuous woman will be fruitful. You can't take a time machine back to a more decent age to find a marriageable woman. You're not ready to give up on your genetic purpose and start banging sex robots, but you're tired of the transient, meaningless flings with mediocre women. You're likely underestimating just how risky sex, a relationship, or marriage is with the modern woman. But you're also underestimating just how rewarding it is to win the commitment of “a nice girl” — a truly feminine woman, not at war with the natural order — and intertwine your essence with hers. Don't Stick Your Dick in a Blender” is an irreverent, politically incorrect exposition of the state of dating in the current year. And a playbook of counter-intuitive approaches, advanced social dynamics lifehacks, along with filtering strategies for avoiding the time-wasters and inglorious skanks. How to meet a nice girl... Meeting a wife-material woman - Yes, it's still possible! Dating post-COVID-19 - The global pandemic/plandemic has changed the game; you must adapt. The truth about marrying an exotic foreign woman - Is it for you? Online dating - Navigating the digital minefield of fakers, flakes, liars, and scams. Mindset demystified - Deprogramming the mainstream (and counter-culture) mindsets that cost you love. Dating abroad - How to do it without getting royally screwed. Avoiding the friend zone - Advanced persuasion and sexual signaling methods. Seducing a virgin - Why this really matters and how to do it... Eliciting yielding Yin energy - Inspiring a woman to adopt your values. Cultivating her devotion - Get laid like a “lover” and get respect like a patriarchal provider. Tantric “sex hacks” - Up your bedroom skills with an arsenal of holistic biohacks (both ancient and cutting-edge) for life-changing sex. Losing your virginity - Perhaps you're a frustrated virgin or “Incel” disappointed with all the crappy advice about how to lose your virginity. 33 steps are broken down for meaningfully losing your virginity. And in these pages, you'll get the “red pills” on dating, sex, and the fairer sex without the hopelessness and cynicism. You'll learn about the four red flags of a “blender” — deal-breakers that should make you back away slowly from a woman. You'll learn what qualifies as a virtuous woman with whom you might have a future. And, why there are reasons to be optimistic about finding love and even getting married one day. This book is also a story of hope and redemption, the memoir of a reformed pick-up artist who “enjoyed the decline” all the way from America and Colombia to Ukraine and found edifying joy and meaning between the voluptuous thighs of a beautiful Bulgarian woman on the edge of Europe. Includes: 18-hour audiobook narrated by the author

*Far From Simple: Life After Being Not Your Average Teen* Brittany Krystantos,2017-11-14 *Far From Simple: Life After Being "Not Your Average Teen"* written by 20 year old Canadian author, Brittany Krystantos, recalls the ever-so common high school struggles with self identity, friendships and lack-thereof, popularity and stereotypes, and continues into young adulthood consisting of the terrible tinder dates including the time her date told her they'd have cute babies on their first date... run, oh yes! Britt shares with us her awful attempt at friends-with-benefits or should we say FWB, and heartbreak from the time her boyfriend broke up with her over text. Maybe, the heart healed from eating the entire jar of chocolate ice cream or maybe not; but it sure felt better in the moment. In this narrative nonfiction, she describes that kind of girl that is within all of us: ambitious, different, free spirited, wild, adventurous, yet innocent at the heart of things. She has gone through pain and hardship and dug her way out of the darkness to become enlightened by her soul's calling; a life purpose to be different, and far from simple. 20 years of life, what up!

From Peru with love, (wander)lust & loathing... Blake Goldfield is 'the guy who broke Tinder' while raising funds for his overseas charity. High-flying banker, Louise Lane, isn't buying his hot, eligible philanthropist act. In fact, it's dislike at first sight when she encounters Blake working the bar at her office Christmas party. Both are at a life crossroads: Blake has begrudgingly left his not-for-profit to deal with Goldies, his family's embattled restaurant; Louise has just split from her perfect-on-paper fiancé. Blake may be in control of the drinks, but Louise has the power to reject the loan necessary to keep Goldies open... As Blake and Louise watch their lives unravel, their paths seem to be inextricably tangled. Torn between the weight of expectation and her heart's desire, Louise searches for a fresh perspective in Peru. First stop: Machu Picchu. Final destination: Love? A sparkling enemies-to-lovers rom com about the things we want, the things we think we want and the things that really count.
