The Executive Calling Roger D. Andersen,2008-06-04 There are a vast number of Christians in professional and management positions in corporate America who wish to lead as Christ intended. The Executive Calling describes how they can to reconcile their faith with corporate cultures in ways that can enable them to lead effectively and righteously. This book not only challenges current Christian leaders in corporations to discover God's calling for them in their jobs, but calls younger professional and college students to consider leadership careers in the corporate world. Roger Andersen, once vice president of PepsiCo, breaks new ground for anyone who is struggling with reconciling career success and obedient service to Jesus. In these ten expansive chapters--rich in sound, biblical wisdom, and mixed with Andersen's insights from thirty-years of experience--readers will discover why Christians can and are, indeed, called to excel in the corporate world. It examines Scriptural advice on the most important leadership qualities and successful management practices. Available at the end of the book is a comprehensive Christian Executive's Study Guide that is perfectly suited for further individual, small group, or devotional study.

IN TUNE WITH THE DIVINE Dr. George Akinkuoye,2023-04-26 • In today's fast-paced world, It is easy to get caught up in the hustle and bustle of everyday life, which many people call, the rat-race of life, leaving us, not only disconnected from ourselves within; but disconnected from true reality, from our goals, our values, and vision. • The rat-race of life most

often, disconnect us from our purpose in life as a soul in incarnation, leaving us little time for reflection and growth. This is why *In tune with the divine*: Carefully selected quotations and explanations, with a calendar of 365 days a year, that is non-denominational, is imperative as a guide, to provide strength, motivation and to help reconnect you with yourselves and realign you with your true purpose, whatever it may be. Developing Values, Dealing with Issues Dr. Michael J. Bernard, 2023-02-17 *Developing Values, Dealing with Issues* By: Dr. Michael J. Bernard About the Book The book was created from lessons taught to eighth graders in middle school in a Religious Education Program. Thirteen and fourteen-year-old adolescents are on the threshold of responsibility and maturity and need to understand what it takes to have a successful, fulfilling, and happy life. This book uses Biblical teachings and the author's life experiences, along with other inspirational resources, to teach young people the principles of a rewarding life. Unstoppable Dave Anderson, 2017-08-25 Where do you fall on your organization's performance spectrum? *Unstoppable* is performance-enhancing manual for those who are ready to change the world. Regardless of talent or skill set, there are four types of people in every organization: Undertakers, Caretakers, Play Makers, and Game Changers—but value is definitely not equal across the board. Game changers move things forward with relentless energy, effort, attitude, and excellence. They elevate those around them, inspire exceptional performance, and drive their organization to the top. This book is designed to help you rise to the challenge and become the Game Changer your organization needs. Candid insights from dozens of coaches, managers, CEOs, journalists, entrepreneurs, and other elite performers reveal the qualities that make some people stand out, and the underlying theme is mindset. While talent is a great head start, it is merely potential. Undeveloped and erratically-wielded talent holds little value for an organization. The key to high performance is an intentionally cultivated mindset of success, backed by the bold action it takes to make things happen every day. This book delves deep into the elite performance paradigm to help you work at the highest levels. Learn what separates the playmakers from the game changers Step up your performance with a simple five-step process Transform your thinking and develop an

unstoppable toughness Be the best at what you do, and elevate your entire organization The performance spectrum is not about classifying your coworkers; it's about self-assessment, self-reflection, and self-improvement. Everyone has star quality, even if it is buried deep inside. Unstoppable helps you uncover your potential, and upgrade your performance to become the best.
