Experiencias, Annotated Instructor's Edition Diane Ceo-DiFrancesco, 2019-10-15 *Experiencias* offers carefully sequenced activities, pre-tested in the authors' own classes, that focus on personal interaction and real communication. All face-to-face activities are easily adaptable for digital environments and writing assignments. Recycling Throughout both volumes, *Experiencias* incorporates activities that recycle previously learned material but with new topics, which allows students to continue mastering vocabulary and structures encountered earlier in the program--

Pura vida Norma Lopez-Burton, Marques Pascual, Pardo Ballester, 2019-11-26 In *Pura vida* (Life is good) Spanish is more than vocabulary and grammar, just as Spanish-speaking cultures are more than products and practices. In this learner-centered introductory program, the authors' commitment to a methodology based on true-to-life experiences brings Spanish to life. *Pura vida* is the discovery of a Spanish-speaking world through the experiences of real people who share anecdotes and reflections on those experiences. Students relate to these people and make deeper, more meaningful connections between language and culture, and acquire Spanish with an unparalleled sense of personal engagement. In this 12-chapter introductory program, students don't only learn Spanish for real life, but also from real life. They discover that there is not just one homogeneous Hispanic culture, but rather that each Spanish-speaking country has its own rich, unique culture and that the people who live in these countries speak one common language with different accents, characteristics, and idiosyncrasies. The program offers truly seamless integration of cultural notions and language instruction and features 100% contextualized and personalized activities.

Experiencias Diane Ceo-DiFrancesco, Kathy P. Barton, Gregory L. Thompson, Alan Brown, 2019-10-15 Follow Daniel around the Spanish-speaking world as he guides students through this innovative new language course Experiencias: Beginning Spanish is a dynamic and innovative introductory Spanish course that builds students' language competency and offers realistic language encounters, so they can begin communicating in Spanish as early as possible. In Experiencias: Beginning Spanish, students meet Daniel, a native Spanish speaker who guides them through the learning process. For each chapter, there is a video episode of Daniel's "how to" show, where he interviews his Spanish-speaking friends about authentic topics of interest to today's students. The Experiencias course focuses on connecting language with culture, engaging students with content related to the perspectives of native speakers. Each chapter focuses on a different country, integrating grammar and vocabulary into real-world units that will give students a sense of excitement and wonder. Additional pedagogical features include an emphasis on metacognitive learning strategies, a reduced grammatical syllabus that leaves room for extra work on challenging areas, and content recycling throughout the text for enhanced language mastery. Takes students on a journey through the Spanish-speaking world, featuring a different country in each chapter Offers innovative pedagogical techniques and activities drawn from the authors' own classroom research Engages students with a focus on culture, practical communication, and video interviews with native Spanish speakers Develops oral and written communication skills through authentic tasks structured by the ACTFL Proficiency Guidelines With WileyPLUS for Experiencias: Beginning Spanish, students have access to an enhanced e-text featuring videos, audio recordings, interactive vocabulary exercises, educational animations, links to additional resources, and more. This text is an excellent choice for today's beginning Spanish speakers, whether in traditional or online classroom environments.

¡Con brío! María C. Lucas Murillo, Donna Shelton, Laila M. Dawson, 2017-08-07 ¡Con brío! 4e gives students in the introductory Spanish sequence the opportunity to use their Spanish immediately with each other, friends, neighbors, co-workers, and Spanish speakers around the world. ¡Con brío! addresses the needs and life circumstances of a broad audience through a highly practical approach and focuses on useful vocabulary, functional grammar of high-frequency usage, and cultural content relevant to everyday interactions. Con brío 4e retains the strengths of the previous edition - efficient grammar approach, good culture, many instructors' resources, and robust media - designed to help students gain the confidence and skills they need to use Spanish in class, in their communities, and in their lives. The program highlights useful high-interest cultural information about Latino culture in the United States as well as the strong connections between the U.S. and Hispanic countries.
