If she succeeds, maybe she'll even land her dream job: working for the F.R.U., the enforcers of the supernatural world. But when she sees that her new partner is a hunky shapeshifter, things get complicated. Steve, too gorgeous to be trusted and capable of seeing through her tough-as-nails exterior, knows just how to get under her skin. And only hours into the mission, Della realizes rogue vampires aren't the only threat she's facing. If she's ever going to complete her assignment, she'll need his help . . . but learning to trust him will be her hardest challenge yet.
