To Climb a Mountain Jean Forbes-King,2016-11-29 In the early 1900s, the dream of owning their own land draws thousands of immigrants to the Canadian West. One of them is Billy King, an adventurous youngster who emigrates from England with his family to a rough-and-tumble Saskatchewan town and then over the Rocky Mountains to a very different way of life in Victoria, BC, where he must learn the ways of the sea. With the onset of war in Europe, his life in Canada is uprooted, but not enough to discourage him from realizing his dream of becoming a forest ranger in Alberta's Rocky Mountains. The life-and-death challenges of that unforgiving environment and the diverse people who live there—ranchers, miners, mountain men, and a remarkable native elder—redefine his world. But a devastating personal loss changes his life forever.

Beneath a Mountain Moon Silver Ravenwolf,1995 The winding plot of this occult fiction turns sharply on a generations-old battle between two powerful families in the small Southern town of Whiskey Springs. There the inhabitants are being manipulated by a dark force that's driving its victims to the local funeral parlor.

Volume 38 provides an extensive bibliography of Ruskin's writings and a catalogue of his drawings, with corrections to earlier volumes in George Allen's Library Edition of the Works of John Ruskin. Volume 39, general index.

Colter's Mountain Doug Houser,2023-09-25 Thirteen-year-old Colter's summer vacation takes a twist when he finds himself on a broiling city sidewalk, on the hottest day of the year. The young man finds hope in an ad in the back of a comic book. It promises to send a special rock, for free, that he can plant in his backyard. The comic claims that rock will grow into

a massive mountain almost no one else can see with rushing streams, towering evergreen forests, and lofty granite peaks covered with snow. Colter thinks it sounds like a scam but curiosity makes him send for it anyway. Imagine his surprise when everything the ad promised comes true! Time stands still in the ordinary world while he explores his own majestic wilderness. There he meets a mountain man named Bridger, who explains the ways of the wild. He warns Colter of the many dangers that lie ahead. He must seek the help of skilled climbers from a local mountaineering lodge, including a girl his age named Chrysanthemum. Will they be able to overcome the challenges of convincing parents that can't see the mountain? They also must face off against ferocious grizzly bears, towering cliffs, and dangerous weather to find a route to the top of Colter's Mountain. Worst of all, can they escape the deadly plot of a sinister enemy known as the Alpinist?
