Strength to Love Martin Luther King, Jr., 2019-10-15 The classic collection of Dr. King's sermons that fuse his Christian teachings with his radical ideas of love and nonviolence as a means to combat hate and oppression. As Martin Luther King, Jr., prepared for the Birmingham campaign in early 1963, he drafted the final sermons for *Strength to Love*, a volume of his most well known homilies. King had begun working on the sermons during a fortnight in jail in July 1962. While behind bars, he spent uninterrupted time preparing the drafts for works such as "Loving Your Enemies" and "Shattered Dreams," and he continued to edit the volume after his release. *Strength to Love* includes these classic sermons selected by Dr. King. Collectively they present King's fusion of Christian teachings and social consciousness and promote his prescient vision of love as a social and political force for change.

Love as Common Ground Paul S. Fiddes, 2021-09-23 This book explores the way in which the study and practice of love creates a common ground for different faiths and different traditions within the same faith. For the contributors, "common ground" in this context is not a minimal core of belief or a lowest common denominator of faith, but a space or area in which to live together, consider together the meaning of the love to which various faiths witness, and work together to enable human flourishing. Such a space, the contributors believe, is possible because it is the place of encounter with the divine. This book is the fruit of a Project for the Study of Love in Religion which aims to create this space in which different traditions of love converge, from Islam, Judaism, and the Christianity of both East and West. Tools employed by the contributors in exploring this space of love include exegesis of ancient texts, theology, accounts of mystical experience, philosophy, and evolutionary science of the human. Insights about human and divine love that emerge include its nature as a form of knowing, its sacrificial and erotic dimensions, its inclination towards beauty, its making of community and its importance for a just political and economic life.

The Papers of Martin Luther King, Jr., Volume VI Martin Luther King Jr., 2023-11-15 Dedicated to documenting the life of America's best-known advocate for peace and justice, The Papers of Martin Luther King, Jr. breaks the chronology of its series to present King's never-before-published sermon file. In 1997 Mrs. Coretta Scott King granted the King Papers Project permission to examine papers kept in boxes in the basement of the Kings' home. The most significant finding was a battered cardboard box that held more than two hundred folders containing documents King used to prepare his celebrated sermons. This private collection that King kept in his study sheds considerable light on the theology and preaching preparation of one of the most noted orators of the modern era. These illuminating papers reveal that King's concern about poverty, human rights, and social justice was clearly present in his earliest handwritten sermons, which conveyed a message of faith, hope, and love for the dispossessed. His enduring message can be charted through his years as a seminary student, as pastor of

Dexter Avenue Baptist Church, as a leader of the Montgomery bus boycott, and, ultimately, as an internationally renowned proponent of human rights who saw himself mainly as a preacher and advocate of the social gospel. Ten of the original and unedited sermons King submitted for publication in the 1963 book *Strength to Love* and audio versions of King's most famous sermons are the culmination of this groundbreaking work. Dedicated to documenting the life of America's best-known advocate for peace and justice, *The Papers of Martin Luther King, Jr.* breaks the chronology of its series to present King's never-before-published sermon file. In 1997 Mrs. Coretta Scott King

God's Love Deal With Us Dr. Meyer J van Rensburg, 2024-10-15 Our history, mythologies, and even popular entertainment are filled with stories upholding the concept of sacred vows and covenants-between warriors, rulers and subjects, friends, and allies. Take, for example, King Arthur's Knights of the Round Table or the Three Musketeers. However, the concept of blood brothers and sworn oaths is not a product of Western Civilization as we might suspect; the history of covenants goes back to the days before Christ. So where did it originate? And how did it develop? Here Dr. Meyer van Rensburg seeks to answer these questions while also addressing the significance of covenant in the Christian's life today. *Covenant: God's Love-deal with us* provides a vast survey of the meaning behind such vows and the far-reaching history of these bonds. Largely setting his foundation in Scriptural references to what makes a covenant and the many examples of Biblical covenants, Dr. van Rensburg emphasizes the ritual of the nine required steps to a covenant and their meanings then and now (consider the elements of a typical wedding ceremony) to see how adherence to these covenant steps continues today. Furthermore, the many covenants God made with man throughout early history (with Adam, Noah, Abraham, David, Moses, and especially Jesus) continue to touch Christians' lives: these are dealt with in detail by the author. However, he also goes beyond these Scriptural models and the covenants between God and man to explore the history of covenants between men throughout the

world, and particularly the existence of covenants in Africa and their role in the history of the continent, past and present. Through this wealth of examples and attention to ritual, Dr. van Rensburg reveals a path to agape love and peace if only one adopts the principles of the covenant. Dr. Meyer's books can be seen on Amazon and his oil paintings on UK craft fairs.

A Gift of Love Martin Luther King Jr., 2017-01-05 '[He] inspired a generation ... He changed the course of history' Barack Obama As Martin Luther King, Jr. prepared for the Birmingham campaign in early 1963, he drafted the final sermons for *Strength to Love*, a volume of his best-known lectures. King had begun working on the sermons during a fortnight in jail in July 1962 and *A Gift of Love* includes these classic sermons, along with two new lectures. Drawing inspiration from both his Christian faith and the non-violent philosophy of Mahatma Gandhi, *A Gift of Love* illustrates King's vision of love and peaceful action as social and political forces for change.

Jesus and Justice Peter Goodwin Heltzel, 2009-07-21 This timely book investigates the increasing visibility and influence of evangelical Christians in recent American politics with a focus on racial justice. Peter Goodwin Heltzel considers four evangelical social movements: Focus on the Family, the National Association of Evangelicals, Christian Community Development Association, and Sojourners. The political motives and actions of evangelical groups are founded upon their conceptions of Jesus Christ, Heltzel contends. He traces the roots of contemporary evangelical politics to the prophetic black Christianity tradition of Martin Luther King, Jr., and the socially engaged evangelical tradition of Carl F. H. Henry. Heltzel shows that the basic tenets of King's and Henry's theologies have led their evangelical heirs toward a prophetic evangelicalism in a shade of blue green--blue symbolizing the tragedy of black suffering in the Americas, and green symbolizing the hope of a prophetic evangelical engagement with poverty, AIDS, and the environment. This fresh theological understanding of evangelical political groups shines new light on the ways evangelicals shape and are shaped by broader American culture.

Christian Love Bernard V. Komar, 2003-03-07 Bernard Brady has given us a rare, delightful, and thought-provoking book—a volume that belongs on the desk or the bed-stand of anyone in search of the rich and varied dimensions of Christian love. Christians are taught that God is love and are commanded to love, their neighbors and their enemies. These truths are not controversial. What is controversial and, indeed, has been controversial throughout the history of Christianity is the meaning of this love. This book explores the tradition of Christian reflection on the meaning, and experience of love, loving, and being loved. Many books have been written about Christian love, but no book has gathered together this kind of primary

source material and covered such a wide range of perspectives, allowing the reader to engage directly with the thought and experience of some of the greatest Christian minds on the topic of love. Bernard Brady covers with remarkable clarity the breadth and depth of discussions on Christian love from the Bible to contemporary experience to create this-a survey of how Christians through the ages have understood love. Beginning of course with the Bible, Brady examines the key writings and thinkers on the nature of Christian love: St. Augustine; mystics such as Bernard of Clairvaux, Hadewich, and Julian of Norwich; the great tradition and literature of courtly love, Thomas Aquinas, Martin Luther, Søren Kierkegaard, and others. In addition, Brady devotes chapters to several 20th century figures whose lives seemingly embodied Christian love: Mother Theresa, Martin Luther King, Jr., and Pope John Paul II. Finally, Christian Love addresses contemporary deliberations over the meaning of love with an analysis of the modern writings of Martin D'Arcy, Reinhold Niebuhr, Jules Toner, Gustavo Gutiérrez, Gene Outka, Margaret Farley, Edward Vacek, and Don Browning. In a synthesizing concluding chapter, Brady offers his own insightful and introspective understanding of the substance of Christian love, suggesting that it is an affective affirmation of another, that it is both responsive and unitive, and that it is steadfast and enduring. As a beautiful contemplative companion to one's own spiritual understanding, or as a thoughtful and meaningful gift, Christian Love is in every sense a treasure to behold, read, and share with those you love.

Black Feelings Lisa M. Corrigan, 2020-02-25 Honorable Mention Recipient of the 2021 Marie Hochmuth Nichols Award for Outstanding Scholarship in Public Address by the National Communication Association In the 1969 issue of Negro Digest, a young Black Arts Movement poet then-named Ameer (Amiri) Baraka published "We Are Our Feeling: The Black Aesthetic." Baraka's emphasis on the importance of feelings in Black selfhood expressed a touchstone for how the Black liberation movement grappled with emotions in response to the politics and racial violence of the era. In her latest book, award-winning author Lisa M. Corrigan suggests that Black Power provided a significant repository for negative feelings, largely Black pessimism, to resist the constant physical violence against Black activists and the psychological strain of political disappointment. Corrigan asserts the emergence of Black Power as a discourse of Black emotional invention in opposition to Kennedy-era white hope. As integration became the prevailing discourse of racial liberalism shaping midcentury discursive structures, so too, did racial feelings mold the biopolitical order of postmodern life in America. By examining the discourses produced by Martin Luther King, Malcolm X, Stokely Carmichael, Huey Newton, Eldridge Cleaver, and other Black Power icons who were marshaling Black feelings in the service of Black political action, Corrigan traces how Black liberation

activists mobilized new emotional repertoires
