

# The Spanish Love Deception

Elena Armas

**The Spanish Love Deception** Elena Armas, 2022-02-08 A wedding. A trip to Spain. The most infuriating man. And three days of pretending. Or in other words, a plan that will never work. Catalina Martí'n, finally, not single. Her family is happy to announce that she will bring her American boyfriend to her sister's wedding. Everyone is invited to come and witness the most magical event of the year. That would certainly be tomorrow's headline in the local newspaper of the small Spanish town I came from. Or the epitaph on my tombstone, seeing the turn my life had taken in the span of a phone call. Four weeks wasn't a lot of time to find someone willing to cross the Atlantic—from NYC and all the way to Spain—for a wedding. Let alone, someone eager to play along with my charade. But that didn't mean I was desperate enough to bring the 6'4 blue eyed pain in my ass standing before me, Aaron Blackford. The man whose main occupation was making my blood boil had just offered himself to be my date. Right after inserting his nose in my business, calling me delusional, and calling himself my best option. See? Outrageous. Aggravating. Blood boiling. And much to my total despair, also right. Which left me with a surly and extra large dilemma in my hands. Was it worth the suffering to bring my colleague and bane of my existence as my fake boyfriend to my sister's wedding? Or was I better off coming clean and facing the consequences of my panic induced lie? Like my abuela would say, *que dios nos pille confesados*.

*The Spanish love deception* Elena Armas, 2024

**Spanish Love Deception** Armas Elena Armas, 2022

**The Fiance Dilemma** Elena Armas, 2024-07-30 A fake engagement, second chances, and newfound family members come together in this new romance from the New York Times bestselling author of the “swoon-worthy” (Business Insider) *The Spanish Love Deception*. Josie Moore has given the opposite sex—and love—plenty of chances. Four exactly, if you count all her failed engagements, and five if you include her no-longer-absentee father. Nonetheless, when the influential man decides to announce his retirement with a splashy magazine piece and Josie learns that her romantic history isn't great PR for the family, she jumps at the chance to offer a solution. Matthew Flanagan is in the mud. Literally. Not only has he been fired from his job, but after taking a wrong turn on his way to Green Oak, North Carolina, his car is stuck. So, he grabs a duffel bag with his essentials and goes in search of a place to crash until he gets his life (and vehicle) back on track. But instead, he stumbles upon his best friend's sister, Josie, greeting him as her fiancé. What starts as a big misunderstanding

The American Roommate Experiment Elena Armas, 2022-09-06 'Elena Armas is the undisputed queen of slow burn, steam, deliciously swoony rom-coms.' Ali Hazelwood, bestselling author of *The Love Hypothesis* From the author of the Goodreads Choice Award winner *The Spanish Love Deception*, the eagerly anticipated follow-up featuring Rosie Graham and Lucas Martín, who are forced to share a New York apartment. Rosie Graham has a problem. A few, actually. She just quit her well paid job to focus on her secret career as a romance writer. She hasn't told her family and now has terrible writer's block. Then, the ceiling of her New York apartment literally crumbles on her. Luckily she has her best friend Lina's spare key while she's out of town. But Rosie doesn't know that Lina has already lent her apartment to her cousin Lucas, who Rosie has been stalking—for lack of a better word—on Instagram for the last few months. Lucas seems intent on coming to her rescue like a Spanish knight in shining armour. Only this one strolls around the place in a towel, has a distracting grin, and an irresistible accent. Oh, and he cooks. Lucas offers to let Rosie stay with him, at least until she can find some affordable temporary housing. And then he proposes an outrageous experiment to bring back her literary muse and meet her deadline: He'll take her on a series of experimental dates meant to jump-start her romantic inspiration. Rosie has nothing to lose. Her silly, online crush is totally under control—but Lucas's time in New York has an expiration date, and six weeks may not be enough, for either her or her deadline. A frothy, playful delight... a god-tier forced-proximity romance that had literally grinning so hard at the pages! Delicious fun from start to finish!' Christina Lauren, bestselling author of *The Unhoneymooners* 'It's great on crushes and longing and the deep satisfaction of a slow-burn romance eventually reaching boiling point. This romcom is fresh, funny and highly enjoyable.' Daily Mail 'The American Roommate Experiment feels like an homage to all things romance, bringing together so many of the genre's favourite tropes, nods and scenes in a book that is just as heart-warming and emotional as it is fun and sexy. And best of all, it's also packed with the most delicious kind of slow-burn tension that will keep readers turning the pages and eager for more.' Culturefly 'A delicious romance' Woman's Own 'A light-hearted dose of fun and flirtation for die-hard romantics' Heat

The Spanish Love Deception Elena Armas, 2024-04-03

**The American Roommate Experiment** Elena Armas, 2022-09-06 NEW YORK TIMES BESTSELLER A Most Anticipated Book of 2022 by Cosmopolitan, Goodreads, PopSugar, and more! From the author of the Goodreads Choice Award winner *The Spanish Love Deception*, the eagerly anticipated follow-up featuring Rosie Graham and Lucas Martín, who are forced to share a New York apartment. Rosie Graham has a problem. A few, actually. She just quit her well paid job to focus on her secret career as a romance writer. She hasn't told her family and now has terrible writer's block. Then, the ceiling of her New York apartment literally crumbles on her. Luckily she has her best friend Lina's spare key while she's out of town. But Rosie doesn't know that Lina has already lent her apartment to her cousin Lucas, who Rosie has been stalking—for lack of a better word—on Instagram for the last few months. Lucas seems intent on coming to her rescue like a Spanish knight in

shining armor. Only this one strolls around the place in a towel, has a distracting grin, and an irresistible accent. Oh, and he cooks. Lucas offers to let Rosie stay with him, at least until she can find some affordable temporary housing. And then he proposes an outrageous experiment to bring back her literary muse and meet her deadline: He'll take her on a series of experimental dates meant to jump-start her romantic inspiration. Rosie has nothing to lose. Her silly, online crush is totally under control—but Lucas's time in New York has an expiration date, and six weeks may not be enough, for either her or her deadline.

The Long Game Elena Armas, 2023-09-05 A NEW YORK TIMES BESTSELLER A disgraced soccer exec reluctantly enlists the help of a retired soccer star in coaching a children's team in this small-town love story in the vein of *It Happened One Summer*—from the New York Times bestselling author of *The Spanish Love Deception*. Adalyn Reyes has spent years perfecting her daily routine: wake up at dawn, drive to the Miami Flames FC offices, try her hardest to leave a mark, go home, and repeat. But her routine is disrupted when a video of her in an altercation with the team's mascot goes viral. Rather than fire her, the team's owner—who happens to be her father—sends Adalyn to middle-of-nowhere North Carolina, where she's tasked with turning around the struggling local soccer team, the Green Warriors, as a way to redeem herself. Her plans crumble upon discovering that the players wear tutus to practice (impractical), keep pet goats (messy), and are terrified of Adalyn (counterproductive), and are nine-year-old kids. To make things worse, also in town is Cameron Caldani, goalkeeping prodigy whose presence is somewhat of a mystery. Cam is the perfect candidate to help Adalyn, but after one very unfortunate first encounter involving a rooster, Cam's leg, and Adalyn's bumper, he's also set on running her out of town. But banishment is not an option for Adalyn. Not again. Helping this ragtag children's team is her road to redemption, and she is playing the long game. With or without Cam's help.
