The Shock of Recognition Barry Jones, 2016-01-27 How much time do I have left? A hundred days? A thousand? If I knew I was going to die next week but could be taken to see The Marriage of Figaro tonight, would I go? Absolutely.' In a long and generously lived life, Barry Jones has been on an endless quest to share the extraordinary and the beautiful, to encourage the pursuit of an abundant life of reading and listening. Following the publication of A Thinking Reed, he was staggered by the response to his lists of the great works that have had the most profound effect on his life and thinking. Here he expands on those lists to write about the literature and the music that has inspired him. With no claims to objectivity, he urges us to take the plunge, to rattle the bars of the cage and expose ourselves to the music of Hildegard of Bingen, Johann Sebastian Bach, Mozart and Beethoven, Schubert, Wagner, Mahler, Ravel and Stravinsky as well as the writings of Homer, Dante, Chaucer, Montaigne, Cervantes, Shakespeare, Sterne, Tolstoy, Proust, Joyce, and Beckett among many more. Eagerly awaited by his many followers, The Shock of Recognition is a deeply considered, richly rewarding and often very funny journey of the mind.

Choral-Orchestral Repertoire Jonathan D. Green,David W. Oertel,2019-12-05 *Choral-Orchestral Repertoire: A Conductor's Guide, Omnibus Edition* offers an expansive compilation of choral-orchestral works from 1600 to the present. Synthesizing Jonathan D. Green's earlier six volumes on this repertoire, this edition updates and adds to the over 750 oratorios, cantatas, choral symphonies, masses, secular works for large and small ensembles, and numerous settings of liturgical and biblical texts for a wide variety of vocal and instrumental combinations. Each entry includes a brief biographical sketch of the composer, approximate duration, text sources, performing forces, available editions, and locations of manuscript materials, as well as descriptive commentary, a discography, and a bibliography. Unique to this edition are practitioner's evaluations of the performance issues presented in each score. These include the range, tessitura, and nature of each solo role and a determination of the difficulty of the choral and orchestral portions of each composition. There is also a description of the specific challenges, staffing, and rehearsal expectations related to the performance of each work. *Choral-Orchestral Repertoire* is an essential resource for conductors and students of conducting as they search for repertoire appropriate to their needs and the abilities of their ensembles.
