Salt & Broom Sharon Lynn Fisher, 2023-11-07

Tea and Alchemy Sharon Lynn Fisher, 2025-10-07 A tea leaf reader in nineteenth-century England falls in love--and in danger--with a reclusive alchemist in an enthralling historical fantasy by the author of *Salt & Broom* and *Grimm Curiosities*. Cornwall, 1854. The people of Roche have always whispered about the recluse in the black granite tower that looms above the moorland. But one young woman is driven to discover the truth behind the old tales. Her life overshadowed by family tragedy, Mina Penrose escapes her lonely days by working at The Magpie, a cozy tearoom on the village's edge. Lately she's been seeing shapes in the sodden leaves that hint at the future. After one such omen, Mina stumbles upon a murdered man on the heath. Villagers immediately suspect Harker Tregarrrick, a living, breathing mystery who never ventures beyond the bounds of his centuries-old estate. Until the day after the murder, when the handsome and compelling recluse visits The Magpie...leading to a meeting that will change both their fates. Captivated by a man around whom danger and rumors of death swirl, Mina has never felt more alive. Can she uncover Harker's heartbreaking history--and the truth about the murder--before tragedy strikes again?

Grimm Curiosities Sharon Lynn Fisher, 2024-11-05 In Victorian England, a young woman inherits her father's curiosity shop and all its ghostly secrets in a bewitching novel by the author of *Salt & Broom*. It's 1851 in old York. Lizzy Grimm struggles to save her late father's charmingly creepy yet floundering antique shop, *Grimm Curiosities*. Then, during a particularly snowy December in this most haunted city in England, things turn...curiouser. Lizzy meets Antony Carlisle, whose sister suffers from the same perplexing affliction as Lizzy's mother--both stricken silent and unresponsive after speaking with ghosts. Working closely together to fathom what power has transformed their loved ones and why, Lizzy and Antony discover an important clue: her father's treasured set of rare books on ancient folktales, enchantments, and yuletide myths. Books that a persistent collector is awfully keen to purchase. Books Lizzy can't bear to sell. Every bewitching passage and illustration opens a doorway to something ancient and dangerously inviting. Keys to a mystery Lizzy and Antony are compelled to solve--even if doing so means unleashing one of this bright holiday's darkest myths.
