Die For You Lauren Jackson, 2024-03-02 THE SURVIVOR - The death certificate says my sister died two years ago in the accident but her body was never found. I was the sole survivor. Then I saw her. Someone lied. Now, I must travel across the country to find answers from a bloodthirsty vampire with one thing on his mind. I will find out the truth. Even if it kills me. THE PROTECTOR - I didn't mean for this to happen. I didn't mean for any of it to happen. Now Raya is here. She is mine, and I must protect her at all costs. If she dies, I die. It doesn't add up, and it's all a mess. It's my job to fix it and find my brother. She knows I'm hiding something, but I'm terrified to tell her the truth. THE PREDATOR - It's been years since I had a lead. Now, I have one. I will watch. I will wait. I will strike. He will be mine--

Sea and Shadow M. Elizabeth Erb, 2024-11-01 Two sisters, one selfless question, and an unbreakable bond that will determine their destiny. Princess Darya of Amaryis is the villain, but when the whispers of war grow loud and her sister is forced into a loveless marriage, Darya must take on the role of the hero to save her. With the help of a mysterious pirate, she embarks on a treasure hunt to find the Eye, an ancient relic with the power to summon the Oracle. If they succeed, they will be able to ask one selfless question, but many twists and turns await the ones who seek an audience with her, for it is not enough to have a selfless question. You must also be worthy to ask it. To prove herself, Darya will have to master the four challenges the guardians of the pieces have put in place: desperation, determination, trust, and fear. Darya will take on an adventure of acceptance, romance, and destiny, ultimately discovering whether a villain can become the hero.

Crooked Shadows M.A. Grant, 2021-12-14 Everyone has secrets. Especially those who live in the shadows. Cristian Slava doesn't fear much. After he was betrayed by the man he called an uncle, leaving upstate New York for the Carpathian Mountains of his childhood is more a matter of practicality than fear. With him is Atlas Kinkaid, a former marine turned fierce bodyguard...and fierce lover, albeit a hell of a complicated one. Cristian's cunning is tested by the politics and intrigue of the vampire families of Romania, and the warm welcome he and Atlas were assured of quickly turns to ash as they race to unravel the mystery of an old friend's disappearance. Searching for the missing vampire draws them into a web of betrayal and half-truths that reaches further than Cristian ever could have imagined, and they uncover a string of grisly murders that bear a striking similarity to the attack that changed Atlas's life forever. Stalked by the past and uncertain of the future, Cristian learns he does have something to fear after all... Losing the man he loves. Arcane Attraction Kim Werner, 2021-06-01 Aurora's reign as Queen is slowly, but surely coming to an end, her health deteriorating and her death fast-approaching. But of course, a Queen cannot leave her Kingdom without naming an heir. And who could be better suited for the title, than an Alpha who reminds her so much of Ryder, that it could actually be him? But of course, Alpha Marcel shares more than just a few of Ryder's characteristics. His hunger for power is just as self-consuming. Aurora recognizes this, and so does the Moon Goddess, who has decided to intervene. And what better than to give Marcel a human mate, who he believes is to be the air to the throne? Sequel to *Untamed*. Can be read as a stand-alone.

Yellowface R. F. Kuang, 2023-05-16 INSTANT NEW YORK TIMES BESTSELLER • A REESE'S BOOK CLUB PICK "Hard to put down, harder to forget." — Stephen King, #1 New York Times bestselling author *White Lies*. Dark humor. Deadly consequences... Bestselling sensation Juniper Song is not who she says she is, she didn't write the book she claims she wrote, and she is most certainly not Asian American—in this chilling and hilariously cutting novel from R.F. Kuang, the #1 New York Times bestselling author of *Babel*. Authors June Hayward and Athena Liu were supposed to be twin rising stars. But Athena's a literary darling. June Hayward is literally nobody. Who wants stories about basic white girls, June thinks. So when June witnesses Athena's death in a freak accident, she acts on impulse: she steals Athena's just-finished masterpiece, an experimental novel about the unsung contributions of Chinese laborers during World War I. So what if June edits Athena's novel and sends it to her agent as her own work? So what if she lets her new publisher rebrand her as Juniper Song—complete with an ambiguously ethnic author photo? Doesn't this piece of history deserve to be told, whoever the teller? That's what June claims, and the New York Times bestseller list seems to agree. But June can't get away from Athena's shadow, and emerging evidence threatens to bring June's (stolen) success down around her. As June races to protect her secret, she discovers exactly how far she will go to keep what she thinks she deserves. With its totally immersive first-person voice, *Yellowface* grapples with questions of diversity, racism, and cultural appropriation, as well as the

terrifying alienation of social media. R.F. Kuang's novel is timely, razor-sharp, and eminently readable.

Hammajang Luck Makana Yamamoto, 2025-01-14 Ocean's 8 meets Blade Runner in this trail-blazing debut science fiction novel and swashbuckling love letter to Hawai'i about being forced to find a new home and striving to build a better one—unmissable for fans of Gideon the Ninth by Tamsyn Muir and Six of Crows by Leigh Bardugo. Edie is done with crime. Eight years behind bars changes a person—costs them too much time with too many of the people who need them most. And it's all Angel's fault. She sold Edie out in what should have been the greatest moment of their lives. Instead, Edie was shipped off to the icy prison planet spinning far below the soaring skybridges and neon catacombs of Kepler space station—of home—to spend the best part of a decade alone. But then a chance for early parole appears out of nowhere and Edie steps into the pallid sunlight to find none other than Angel waiting—and she has an offer. One last job. One last deal. One last target. The trillionaire tech god they failed to bring down last time. There's just one thing Edie needs to do—trust Angel again—which also happens to be the last thing Edie wants to do. What could possibly go all hammajang about this plan?

The Perfect Crimes of Marian Hayes Cat Sebastian, 2022-06-07 Cat Sebastian returns to Georgian London with a stunning tale of a reluctant criminal and the thief who cannot help but love her. Marian Hayes, the Duchess of Clare, just shot her husband. Of course, the evil, murderous man deserved what was coming to him, but now she must flee to the countryside. Unfortunately, the only person she can ask for help is the charismatic criminal who is blackmailing her—and who she may have left tied up a few hours before... A highwayman, con artist, and all-around cheerful villain, Rob Brooks is no stranger to the wrong side of the law or the right side of anybody's bed. He never meant to fall for the woman whose secrets he promised to keep for the low price of five hundred pounds, but how could he resist someone who led him on a merry chase all over London, left him tied up in a seedy inn, and then arrived covered in her husband's blood and in desperate need of his help? As they flee across the country—stopping to pick pockets, drink to excess, and rescue invalid cats—they discover more true joy and peace than either has felt in ages. But when the truth of Rob's past catches up to him, they must decide if they are willing to reshape their lives in order to forge a future together.

The Eminence in Shadow, Vol. 3 (light novel) Daisuke Aizawa, 2021-04-27 THE RED MOON HANGS LOW IN THE NIGHT-AN OMEN OF WHAT'S TO COME Deep within the Lawless City lies the Blood Queen, a Progenitor Vampire, slumbering in her coffin for many moons. An expert at landing himself in trouble, Cid should know better than to go after her...but he's dying to get a piece of the action. It's time he shed his daytime persona to take on the role of Shadow! It seems, however, that he's not the only one with this idea. Soon enough, he finds the three rulers of the Lawless City—Juggernaut the Tyrant, Yukime the Spirit Fox, and Crimson the vampire—are all on his tail. To complicate things even further, the Shadow Garden descends on the scene as the hour of the Blood Queen's awakening looms closer and closer...
