Rumi Poetry Rumi,2017-04-07 6. My soul gave me good counsel, teaching me to love. Love was for me a delicate thread stretched between two adjacent pegs, but now it has been transformed into a halo, its first is its last, and its last is its first. It encompasses every being, slowly expanding to embrace all that ever will be.

The Religion of Love: Jalaluddin Rumi in Memes Denny JA,2019-12-01 The modern world continues to rely on various religions and beliefs. But when these religions grow to be formal and bring forth primordial dividers, some people need a spirituality that can break through those dividers. Rumi has become a universal spiritual voice that breaks through boundaries. Despite coming from an Islamic background, Rumi managed to make his words universal, without limits and primordial dividers. In the language of his creation, he dived deep into the roots of religions until he found the kind of universal conscience that is shared by all. I am not trying to pretend that I produce arts through memes. It hasn't even crossed my mind to carry out an art movement in the form of memes as to disrupt the status quo. The forty two memes I have produced are considered as a hobby and practical necessities. All memes that contain reflective quotes of a poet, Sufi and mysticism, Jalaluddin Rumi. All quotes are strengthened by imaginative paintings. With an exact purpose in mind, I want to contribute in spreading his profound reflections throughout the internet.

Contemporary Sufism Meena Sharify-Funk, William Dickson, Merin Shobhana Xavier, 2017-12-22 What is Sufism? Contemporary views vary tremendously, even among Sufis themselves. Contemporary Sufism: Piety, Politics, and Popular Culture brings to light the religious frameworks that shape the views of Sufism's friends, adversaries, admirers, and detractors and, in the process, helps readers better understand the diversity of contemporary Sufism, the pressures and cultural openings to which it responds, and the many divergent opinions about contemporary Sufism's relationship to Islam. The three main themes: piety, politics, and popular culture are explored in relation to the Islamic and Western contexts that shape them, as well as to the historical conditions that frame contemporary debates. This book is split into three parts: • Sufism and anti-Sufism in contemporary contexts; • Contemporary Sufism in the West: Poetic influences and popular manifestations; • Gendering Sufism: Tradition and transformation. This book will fascinate anyone interested in the challenges of contemporary Sufism as well as its relationship to Islam, gender, and the West. It offers an ideal starting point from which undergraduate and postgraduate students, teachers and lecturers can explore Sufism today.

Rooh-e-Rumi Mamta Sehgal, 2019-07-15 Life itself is an ironical battle of sorts, where we strive hard to control and win the world but often fail to control our own lives. Most of us praise spirituality but fail to follow it and recognize its potential in the true sense; the reason—we chase false goals but never attempt to chase the true light that rests within. The author, a believer of God, shares her spiritual realizations led by her own experiences of life, and interprets them in two themes – “God” and “Love”. The author’s prescription to win the story of life in three distinct ways: • Through self-realization, • Embracing love, which is the language of the universe, and • Surrendering to the Supreme Power. Rooh-e-Rumi presents many thought-provoking selections of Rumi, the famous thirteenth-century Persian poet. The quotes and their commendable spiritual interpretations attempted by the author will guide the readers to discover their own link to the experience of love and the unhindered path to spiritual enlightenment. “In this soul-stirring, deep and insightful book, Mamta Sehgal beautifully expounds Rumi’s thoughts on divine love. A must read for Rumi’s followers and all those who believe that God is love.” - Oswald Pereira, veteran journalist and best-selling author of eight books “Mamta Sehgal proves again her deep insight in the subject of spirituality. This book is a crucial pivot on the way we understand devotion”. - Santosh Srivastava, Co-Author, The Gita Way

The Essential Rumi Quotes Rumi Network, 2023-12-09 The Essential Rumi Quotes The Essential Rumi Quotes, offers the reader a collection of the most powerful, passionate, endearing, and inspiring quotes of Rumi, selected from my decades long love affair with Rumi's work. I have categorized them in four sections: The Power of Love; Beauty, Music & Dance; Hope, Recovery & Death; and The Ascended Master, The Teachings. THE POWER OF LOVE The first selection is his wildly popular passionate love quotes. Rumi views love as the real vehicle for growth. However, he teaches that the experience and manifestation of love begins and ends with you. As Rumi points out in many of his poems (where these quotes have been selected), toward the end of his search he learned that he was seeking himself all along and the Beloved is nonother than himself. He wrote that he was knocking on the door of ascension from the inside and the true Beloved is your higher self. BEAUTY, MUSIC & DANCE Through his mentorship with the mystic Shams, Rumi was transformed from that of a sober scholar to an impassioned lover of music and whirling. After his transformation, all night parties with music, movement, whirling and poetry recitations became the norm. HOPE, RECOVERY & DEATH One of the key reasons that Rumi's work resonates with us, is due to his unrestrained and uncensored expressions of various aspects of personal and spiritual growth. His quotes on healing, hope and death have helped countless people to cope with suffering and recovery. THE ASCENDED MASTER This section reveals Rumi's quotes as an ascended master attacking all forms of mind and spirit oppressions. Rumi reminds us over and over again that real spiritual mastery is not achieved through dogmatic thinking or conventional religions and isms. What you wear, eat or drink or your facial hair have no relevancy to growth. Only a high conformist would fantasize that wearing a certain style of dress might cause soul growth. Also, his many so-called blasphemous poems

represent an evolved soul that is totally free from the shackles of hypocrisy and oppression that exist in all religious doctrines.

The Grail Rider Inaiya Ray, 2017-01-09 The Grail Rider is a spiritual memoir born from a life-altering Shamanic Journey inspired by the overlighting wisdom of the Christos Sophia. Throughout the ceremony, the blue fire of Divinity consumed all falsities of Self, infusing Inaiya with an all embracing love that suspended her in Grace. While she lay motionless on the forest floor, Inaiya communes with her Family of Light and is downloaded with a vivid, multi-dimensional transmission that illuminates the seeding of Universal Christ Consciousness, encoded to blossom within her and the hearts of all beings at this unprecedented epoch in time. Inaiya is shown how life on Earth would be brought back into balance through each being undergoing the inner alchemy of the Divine Marriage. Inaiya, along with humanity, was at a vital crossroads, where her destiny called her irresistibly forth to embark upon an initiatory journey and follow a chain of synchronicities that would unveil the true nature of the Beloved. You are invited to venture along with Inaiya through the mythic Grail lines of Glastonbury, the French Pyrenees, Mediterranean Coast, Italy and Greece as she traces and re-discovers the richly encoded wisdom and timeless transmissions of the Divine Masculine and Divine Feminine as they rise, newly empowered to usher in an awakened New Earth unified in Oneness, sovereignty and resounding beauty. The Grail Rider is not only a holographic travel adventure woven with cosmic codes of light, it is an eternal love story and quest of the Soul, that magically unveils an alchemical treasure map that is altogether paradigm shifting. Steeped in humility, humour, and the transparent quandaries of a modern day Priestess, The Grail Rider is an offering of love, here to awaken and inspire all those who are called to return to the heart of the wild Divine.

The Life and Work of Jalaluddin Rumi Afzal Iqbal, 1999 Rumi is perhaps the only example in world literature of a devoted prose writer who suddenly burst forth into poetry during middle age to become a truly great mystical poet for all time. This book, a long-overdue reckoning of his life and work, begins with a description and examination of the living conditions in 13th-century Persia. Building on this context, Afzal Iqbal proceeds to fully analyze the formative period of Rumi's life leading up to 1261--when he began the monumental work of writing the Mathnawi. Toward the end of the book, Iqbal more generally investigates Rumi's thought and includes translations of those portions of the Mathnawi that have been hitherto unavailable in English. Combining an unparalleled familiarity with the source material, a total and critical understanding of the subject, and a powerful and readable prose style, this is an extraordinary study of a truly remarkable poet and mystic.

The Life and Work of Jalal-ud-din Rumi Afzal Iqbal, 1983 In the current wave of renewed interest in Rumi, this book offers the first comprehensive biography of this great historical figure written for the general public. Beginning with an analysis of conditions in the 13th century of Christianity and 7th of Islam, the author pieces together a sensitive and scholarly chronicle

of Rumi's life, taking great care to sift the grain from the chaff. The book covers Rumi's formative years; the appearance and disappearance of the mysterious Shams-i-Tabriz, who transformed Rumi's life; and the sudden bursting forth from a middle-aged prose writer of the most exquisite and powerful poetry the world has ever known.
