Nikki Ash

The Pickup Nikki Ash,2024-01-22 Nick Somebody once said we don't decide who we love. The world decides for us. But I disagree. I believe love is a decision. Who we love, how we love. It's in our control--in our hands. I grew up having no clue about the true meaning of love. Money. Cars. Houses. Status. Fame. That's what love means to the people around me. It wasn't until the woman I picked up in a bar came back into my life and showed me love can be so much more. So, what's the problem? The woman I'm falling in love with believes in fairytales. She compares everything to a storybook and wants the happily-ever-after. So while she's stuck on recreating stories that have already been told, page by page, I'm showing her it's time we write our own book. Nobody ever said the journey of falling in love would be easy, just that it would be worth it.

Through His Eyes Nikki Ash,2024-01-22 Lachlan The moment I saw her walk through the door of Forbidden Ink, I knew she was the one. With her wide hips, thick thighs, and perfect breasts, she's every man's wet dream. Add to that her dark, soulful eyes, pouty lips, and a body covered in gorgeous art, and I knew I needed to make her mine. She's a walking contradiction of sass and strength and determination, hidden by insecurity and self-doubt. She's everything I could ever want or need, but she doesn't see what I see. I want to take away her pain. To be the one to make her laugh, to make all her dreams come true. I need to prove to her that I'm not him, that no matter what, I'll be right there beside her. Loving her. If only she could see herself through my eyes, she would understand we were made for each other.

Waiting on You Nikki Ash,2024-09-12 Nate One minute, I'm minding my own business, and the next, I'm rescuing a beautiful woman in front of my family's hotel. I'm not prepared for the instant attraction I feel for her, but the chemistry is undeniable. Paige warns me all she can give me is London, and I agree, but when our time is up, I'm desperate for more. I slip my card into her purse, hoping she will call, but after two months of silence, it's clear she's not going to. So, I do what any man in my position would do ... I go after her. Paige What started as a grand gesture for the man I thought was the one ends with me fleeing after catching him with my best friend. With tears in my eyes and my heart in my hand, I stumble on the cobblestone. One second, I'm closing my eyes and praying I don't die, and the next, I'm being swept off my feet by a handsome stranger-literally. Nate shows me passion like I've never known, and it only takes five unforgettable days to fall head over heels for him. Faced with the harsh reality of long-distance love, I make a heart-wrenching decision to throw away his number-a choice I believe will spare us both from inevitable heartbreak. But after returning home, I realize what a

colossal mistake I made. Because what had happened in London didn't stay in London ...

Clutch Player Nikki Ash, 2020-05-16 From Nikki Ash, comes a new, standalone, single parent, second chance romance. Clutch player: an athlete who is good under pressure and performs highly impossible plays in a quick and almost impossible amount of time. Harper I fell in love when I was sixteen. Landon was my entire world and I thought he would be my forever. But I was young and dumb, and with one error in judgement, I destroyed any chance of a future we could've had together, along with our hearts. Twelve years later and I'm going through the motions of life, but not actually living. Which is why I let my friends, Bridget and Simon, set me up on a blind date. Turns out, it's not so blind after all. Because the man sitting in front of me is the same man who's held onto my heart all these years. Landon They call me a Clutch Player because I'm good under pressure and quick on my feet. I was also quick to fall in love. The first time it was with baseball, the second was with Harper. And for a short time I had them both. Until I lost Harper and all I had left was baseball. For years, I focused on my career. I had accepted that baseball was my one true love. Until I saw her again. I never imagined we'd ever get a second chance, but now that she's sitting right across from me, I know there's no way in hell I'm going to let her go again.

Sly: Jagged Edge Series Book Four A.L. Long, 2016-12-06 Award-Winning Author of the Shattered Innocence Trilogy "You can make this all go away. All you have to do is do what I say, and all of this can go away." When a tragic accident from her past surfaces, she finds that his hold on her will never be over. As complicated as her life was, it was hers until Alpha-male Sly Capelli entered it. She knew the closer she got to him, the greater the risk would be that he would find out about her past. A past she wanted to forget. Sylvester 'Sly' Capelli never thought a woman could be so stubborn and irresistible at the same time until he met Nikki Jennings. There was something about her that he needed to know about, only every time he tried to get close, she would push him away. Wanting to know the truth behind the woman he was falling for, Sly finds her past was no different from his. Keeping her safe was the only thing he wanted to do, but when obstacles get in the way, there was no other choice but to call on his brothers at Jagged Edge Security to help him out. Would Nikki finally be able to admit the love she has for Sly, or would her destiny catch up with her before she can? Will Sly be able to get to her in time before she is gone forever?

And that dream becomes a reality the moment my lips crash against a mysterious stranger's in a drunken attempt to check another item off my list. In a single night everything changes.
