**What If We Are One?** Laton Leparan,2014-02-13 Who are you?, Why are you here?, Why the pain?, Why the suffering? These are questions that several people aim to answer but barely hit the spot. What if we are one? takes a unique approach to these questions, offering you new insight on not only what the answers to these questions are, but why we ask them, and how this links to our purpose for being on earth. The book links in our most common challenges, and draws the line, forming a thread that runs through all life and aims to explain exactly why we find ourselves in this interesting condition we call life. The book dares to ask the question What if we are one? and moves along to give the answer with astounding clarity and heart warming familiarity, enough to challenge us into siding with life and supporting the experience which offers us exponential freedom and greater ease. A read like no other, truly one of the books you are bound to carry with you for life. What if we are one?

Biblical Quotes from A Course in Miracles Reinterpreted Gene Skaggs Jr.,2011-09-15 The popular spiritual teaching known A Course in Miracles (ACIM) presents a radically new vision of Christianity, using many of the familiar terms and ideas of that old time religion in refreshingly different ways. In a number of places, the Course refers to specific quotes from the Bible and reinterprets them in a new light. This handy compilation of Biblical references made in the Course is compiled by veteran ACIM teacher Gene Skaggs Jr., who presents each Bible quote with the Course's reinterpretation followed by brief, explanatory remarks of his own. An essential guidebook for anyone trying to understand the new vision of Christianity presented by A Course in Miracles.
