Bourgeal, Emma Ljung, Thais Rocha Carvalho, Babette Pütz, Avishay Gerczuk, Ronald Blankenborg, Pietro Vesentin, Sonja Schreiner, Richard Seltzer, Katharina Wesselmann, 2024-12-11 *thersites* is an international open access journal for innovative transdisciplinary classical studies edited by Annemarie Ambühl, Filippo Carlà-Uhink, Christian Rollinger and Christine Walde. *thersites* expands classical reception studies by publishing original scholarship free of charge and by reflecting on Greco-Roman antiquity as present phenomenon and diachronic culture that is part of today's transcultural and highly diverse world. Antiquity, in our understanding, does not merely belong to the past, but is always experienced and engaged in the present. *thersites* contributes to the critical review on methods, theories, approaches and subjects in classical scholarship, which currently seems to be awkwardly divided between traditional perspectives and cultural turns. *thersites* brings together scholars, writers, essayists, artists and all kinds of agents in the culture industry to get a better understanding of how antiquity constitutes a part of today's culture and (trans-)forms our present. *thersites* appears twice yearly and publishes regular issues as well as specially-themed and guest-edited issues focused on individual subjects and questions. Call for papers are released regularly and long in advance on our homepage (<https://thersites-journal.de/>) and on other pages that feature announcements for classical studies (APA, Mommsen-Gesellschaft etc.).

Exploring Human Trafficking Pathways and Narratives of Desistance Sean Byrne, 2025-12-29 The exploitation of the vulnerable via sex and labour trafficking is an unfortunate yet persistent characteristic of human society. In the introductory chapter, a brief history of human trafficking is provided, definitional and measurement issues are explored, and crucial questions are raised about narrative truth in criminology, and the power of redemption stories for human trafficking participants as they navigate their desistance journeys are discussed. In the seven book chapters that follow, researchers have conducted both qualitative and quantitative analyses of human trafficking, focusing primarily on sex trafficking. Authors delve into the complex world of human trafficking through the lens of personal narratives of participants, including sex traffickers, sex workers, social workers, and law enforcement. Drawing from first-hand accounts, the book illuminates the intricate pathways that lead individuals into human trafficking and the challenges faced by those who attempt to leave. From the initial causes of trafficking involvement to the violent realities faced by sex workers, the book provides an unflinching look at this global crisis. It uniquely combines survivor stories with perspectives from frontline professionals—including hotline operators, law enforcement officers, and social workers—offering a multi-faceted view of the challenges in combating human trafficking and supporting survivors. This essential reading provides valuable insights for criminologists, social workers, law enforcement professionals, human rights advocates, trauma counselors, policy makers, and scholars in sociology, criminal justice, and gender studies seeking to understand the complex dynamics of human trafficking and its impact on human lives.

and Costanza Casati's Clytemnestra -- RULER. MOTHER. GODDESS. WARRIOR. They called me The Morrigan. I was magnificent. I was multitudes. They twisted my story, stripped me away. But I will tell it now in my own voice. It begins, as all the best stories do, in darkness. From an ancient, storm-tossed sea, a tribe of gods reach the rocky shores of Ireland. Among them, a strange, hungry, red-haired girl. A girl who can change shape, from bird to beast to goddess. A girl who dreams of battle, of blood, of death and power. She does not know yet that a woman who seeks to rule will always be in danger - or that there are far more treacherous figures in this land than the gods who raised her. She does not know that one day love will burn so deep in her heart that its scars will never heal. That she will know pain so raw and pure it will almost tear her apart. She does not know that her journey will take a thousand years. That her name will be remembered for a thousand more. She is The Morrigan, and she is waiting: a girl with rage coiled in her chest. Beautiful, powerful, ravenous rage. A rage that will live forever. An electric debut retelling of Ireland's mythic goddess of war, from a bold and powerful new voice. -- AUTHORS ARE ENCHANTED BY THE MORRIGAN 'Curran's The Morrigan will do for Irish mythology what Madeline Miller did for Greek...An absolute triumph' Amy McCulloch 'Thrilling and bloody from first page to last, this is an extraordinary portrait of a goddess, a warrior, a woman.
