**The Writer's Bible** Anne Hart, 2001-08-20 The Writer's Bible is a popular textbook, guide, and mentor to fiction, entertainment, and nonfiction writers in the new and print media. The book helps writers write their business plan as well as acquire skills. It's a career planning and writing-skills textbook and a popular book for authors headed for print-on-demand and traditional publishers as well as the electronic media. If you write fiction, nonfiction, drama, learning materials, multimedia, and digital media or for the Internet, you'll find the information in this book useful and timely. Here's how to be your own manuscript doctor and mentor, plan your writing career, acquire the skills to turn your writing into salable work, and acquire knowledge of how print-on-demand publishing works compared to traditional publishing, whether you write for the Internet and the new media (digital media) or for traditional publishing companies or yourself. Plan your writing career and get the skills you'll need to move ahead in the current atmosphere of the literary arena and the world of information dissemination and re-packaging. Every writer needs a Bible and role models as well as a map to navigate places that buy author's works.
