*The Courage Playbook* Gus Lee, 2022-04-12 A practical pathway to a meaningful life and courageous leadership In *The Courage Playbook: Five Steps to Overcome Your Fears and Become Your Best Self*, Gus Lee, bestselling author and leadership expert, delivers an astonishing reveal that with moral courage, we can overcome our fears. This is a practical guide to gaining your courage to live rightly, treat others without bias and lead inspirationally. Readers will acquire Five Steps to Courage, 3 NO's, 3 GO's and Courageous Communication Plays. These lend deeper meaning to life, strengthen our character, improve relationships and allow us to help others for the common good. They lead to contentment, love and even happiness. The Playbook is a practical, behavior-based "Other-Help" guide that equips us more effectively than the worried "self-help" approach. The Courage Playbook includes: Skills and strategies for healthfully and authentically deploying courage in your life Ways to actually solve tough moral problems and conflicts at their root cause, genuinely help others, model strength and close the "Courage Gap" Methods for courageous and inspirational communication and leadership for all manner of situations – professionally, personally, relationally and organizationally Designed for people in all circumstances, to include young professionals, executives and leaders, *The Courage Playbook* belongs on the desks and libraries of business organizations, government agencies, healthcare, education, non-profits, military units, public safety organizations and on the bedside table of all people who want a seriously effective pathway to deeply improve themselves.

Storytelling in Organizations Karin Thier, 2018-03-31 This book highlights storytelling as a concrete and viable method which can be used in various operational fields in organizations: from change management to project management and knowledge management, it presents employees' stories on past projects and the diverse, essential aspects of corporate culture they reveal, in an easy-to-comprehend and entertaining fashion. These stories focus on specific but generic experiences which can be adapted and exploited by the reader to ultimately tap into hidden knowledge and increase transparency during daily routines in his or her own organization. Knowledge managers, coaches, and strategists alike will find a 'real-life' connection through these stories, helping them improve their own storytelling methods. The book also provides exhaustive information on the latest storytelling methods and strategies. The adaptations Thier has made to bring

learning histories to corporate settings accelerates the capture, flow, and application of organizational knowledge that speeds up changes to improve operations! George Roth (Principal Research Associate at MIT Sloan School of Management, Boston, United States)
