

Politically Correct Bedtime Stories

James Finn Garner

Politically Correct Bedtime Stories James Finn Garner, 2011-09-01 'Essential reading for adults of all ages . . . the wisest, funniest, most thoughtful thing yet written on the subject of PC' Observer In this bestselling classic, James Finn Garner has rewritten classic stories for more enlightened times; from Snow White's relationship with seven vertically challenged men, Little Red Riding Hood, her grandma and the cross-dressing wolf who set up an alternative household based on mutual respect and cooperation, to the Emperor who was not naked but was endorsing a clothing-optional lifestyle. At last, here is bedtime reading free from prejudice and discrimination of witches, giants, dwarves, goblins and fairies everywhere. For anyone brought up on sexist, racist, sizeist and ethnocentrist reading matter, James Finn Garner's stories have been purged of the influence of an insensitive cultural past to become fables for our times.

Politically Correct Bedtime Stories James Finn Garner, 1994 Retells classic stories and fairy tales that relate to today's society.

Politically Correct James Finn Garner, 1998 James Finn Garner wowed the world when he wrote *Politically Correct Bedtime Stories*, which sold nearly 2 million copies, and then followed it up with two books with the same theme, *Politically Correct Holiday Stories* and *Once Upon An Enlightened Time*; the three books together sold nearly 3.5 million copies in the U.S. and were translated into 20 languages. Garner's incisive and hilarious books took age-old bedtime and holiday stories and made them into politically correct tales of our day. His original humor, filled with social commentary, is well-known by readers around the country -- most recently in his new book *Apocalypse Wow!*

Once Upon a More Enlightene James Finn Garner, 2001-01-01 Another enlightened collection from the bestselling author of *Politically Correct Bedtime Stories*. Garner continues his mission to liberate our classic fairy tales from archaic, sexist, ageist, classist, lookist, and environmentally unsound prejudices with a new collection of humorous tales for readers of

evolved consciousness. 13 line drawings.

Politically Correct Bedtime Stories ; Once Upon a More Enlightened Time, More Politically Correct Bedtime Stories
James Finn Garner, 1995*

Intentions in the Experience of Meaning Raymond W. Gibbs, 1999-09-13 What do our assumptions about authorship matter for our experience of meaning? This book examines the debates in the humanities and social sciences over whether authorial intentions can, or should, constrain our interpretation of language and art. Scholars assume that understanding of linguistic and artistic meaning should not be constrained by beliefs about authors and their possible intentions in creating a human artifact. It is argued here that people are strongly disposed to infer intentionality when understanding oral speech, written texts, artworks, and many other human actions. Although ordinary people, and scholars, may infer meanings that diverge from, or extend beyond, what authors intend, our experience of human artifacts as meaningful is fundamentally tied to our assumptions of intentionality. This challenges the traditional ideas of intentions as existing solely in the minds of individuals, and formulates a new conceptual framework for examining if and when intentions influence the interpretation of meaning.

Politically Correct Bedtime Stories (1 Cassette) James Finn Garner, 1994

A Journey through Knowledge Loredana Frățilă, Codruța Goșa, 2012-11-12 A Journey through Knowledge: Festschrift in Honour of Hortensia Pârlog is a collection of articles dedicated to one of the best known Romanian university teachers and linguists, both in her home country and well beyond its borders. The heterogeneous material (both in terms of the range of issues tackled and in terms of the approaches adopted by the authors) in the three sections of the volume finds itself a common denominator in the idea of "traveling" and "journey", around which they are organized. In the first section, Traveling across Identities and Emotions, Pia Brînzeu touches upon some identity issues, in dealing with a form of subversion in Coz Shakespeare, by Marin Sorescu; Jaques Ramel argues against the opinion that Shakespeare's A Midsummer's Night Dream was written to be performed as an epithalamium during wedding ceremonies; Adolphe Haberer brings to the fore the non-hero features of the main character in Virginia Woolf's Jacob's Room; Liliane Louvel writes about the mirror in literary texts, insisting on its potential to send back graphic reflections onto these texts; and Maurizio Gotti discusses definitional criteria, i.e., the principles according to which a term should be defined. In section two, Traveling in Time and Space, Slávka Tomaščíková speaks about the status, functions and characteristics of media narrative discourse during the last decade; Aleksandra Kedzierska follows and characterizes various types of journeys in Dickens' A Christmas Carol, highlighting their significance for celebration; Alberto Lázaro traces the changes that medieval stories, abundant in sexual references and instances of adultery, have suffered to meet the publication requirements during Franco's regime in Spain; Stephen Tapscott focuses on the relationship between contemporary American poets' lyric and previously written works (especially Modernist);

while Fernando Galván examines a number of literary texts centering on cities that have been dreamed of or imagined by various writers, to illustrate decay, deconstruction and regeneration. The third section, *Traveling between Languages and Cultures*, opens with Smiljana Komar's account of the translation of some frequent English discourse markers into Slovene and continues with Loredana Pungă's illustration of the issue of loss and gain in translation. Irma Taavitsainen and Päivi Pahta highlight the functions of the English politeness marker please, *pliis* in Finnish, and investigate whether and how its meanings have changed when it has been adopted into the host language. Lachlan Mackenzie's contribution rounds off the volume with some suggestions on how recent changes in the English language should be taken into consideration when teachers of English evaluate the linguistic performance of their students.

Politically Correct Bedtime Stories ; Once Upon a More Enlightened Time James Finn Garner,1994

Cultural Studies 11.3 Lawrence Grossberg,Della Pollock,2012-11-12 This intriguing issue represents the truly international and interdisciplinary nature of contemporary work in cultural studies. Cultural Studies has reflected the discipline in becoming ever more global in scope and perspective.

Memory Studies in the Digital Age D Sudha Rani,Rachel Irdaya Raj,2025-02-25 This interdisciplinary volume attempts to gauge the individual and social issues related to memory, with an understanding of memory studies as an independent body of scholarship. It draws on multiple fields of knowledge, like popular culture, history, literature, oral cultures, and storytelling, which facilitates a panoramic view of memory studies. This book investigates the intersection between memory studies, partition, oral literature, and digital technology. It is also informed by the consciousness of memory in the digital age, which plays an integral role in what is remembered/forgotten, the form in which such memories are stored, and how they might be retrieved in future. This book will be an invaluable resource for those involved in research from undergraduate to post-doctoral level. This includes sociologists, psychologists, historians, artists, academicians, as well as research scholars from other disciplines.

Encyclopedia of American Popular Fiction Geoff Hamilton,Brian Jones,2010-05-12 Covers contemporary authors and works that have enjoyed commercial success in the United States but are typically neglected by more literary guides. Provides high school and college students with everything they need to know to understand the authors and works of American popular fiction.

Girl Culture Claudia Mitchell,Jacqueline Reid-Walsh,2007-12-30 Never before has so much popular culture been produced about what it means to be a girl in today's society. From the first appearance of Nancy Drew in 1930, to Seventeen magazine in 1944 to the emergence of Bratz dolls in 2001, girl culture has been increasingly linked to popular culture and an escalating of commodities directed towards girls of all ages. Editors Claudia A. Mitchell and Jacqueline Reid-Walsh investigate the increasingly complex relationships, struggles, obsessions, and idols of American tween and teen girls who are

growing up faster today than ever before. From pre-school to high school and beyond, Girl Culture tackles numerous hot-button issues, including the recent barrage of advertising geared toward very young girls emphasizing sexuality and extreme thinness. Nothing is off-limits: body image, peer pressure, cliques, gangs, and plastic surgery are among the over 250 in-depth entries highlighted. Comprehensive in its coverage of the twenty and twenty-first century trendsetters, fashion, literature, film, in-group rituals and hot-button issues that shape—and are shaped by—girl culture, this two-volume resource offers a wealth of information to help students, educators, and interested readers better understand the ongoing interplay between girls and mainstream culture.
