Jon Katz

Rose in a Storm Jon Katz, 2011-09-13 Rose is determined and focused, keeping the sheep out of danger and protecting the other creatures on the farm she calls home. But of all those she's looked after since coming to the farm as a puppy, it is Sam, the farmer, whom she watches most carefully. Awoken one cold midwinter night during lambing season, Rose and Sam struggle into the snowy dark to do their work. The ever observant Rose has seen a change in her master of late, ever since Sam's wife disappeared one day. She senses something else in the air as well: A storm is coming, but not like any of the ones she's seen over the years. And when an epic blizzard hits the region, it will take all of Rose's resolve, resourcefulness, and courage to help Sam save the farm and the creatures who live there.

A Good Dog Jon Katz, 2007-06-26 "People who love dogs often talk about a 'lifetime' dog. I'd heard the phrase a dozen times before I came to recognize its significance. Lifetime dogs are dogs we love in especially powerful, sometimes inexplicable ways." -Jon Katz In this gripping and deeply touching book, bestselling author Jon Katz tells the story of his lifetime dog, Orson: a beautiful border collie-intense, smart, crazy, and unforgettable. From the moment Katz and Orson meet, when the dog springs from his traveling crate at Newark airport and panics the baggage claim area, their relationship is deep, stormy, and loving. At two years old, Katz's new companion is a great herder of school buses, a scholar of refrigerators, but a dud at herding sheep. Everything Katz attempts- obedience training, herding instruction, a new name, acupuncture, herb and alternative therapies-helps a little but not enough, and not for long. "Like all border collies and many dogs," Katz writes, "he needed work. I didn't realize for some time I was the work Orson would find." While Katz is trying to help his dog, Orson is helping him, shepherding him toward a new life on a two-hundred-year-old hillside farm in upstate New York. There, aided by good neighbors and a tolerant wife, hip-deep in sheep, chickens, donkeys, and more dogs, the man and his canine companion explore meadows, woods, and even stars, wade through snow, bask by a roaring wood stove, and struggle to keep faith with each other. There, with deep love, each embraces his unfolding destiny. A Good Dog is a book to savor. Just as Orson was the author's lifetime dog, his story is a lifetime treasure-poignant, timeless, and powerful.

The Second-Chance Dog Jon Katz, 2014-09-30 From New York Times bestselling author Jon Katz comes a wise, uplifting, and poignant memoir of finding love against all odds, and the power of second chances for both people and dogs. "I had no idea that Frieda would enter my life and alter it in the most profound way, but that's one of the beautiful things about

animals. They change you, and you almost never see it coming.” In 2007, a few years after purchasing Bedlam Farm in upstate New York, Jon Katz met Maria Wulf, a quiet, sensitive artist hoping to rekindle her creative spark. Jon, like her, was introspective yet restless, a writer struggling to find his purpose. He felt a connection with her immediately, but a formidable obstacle stood in the way: Maria’s dog, Frieda. A rottweiler-shepherd mix who had been abandoned by her previous owner in the Adirondacks, where she lived in the wild for several years, Frieda was ferociously protective and barely tamed. She roared and charged at almost anyone who came near. But to Maria, Frieda was sweet and loyal, her beloved guard dog and devoted friend. And so Jon quickly realized that to win over Maria, he’d have to gain Frieda’s affection as well. While he and Maria grew closer, Jon was having a tougher time charming Frieda to his side. Even after many days spent on Bedlam Farm, Frieda still lunged at the other animals, ran off into the woods, and would not let Jon come near her, even to hook on her leash. Yet armed with a singular determination, unlimited patience, and five hundred dollars’ worth of beef jerky, Jon refused to give up on Frieda—or on his chance with Maria. Written with stunning emotional clarity and full of warm yet practical wisdom, *The Second-Chance Dog* is a testament to how animals can make us better people, and how it’s never too late to find love. Praise for *The Second-Chance Dog* “No one speaks the language of a dog like best-selling author Jon Katz. His latest heartwarming memoir about finding love after struggling through a broken relationship . . . gives testament to how dogs can make us better human beings.”—*The Free Lance-Star* “[An] intimate story of falling in love with a woman and her extremely protective pet dog . . . Bittersweet in its telling, Katz reminds readers of the importance of human and animal connections.”—*Kirkus Reviews* “In this heartwarming story of love and redemption . . . dogs and humans alike get second chances at life, love, and growth. . . . This moving work is recommended for readers who want a true-life love story, for dog lovers seeking a book with a happy ending (the dog doesn’t die!), for seniors who think that receiving a Medicare card means that love is out of the question, and for dog trainers who want to learn more about Katz’s philosophy of dog training.”—*Library Journal* “The story [Katz] tells gives hope that no animal is beyond help, as long as enough love and patience are thrown in.”—*Minneapolis Star Tribune*

Geeks Jon Katz, 2000-04-18 “A story of triumph, friendship, love, and above all, about being human and reaching for dreams in a hard-wired world.”—*Seattle Times* “Too often, writing about the online world lacks emotional punch, but Katz’s obvious love for his ‘lost boys’ gives his narrative a rich taste.”—*The New York Times Book Review* Jesse and Eric were geeks: suspicious of authority figures, proud of their status as outsiders, fervent in their belief in the positive power of technology. High school had been an unbearable experience and their small-town Idaho families had been torn apart by hard times. On the fringe of society, they had almost no social lives and little to look forward to. They spent every spare cent on their computers and every spare moment online. Nobody ever spoke of them, much less for them. But then they met Jon Katz, a roving journalist who suggested that, in the age of geek impresario Bill Gates, Jesse and Eric had marketable skills that

could get them out of Idaho and pave the way to a better life. So they bravely set out to conquer Chicago—geek style. Told with Katz’s trademark charm and sparkle, *Geeks* is a humorous, moving tale of triumph over adversity and self-acceptance that delivers two irresistible heroes for the digital age and reveals the very human face of technology. Praise for *Geeks* “Ultimately, *Geeks* is not a story about the Internet or computers or techies. It is a story about personal bonds, optimism, access to opportunity, and the courage to dream.”—Salon “An uplifting and hugely compassionate book.”—Philadelphia Inquirer “A story of friendship, optimism, social despair, and an updated version of that American icon, the tinkerer.”—USA Today

Rose in a Storm Jon Katz, 2011 Rose the sheep dog watches over her owner Sam and and protects the creatures on the farm she calls home.

Gus's Year Jon Katz, 2019-04-16 The New York Times bestselling author of *Talking to Animals* chronicles the seasons of life on his farm, a time during which he discovers profound and heartwarming life lessons through his interactions with the animals and the rural community around him. After a lifetime living and working in urban environments, John Katz decided to leave city life behind and buy a farm in upstate New York. He vowed to live as a farmer, dependent only on his land and animals and to reconnect with the natural world. All too soon however, he discovered that Mother Nature is as unforgiving as she is bountiful, and that struggle—not comfort—is often the key to finding lasting peace. Alongside his faithful companions—his beloved border collies Red and Fate, his small herd of sheep, and a few horses—Katz found new ways to look at the world, making sure he and his flock survived not only physically but spiritually. In eleven stories, spanning one year, Katz’s experiences morph into allegories that explore concepts like mercy, pride, aging and community. As the seasons progress, we meet the newest addition to the Bedlam Farm family—Gus, a wild-eyed puppy Boston terrier who wins Katz’s heart and convinces him that small dogs—and people too—can go far beyond their perceived limits. In training Gus, doing therapy work with the elderly, and connecting with refugees in his community, Katz shows that even in a fractured, contentious world we can still escape isolation and argument, one animal or one good deed at a time. “Katz’s world—of animals and humans and their combined generosity of spirit—is a place you’re glad you’ve been” (The Boston Globe on Izzy & Lenore).

A Home for Rose Jon Katz, 2009 Jon Katz leaves the suburbs for a remote farm in order to give border collie puppy Rose a true taste of herding life. Rose's adventures start early, going head to head with a head-butting ram the day the sheep arrive. She soon establishes a routine for the sheep, chickens & donkeys & Jon that makes everything run like clockwork.

SEC Docket United States. Securities and Exchange Commission, 1991

Soul of a Dog Jon Katz, 2009 Do animals have souls? Do they affect ours? Do they make moral choices? In *Soul of a Dog*, Jon Katz explores these questions through stories of his border collie Rose. Not one for being petted or cuddled, Rose's

integrity and devotion to running the farm are complete. When Jon is sick, Rose is the only one of the dogs who will not leave his side. Here, too, are fascinating looks at his other dogs Izzy, Lenore, and Pearl; his gentle, ethereal donkeys; and a 2,500-pound doughnut-loving steer named Elvis.

Federal Register, 2003-11

A Dog Year Jon Katz, 2003-05-06 “Change loves me, defines and stalks me like a laser-guided smart bomb. It comes at me in all forms, suddenly and with enormous impact, from making shifts in work to having and raising a kid to buying a cabin on a distant mountaintop. Sometimes, change comes on four legs.” In his popular and widely praised *Running to the Mountain*, Jon Katz wrote of the strength and support he found in the massive forms of his two yellow Labrador retrievers, Julius and Stanley. When the Labs were six and seven, a breeder who’d read his book contacted Katz to say she had a dog that was meant for him—a two-year-old border collie named Devon, well bred but high-strung and homeless. Katz already had a full canine complement, but instinct overruled reason, and soon thereafter he brought Devon home. *A Dog Year: Twelve Months, Four Dogs, and Me* is the story of how Devon and Jon—and Julius and Stanley—came to terms with each other. It shows how a man discovered a lot about himself through one dog (and then another) whose temperament seemed as different from his own as day is from night. It is a story of trust and understanding, of life and death, of continuity and change. It is by turns insightful, hilarious, and deeply moving.

Talking to Animals Jon Katz, 2017-05-02 New York Times bestselling author Jon Katz—“a Thoreau for modern times” (San Antonio Express-News)—offers us a deeper understanding of the inner lives of animals and teaches us how we can more effectively communicate with them, made real by his own remarkable experiences with a wide array of creatures great and small. In *Talking to Animals*, journalist Jon Katz—who left his Manhattan life behind two decades ago for life on a farm where he is surrounded by dogs, cats, sheep, horses, cows, goats, and chickens—marshals his experience to offer us a deeper insight into animals and the tools needed for effectively communicating with them. Devoting each chapter to a specific animal from his life, Katz tells funny and illuminating stories about his profound experiences with them, showing us how healthy engagement with animals falls into five key areas: Food, Movement, Visualization, Language, and Instincts. Along the way, we meet Simon the donkey who arrives at Katz’s farm near death and now serves as his Tai Chi partner. We meet Red the dog who started out antisocial and untrained and is now a therapy dog working with veterans from Iraq and Afghanistan. And we meet Winston, the dignified and brave rooster who was injured defending his hens from a hawk and who has better interpersonal skills than most humans. Thoughtful and intelligent, lively and powerful, this book will completely change the way you think about and interact with animals. Katz’s “honest, straightforward, and sometimes searing prose will speak to those who love animals, and might well convert some who do not” (Booklist).

Dancing Dogs Jon Katz, 2012-09-25 No one brings to life the remarkable bond between humans and their dogs like New

York Times bestselling author Jon Katz. He has warmed our spirits with enchanting tales and keen observations of his animal menagerie—the dogs, sheep, chickens, and other residents of Bedlam Farm. Now, Katz is back with what he does best in his first collection of short stories, *Dancing Dogs*. With his signature insight and gift for storytelling, Katz shares sixteen stories about one of life's most unique relationships: In the title story, a housekeeper loses her job, but discovers her four-legged "children" have some toe-tapping talents that just may get the whole family back on its feet. In "Puppy Commando," a shy grade-school outcast forges an instant connection with a beagle puppy she meets at a shelter—and risks everything to keep him. "Gracie's Last Walk" features a woman who must find a way to say goodbye to her beloved golden retriever—but ends up saying hello to someone unexpected. "The Dog Who Kept Men Away" shows that not all humans pass the "sniff" test when it comes to canines, who possess an excellent judge of character. And in "Guardian Angel," a widower going through a painful transition finds the greatest comfort in the unlikeliest of sources—a funny-looking pug named Gus. Whether sitting, staying, and rolling over, in the barnyard, shelters, or home, sweet, home, the creatures in *Dancing Dogs* are genuinely inspiring and utterly memorable. Praise for *Dancing Dogs* "Funny, keenly observed short stories illuminating the bond between man and his best friend."—People "Jon Katz writes with passion and humor about the connections between animals and humans. . . . Animal lovers are sure to want to add this book to their collection."—Examiner.com "Katz's stories, sometimes warm and sometimes funny, are smooth, light reads that are easy to pick up and enjoy and will appeal to dog lovers everywhere."—Booklist "Insightful, moving . . . a tissue-box-worthy collection of animal tales."—Kirkus Reviews "[A] heartwarming book."—The Dallas Morning News

New York Magazine, 1994-08-08 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

The Dog Nobody Loved Jon Katz, 2014 I had no idea that Frieda would enter my life and alter it in the most profound way, but that's one of the beautiful things about animals. They change you, and you almost never see it coming. When writer Jon Katz met Maria Wulf, a quiet, sensitive artist he felt a connection with her immediately, but a formidable obstacle stood in the way: Maria's dog, Frieda. A rottweiler-shepherd mix who had been abandoned and living in the wild for several years, Frieda was ferociously protective. She roared and charged at almost anyone who came near. But to Maria, she was her sweet, loyal and devoted friend. Jon quickly realised that to win over Maria, he'd have to make friends with Frieda too. *The Dog Nobody Loved* is the heart-warming story of how one man and a dog discovered it's never too late to find love. Please note, *The Dog Nobody Loved* is the UK title for the book published in the US as *The Second-Chance Dog*.

Dog Days Jon Katz, 2007-06-26 BONUS: This edition contains an excerpt from Jon Katz's *Going Home*. In *Dog Days*, Jon Katz, the squire of Bedlam Farm, allows us to live our dreams of leaving the city for the country, and shares the unpredictable adventure of farm life. The border collies, the sheep, the chickens, the cat, the ram, and one surprisingly sociable steer named Elvis all contribute to the hum (and occasional roar) of Bedlam. On timeless summer days and in punishing winter storms, Katz continues his meditation on what animals can selflessly teach us—and what we in turn owe to them. With good neighbors, a beautiful landscape, and tales of true love thrown in, *Dog Days* gives us not only marvelous animal stories but a rich portrait of the harmonious world that is Bedlam Farm. Praise for *Dog Days*: “Anyone who has ever loved an animal, who owns a farm or even dreams of it, will read *Dog Days* with appreciation and a cathartic lump in his or her throat.” –The Washington Post “Katz proves himself a Thoreau for modern times as he ponders the relationships between man and animals, humanity and nature, and the particularly smelly qualities of manure.” –Fort Worth Star-Telegram “Katz constructs the perfect blend between self-revelation and his subtle brand of humor.” –The Star-Ledger “City-dweller-turned-farmer Katz . . . returns with further adventures from his animal-filled upstate New York sheep farm. Charming.” –People “The perfect summer book . . . You will not be disappointed.” –The Philadelphia Inquirer “A new twist on the American dream.” –The Christian Science Monitor “Thoroughly enchanting.” –The Dallas Morning News

The Family Stalker Jon Katz, 1994 Certain that someone has targeted her family for destruction, attorney Marianne Dow hires private detective Kit Deleeuw to follow the trail of a terrifying stalker. By the author of *Death by Station Wagon*.

Saving Izzy Jon Katz, 2010 Once again Jon finds himself challenged by a difficult dog. Izzy wants to go with Jon wherever he may be, and jumps fences and chews through locks to do so. Jon has been through this before with his dog Orson, and isn't sure he can cope with the responsibility and potential heartbreak again. But Jon's motley collection of animals—from Jesus the baby donkey to Elvis the surprisingly sociable steer, as well of course as farm manager and Border Collie Rose—is the perfect refuge for Izzy. As Izzy settles down to become the perfect companion, Jon realizes just how much he too has learnt from life on the farm about patience, perseverance and love.

Lenore Finds a Friend Jon Katz, 2014-12-02 Presents the story of misfit black lab Lenore, who is ignored by the unwelcoming and busy animals at Bedlam Farm until she playfully licks a grumpy ram with whom she forges an unlikely friendship.

The Last Housewife Jon Katz, 1996 Kit Deleeuw must prove the innocence of a suburban housewife accused of murder.

Unveiling the Magic of Words: A Review of "**S By Jon Katz**"

In a world defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their power to kindle emotions, provoke contemplation, and ignite transformative change is actually awe-inspiring. Enter the realm of "**S By Jon Katz**," a mesmerizing literary masterpiece penned by a distinguished author, guiding readers on a profound journey to unravel the secrets and potential hidden within every word. In this critique, we shall delve into the book's central themes, examine its distinctive writing style, and assess its profound impact on the souls of its readers.
