Attitude "If you can't change circumstances, change the way you respond to them." Tim Hansel (1941-2009), Seminar leader Bible Truth Behind the Quote: "For those who love God all things work together for good, for those who are called according to his purpose" (Romans 8:28). This recognition helps us to respond positively to our circumstances. This rich collection will be a must-have for home and church libraries and will be a great gift for those who love gathering words of wisdom for their Christian walk.

When God Is Silent Kellie Lane, 2014-03-04 What do you do when you've prayed and prayed and there seems to be no answer? Kellie Lane knows what it is like to feel as though you are holding a ticket for a ride that's never going to arrive. Through personal experience and Bible study she has learned how to hold on to heaven's promises--for yourself or others--when it seems like all hell is breaking loose. You will discover why you may be waiting, where God is in this difficult season, and what you can do to cooperate with His plans and purposes for you. If it feels like the heavens have turned to brass, let prayer warrior Kellie Lane show you how to position yourself to receive the gold that is coming your way through the fire of refinement.

*The Mission of God* Christopher J. H. Wright, 2025-10-21 Tackle Key Questions from the Past Two Decades in this Fully Updated Edition Engage with the latest scholarship on the biblical theology of mission and missional hermeneutics with Christopher J. H. Wright's classic text—now fully revised and updated! Most Christians would agree that the Bible provides a basis for mission. But Christopher Wright boldly maintains that there is a missional basis for the Bible itself. The entire Bible is generated by and is all about God's mission. In order to understand the Scriptures, we need a missional hermeneutic, an

interpretive perspective in sync with the beating heart of its great mission. Wright gives us a new hermeneutical perspective on Scripture through an understanding of: Who God is What he has called his people to be and do How the nations fit into God's mission In this revised edition of *The Mission of God*, Wright extends his classic discussion to consider the ways that the conversation on missional hermeneutics has developed since its original publication. With fully updated citations and additional chapters focused on gospel-centered holistic mission and on the issue of election and supersessionism, this new edition addresses the questions, criticisms, and insights that have emerged during the intervening two decades. God's mission is to reclaim the world, and God's people have a designated role to play. Whether you're a pastor, scholar, or student, *The Mission of God* will benefit your understanding of how the Bible shapes the story and purpose of God's people.

**Messages from the Universe: Genesis** Elbert H. Bolsen,2008-12-09 The book *Messages from the Universe: Genesis* is a refreshing and personally candid view of Genesis. The book views unity of all life, as written in the Book of Genesis. The book is intended to show the Bible as a living book that is screened through each person who reads and ponders its message. It takes a look at each chapter of Genesis with the hope that each person who reads this book will be challenged to read Genesis from the perspective of finding his or her own truth. Screening the message of the Bible through each individual makes the message no less from God and gives the Bible's message a more personal impact. *Messages from the Universe* expresses belief that God is the energy and power of all life.
