**Hidden** Sophie Jordan, 2012-09-11 This epic conclusion to the addictive, romantic Firelight trilogy is perfect for fans of Rebecca Yarros, Jennifer Armentrout, and Tahereh Mafi. In the climactic finale to the steamy Firelight trilogy, Jacinda must fight to save her life, her love, and all of her kind. If Jacinda were to follow the wishes of her community, she'd happily settle down with Cassian, the prince of her pride. But she just can't. She's in love with Will, a human boy who comes from a family of hunters. Their relationship breaks the most sacred rule and endangers everyone she cares about. Now Jacinda, Will, and Cassian fight back against the hunters and their shadowy allies who would destroy them all. . . .

**Breathless** Sophie Jordan, 2012-12-04 Sophie Jordan's breathtaking digital original novella set in the world of Firelight. For Az, it's supposed to be a fun summer vacation with her family. Nothing complicated. Just a quick trip to test the waters as she prepares for a year on her own. That all changes when she rescues a drowning girl and meets Tate—the most gorgeous human boy she's ever seen. Tate throws her heart, her plans, and her life into upheaval, but the closer she gets to him, the harder it is to hide the secret of what she is. With no hope for a future together, the last thing that can ever happen . . . is love. This stand-alone digital original is perfect for those new to the Firelight series as well as veteran fans. Epic Reads Impulse is a digital imprint with new releases each month.

**Vanish** Sophie Jordan, 2011-09-06 This second book in the addictive, romantic Firelight trilogy is perfect for fans of Rebecca Yarros, Jennifer Armentrout, and Tahereh Mafi. To save Will, the boy she loves, Jacinda did the unthinkable: She revealed herself as a draki to hunters. Now her family must return to the safety of the pride to survive. But her fellow draki no longer trust Jacinda, so her sister, Tamra, and their prince, Cassian, are among the few who will even talk to her. Separated from the boy she loves, Jacinda longs for Will to keep his promise and come find her...even though she knows it is not only unlikely, it is dangerous. When, against all odds, he does track her down, Will's reappearance sets in motion a deadly chain of events that nobody can stop. In New York Times bestselling author Sophie Jordan's dramatic follow-up to Firelight, forbidden love burns brighter than ever.

**A Fire in the Sky** Sophie Jordan, 2024-09-24 New York Times bestselling author Sophie Jordan returns to the high-stakes, sweeping world of dragons, romance, and drama first evoked in her bestselling young adult Firelight series, in a brand-new

epic adult romantasy series. Dragons are extinct. Witches are outcast. Magic is dying. But human lust for power is immortal. Dragon fire no longer blisters the skies over Penterra, but inside the lavish palace, life is still perilous...especially for Tamsyn. Raised in the glittering court alongside the princesses, it's her duty to be punished for their misdeeds. Treated as part of the royal family but also as the lowliest servant, Tamsyn fits nowhere. Her only friend is Stig, Captain of the Guard...though sometimes she thinks he wants more than friendship. When Fell, the Beast of the Borderlands, descends on her home, Tamsyn's world becomes even more dangerous. To save the pampered princesses from a fate worse than death, she is commanded to don a veil and marry the brutal warrior. She agrees to the deception even though it means leaving Stig, and the only life she's ever known, behind. The wedding night begins with unexpected passion—and ends in near violence when her trickery is exposed. Rather than start a war, Fell accepts Tamsyn as his bride...but can he accept the dark secrets she harbors—secrets buried so deep even she doesn't know they exist? For Tamsyn is more than a royal whipping girl, more than the false wife of a man who now sees her as his enemy. And when those secrets emerge, they will ignite a flame bright enough to burn the entire kingdom to the bone. Magic is not dead...it is only sleeping. And it will take one ordinary girl with an extraordinary destiny to awaken it.

**Firelight with Bonus Material** Sophie Jordan, 2011-08-02 This first book in the addictive, romantic Firelight trilogy is perfect for fans of Rebecca Yarros, Jennifer Armentrout, and Tahereh Mafi. With her rare ability to breathe fire, Jacinda is special even among the draki—the descendants of dragons who can shift between human and dragon forms. But when Jacinda's rebelliousness forces her family to flee into the human world, she struggles to adapt, even as her draki spirit fades. The one thing that revives it is the gorgeous, elusive Will—who comes from a long line of dragon hunters. Jacinda can't resist getting closer to him, even though she knows she's risking not only her life but the draki's most closely guarded secret. The steam rises with this fire-breathing romance about a girl whose love crosses an ancient divide, from New York Times bestselling author Sophie Jordan.

**They Suck, They Bite, They Eat, They Kill** Joni Richards Bodart, 2012 Teen readers have always been fascinated by monsters, but lately it seems like every other young adult (YA) book is about vampires, zombies, or werewolves. These works are controversial, since they look at aspects of life and human nature that adults prefer to keep hidden from teenagers. But this is also why they are so important: They provide a literal example of how ignoring life's hazards won't make them go away and demonstrate that ignorance of danger puts one at greater risk. In *They Suck, They Bite, They Eat, They Kill: The Psychological Meaning of Supernatural Monsters in Young Adult Fiction* Joni Bodart examines six different monsters—vampires, shapeshifters, zombies, unicorns, angels, and demons—in YA literature. Bodart first discusses the meaning of these monsters in cultures all over the world. Subsequent chapters explore their history and most important incarnations, comparing the same kind of creatures featured in different titles. This volume also contains interviews with

authors who provide additional insight and information, and the bibliography includes a comprehensive list of titles featuring the various monsters. Analyzing the most important and well-written series and titles for teens, *They Suck, They Bite, They Eat, They Kill* will be useful for parents, teachers, and anyone else hoping to understand why teens want to read books in this genre and what some of the benefits of reading them might be.

**Beyond Bombshells** Jeffrey A. Brown, 2015-09-09 *Beyond Bombshells* analyzes the cultural importance of strong women in a variety of current media forms. Action heroines are now more popular in movies, comic books, television, and literature than they have ever been. Their spectacular presence represents shifting ideas about female agency, power, and sexuality. *Beyond Bombshells* explores how action heroines reveal and reconfigure perceptions about how and why women are capable of physically dominating roles in modern fiction, indicating the various strategies used to contain and/or exploit female violence. Focusing on a range of successful and controversial recent heroines in the mass media, including Katniss Everdeen from *The Hunger Games* books and movies, Lisbeth Salander from *The Girl with the Dragon Tattoo* novels and films, and Hit-Girl from the *Kick-Ass* movies and comic books, Jeffrey A. Brown argues that the role of action heroine reveals evolving beliefs about femininity. While women in action roles are still heavily sexualized and objectified, they also challenge preconceived myths about normal or culturally appropriate gender behavior. The ascribed sexuality of modern heroines remains Brown's consistent theme, particularly how objectification intersects with issues of racial stereotyping, romantic fantasies, images of violent adolescent and preadolescent girls, and neoliberal feminist revolutionary parables. Individual chapters study the gendered dynamics of torture in action films, the role of women in partnerships with male colleagues, young women as well as revolutionary leaders in dystopic societies, adolescent sexuality and romance in action narratives, the historical import of nonwhite heroines, and how modern African American, Asian, and Latina heroines both challenge and are restricted by longstanding racial stereotypes.
