Tao Wei

Canadiana ,1991

S'installer aux États-Unis Patrick Bonduelle,1999-01-01T00:00:00+01:00 L'Amérique continue de faire rêver. Des salaires plus élevés, un travail tout de suite, la possibilité de monter rapidement son business, et de faire fortune à partir de rien, et surtout la liberté de changer d'emploi, de métier, de vie, sous le soleil de Miami, à San Francisco, ou à New York ! Mais le réveil peut être douloureux... C'est pourquoi il faut préparer son départ : calculer ses risques, connaître la législation du travail, le marché de l'emploi, la protection sociale, le coût de la vie. Mais, avant tout, il faut avoir un visa de travail, première condition pour tenter sa chance. Ceux qui l'obtiennent, cherchent alors - généralement - à décrocher la fameuse Carte verte - que l'on peut aussi gagner en jouant à la... « loterie » ! -, document permettant de vivre et de travailler - de manière permanente - aux États-Unis. Ce livre passe en revue toutes les étapes de l'installation : les préparatifs, l'obtention des principaux visas et de la Carte verte, les tracasseries administratives, la recherche d'emploi depuis la France, et sur place, le logement, les écoles... Un guide indispensable, qui aidera tout immigrant à s'installer au pays du « Help yourself ».
