

# Jorge Luis Borges Collected Fictions

## Jorge Luis Borges

**Collected Fictions** Jorge Luis Borges, 1999-09-01 For the first time in English, all the fiction by the writer who has been called “the greatest Spanish-language writer of our century” collected in a single volume “An event, and cause for celebration.”—The New York Times A Penguin Classics Deluxe Edition with flaps and deckle-edged paper For some fifty years, in intriguing and ingenious fictions that reimaged the very form of the short story—from his 1935 debut with *A Universal History of Iniquity* through his immensely influential collections *Ficciones* and *The Aleph*, the enigmatic prose poems of *The Maker*, up to his final work in the 1980s, *Shakespeare’s Memory*—Jorge Luis Borges returned again and again to his celebrated themes: dreams, duels, labyrinths, mirrors, infinite libraries, the manipulations of chance, gauchos, knife fighters, tigers, and the elusive nature of identity itself. Playfully experimenting with ostensibly subliterate genres, he took the detective story and turned it into metaphysics; he took fantasy writing and made it, with its questioning and reinventing of everyday reality, central to the craft of fiction; he took the literary essay and put it to use reviewing wholly imaginary books. Bringing together for the first time in English all of Borges’s magical stories, and all of them newly rendered into English in brilliant translations by Andrew Hurley, *Collected Fictions* is the perfect one-volume compendium for all who have long loved Borges, and a superb introduction to the master’s work for all who have yet to discover this singular genius. For more than seventy-five years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 2,000 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Collected Fictions (of Jorge Luis Borges) Jorge Luis Borges, 1999

*Collected Fictions 5-Copy Prepack (Borges, Jorge Luis)*. Jorge Luis Borges, 1999

**Ficciones** Jorge Luis Borges, 1993 17 stories including *The Library of Babel*, *The secret miracle*, *The Babylonian lottery*, and *Three versions of Judas*.

**Ficciones** Jorge Luis Borges, 1976

**Selected Non-Fictions** Jorge Luis Borges, 2000-11-01 Winner of the National Book Critics Circle Award in Criticism The first comprehensive selection in any language of the non-fiction--much of it appearing here in English for the first time--of

“one of literature’s most fertile and original minds” (San Francisco Chronicle) A Penguin Classics Deluxe Edition with flaps and deckle-edged paper It will come as a surprise to many readers that the greater part of Jorge Luis Borges’s extraordinary writing was not in the genres of fiction or poetry, but in various forms of non-fiction prose. His thousands of pages of essays, reviews, prologues, lectures, and notes on politics and culture—though revered in Latin America and Europe as among his finest work—have scarcely been translated into English. Selected Non-Fictions presents a Borges almost entirely unknown to American readers. Here is the dazzling metaphysician speculating on the nature of time and reality and the inventions of heaven and hell, and the almost superhumanly erudite reader of the world’s literatures, from Homer to Ray Bradbury, James Joyce to Lady Murasaki. Here, too, the political Borges, taking courageous stands against fascism, antisemitism, and the Perón dictatorship; Borges the movie critic, on King Kong and Citizen Kane and the Borgesian art of dubbing; and Borges the regular columnist for the Argentine equivalent of the Ladies’ Home Journal, writing hilarious book reviews and capsule biographies of modern writers. Like the Aleph in his famous story—the magical point in a basement in Buenos Aires from which one can view everything in the world—Borges’s non-fictions are a vortex for seemingly the entire universe: Dante and Ellery Queen, Shakespeare and the Kabbalah, the history of angels and the history of tango, the Buddha, Bette Davis, and the Dionne Quints. Selected Non-Fictions presents more than 160 of these astonishing writings, from his youthful manifestos to his last meditations on his favorite books. More than a hundred of these pieces have never before appeared in English, and all have been rendered in brilliant new translations by Esther Allen, Suzanne Jill Levine, and Eliot Weinberger. This unique selection presents Borges as at once a deceptively self-effacing guide to the universe and the inventor of a universe that is an indispensable guide to Borges. For more than seventy-five years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 2,000 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

**The Total Library** Jorge Luis Borges, 1999

Labyrinths Jorge Luis Borges, 1964 Forty short stories and essays have been selected as representative of the Argentine writer's metaphysical narratives.

*Everything and Nothing* Jorge Luis Borges, 2021-03-18 A pocket-sized Pearls edition of some of Borges’ best fictions and essays. Everything and Nothing collects the best of Borges’ highly influential work—written in the 1930s and ‘40s—that foresaw the internet (“Tlön, Uqbar, Orbis Tertius”), quantum mechanics (“The Garden of Forking Paths”), and cloning (“Pierre Menard, Author of the Quixote”). David Foster Wallace described Borges as “scalp-crinkling . . . Borges’ work is designed primarily as metaphysical arguments...to transcend individual consciousness.”

*Jorge Luis Borges* Jason Wilson, 2006-10-02 "Through the years, a man peoples a space with images of provinces, kingdoms, mountains, bays, ships, islands, fishes, rooms, tools, stars, horses and people. Shortly before his death, he discovers that the patient labyrinth of lines traces the image of his own face." These words, inseparably marrying Jorge Luis Borges's life and work, encapsulate how he interwove the two throughout his legendary career. But the Borges of popular imagination is the blind, lauded librarian and man of letters; few biographers have explored his tumultuous early life in the streets and cafes of Buenos Aires, a young man searching for his path in the world. In *Jorge Luis Borges*, Jason Wilson uncovers the young poet who wrote, loved, and lost with adventurous passion, and he considers the later work and life of the writer who claimed he never created a character other than himself. As Borges declared, "It's always me, subtly disguised." Born in Buenos Aires in 1899, Borges was a voracious reader from childhood, perhaps in part because he knew he lived under an inescapable sentence of adult-onset blindness inherited from his father. Wilson chronicles Borges's life as he raced against time and his fated blindness, charting the literary friendships, love affairs, and polemical writings that formed the foundation of his youth. Illuminating the connections running between the biography and fictions of Borges, Wilson traces the outline of this self-effacing literary figure. Though in his later writings Borges would subjugate emotion to the wild play of ideas, this bracing book reminds us that his works always recreated his life in subtle and delicate ways. Restoring Borges to his Argentine roots, *Jorge Luis Borges* will be an invaluable resource for all those who treasure this modern master.

**The Book of Sand and Shakespeare's Memory** Jorge Luis Borges, 2007-12-18 The acclaimed translation of Borges's valedictory stories, in its first stand-alone edition *Jorge Luis Borges* has been called the greatest Spanish-language writer of the twentieth century. Now Borges's remarkable last major story collection, *The Book of Sand*, is paired with a handful of writings from the very end of his life. Brilliantly translated, these stories combine a direct and at times almost colloquial style coupled with Borges's signature fantastic inventiveness. Containing such marvelous tales as *The Congress*, *Undr*, *The Mirror and the Mask*, and *The Rose of Paracelsus*, this edition showcases Borges's depth of vision and superb image-conjuring power. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

*Jorge Luis Borges* Lewis-Sebring Professor of Humanities and Latin American and Latino Culture Ilan Stavans, 2025-06-30 A celebration of the life and works of one of the most influential world literary figures of the twentieth century, this Very Short Introduction traces Jorge Luis Borges's trajectory from his beginnings in Buenos Aires through the Dirty War in Argentina. It gives an engaging overview of his writings and their themes and shows how his career redefined Latin American as well as global literature.

Labyrinths Jorge Luis Borges, 2017-03-01 The classic by Latin America's finest writer of the twentieth century—a true literary sensation—with an introduction by cyber-author William Gibson. The groundbreaking trans-genre work of Argentinian writer Jorge Luis Borges (1899-1986) has been insinuating itself into the structure, stance, and very breath of world literature for well over half a century. Multi-layered, self-referential, elusive, and allusive writing is now frequently labeled Borgesian. Umberto Eco's international bestseller, *The Name of the Rose*, is, on one level, an elaborate improvisation on Borges' fiction *The Library*, which American readers first encountered in the original 1962 New Directions publication of *Labyrinths*. This new edition of *Labyrinths*, the classic representative selection of Borges' writing edited by Donald A. Yates and James E. Irby (in translations by themselves and others), includes the text of the original edition (as augmented in 1964) as well as Irby's biographical and critical essay, a poignant tribute by André Maurois, and a chronology of the author's life. Borges enthusiast William Gibson has contributed a new introduction bringing Borges' influence and importance into the twenty-first century.

**Collected Fictions** Jorge Luis Borges, 2014

*The Routledge Companion to Twentieth and Twenty-First Century Latin American Literary and Cultural Forms* Guillermina De Ferrari, Mariano Siskind, 2022-08-19 The Routledge Companion to Twentieth and Twenty-First Century Latin American Literary and Cultural Forms brings together a team of expert contributors in this critical and innovative volume. Highlighting key trends within the discipline, as well as cutting-edge viewpoints that revise and redefine traditional debates and approaches, readers will come away with an understanding of the complexity of twenty-first-century Latin American cultural production and with a renovated and eminently contemporary understanding of twentieth-century literature and culture. This invaluable resource will be of interest to advanced students and academics in the fields of Latin American literature, cultural studies, and comparative literature.

**Narratives of Enclosure in Detective Fiction** M. Cook, 2011-10-12 The locked room mystery is one of the iconic creations of popular fiction. Michael Cook's critical study reveals how this archetypal form of the puzzle story has had a significant effect in shaping the immensely popular genre of detective fiction. The book includes analysis of texts from Poe to the present day.

Collected Fictions Jorge Luis Borges Staff, 2000-01

*The Library of Babel* Jorge Luis Borges, 2023-05-25 Little Clothbound Classics: irresistible, mini editions of short stories, novellas and essays from the world's greatest writers, designed by the award-winning Coralie Bickford-Smith. Magical books, infinite libraries, parallel worlds, mazes, labyrinths and philosophical paradoxes haunt these spellbinding tales by one of the most uniquely inventive short story writers of the twentieth century. This collection brings together many of Borges's greatest and most beloved stories, including 'The Garden of Forking Paths', 'The Book of Sand' and 'Shakespeare's Memory'.

Libraries in Literature Alice Crawford, Robert Crawford, 2022 A collection that explores how libraries have been represented in English-language fiction, drama, and poetry from the early modern period to the present day. This accessible volume covers literature from Don Quixote to the work of M. R. James, Agatha Christie, and Haruki Murakami and draws together original essays by prestigious contributors.

**The Big Book of Design Ideas** David E. Carter, 2000 This major new reference contains an assemblage of visual concepts from around the world. Categories include designs for annual reports, books, calenders, catalogs, editorial layouts, exhibits, labels and tags, letterheads, menus, outdoor advertising, packaging, posters, promotion materials, shopping bags, T-shirts, and more. 900 color illustrations.

## Jorge Luis Borges Collected Fictions Introduction

Jorge Luis Borges Collected Fictions Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Jorge Luis Borges Collected Fictions Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Jorge Luis Borges Collected Fictions : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Jorge Luis Borges Collected Fictions : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Jorge Luis Borges Collected Fictions Offers a diverse

range of free eBooks across various genres. Jorge Luis Borges Collected Fictions Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Jorge Luis Borges Collected Fictions Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Jorge Luis Borges Collected Fictions, especially related to Jorge Luis Borges Collected Fictions, might be challenging as they're often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Jorge Luis Borges Collected Fictions, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Jorge Luis Borges Collected Fictions books or magazines might include. Look for these in online stores or libraries. Remember that while Jorge Luis Borges Collected Fictions, sharing copyrighted material

without permission is not legal. Always ensure you're either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Jorge Luis Borges Collected Fictions eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Jorge Luis Borges Collected Fictions full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Jorge Luis Borges Collected Fictions eBooks, including some popular titles.

## FAQs About Jorge Luis Borges Collected Fictions Books

**What is a Jorge Luis Borges Collected Fictions PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Jorge Luis Borges Collected Fictions PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Jorge Luis Borges Collected Fictions PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or

Smallpdf, also offer basic editing capabilities. **How do I convert a Jorge Luis Borges Collected Fictions PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Jorge Luis Borges Collected Fictions PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. **How do I compress a PDF file?** You can use

online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
