**Something More** Siobhan Curham, 2019-02-28 Have you ever wondered if there might be something more to life? When

Siobhan Curham decided to write a book about happiness there was only one small problem, which became a massive problem as soon as she sat down to write - she wasn't truly happy. Not wanting to be a fraud, Siobhan set out to discover the secret to true and lasting happiness. Her quest took her on an unexpected path deep into the heart of the world's spiritual traditions. *Something More* is a funny and moving account of Siobhan's journey, as she found religion - and promptly lost it again - then went on to develop her own spiritual 'pick and mix' of practises from Buddhist chanting, Irish yoga, Jewish philosophy and Reiki healing, to connecting with her inner goddess and finding her shamanic spirit animal (who, it turns out, was a large, black, talking horse). Full of brutally honest anecdotes and age-old wisdom, *Something More* is for anyone who has ever thought about exploring their spiritual side, and those who might feel disillusioned by organised religion but still crave that elusive 'something more'. After all, who wouldn't want to find inner peace and everlasting happiness?
