Everyone Can Be a Ninja Akbar Gbajabiamila,2019-05-07 The beloved host of the NBC hit show American Ninja Warrior and co-host of The Talk draws inspiration from both the fierce competitors on his show and his own unlikely path to success to outline the essential steps to achieving your goals and becoming a modern-day ninja. Akbar Gbajabiamila, the host

of NBC's hit Emmy-nominated show, American Ninja Warrior, did not have an easy path to success. One of seven children by Nigerian immigrant parents, he grew up in the Crenshaw district of South Central Los Angeles during the 1980s and '90s, a time when the neighborhood was fraught with riots and gang violence. With dreams of playing professional basketball, Gbajabiamila found success not in the sport he loved, but in football. Late in his high school career, Gbajabiamila suited up with pads for the first time and was thrown into the complex sport of football. He climbed major hurdles to play college football and then professional football. After playing in the NFL, it was only after years of hard work behind-the-scenes in radio and television that he was offered the job to be the host of American Ninja Warrior. Through his own inspirational underdog stories and interviews with modern-day ninjas who have accomplished extraordinary things in their own lives against the odds, Akbar proves in Everyone Can Be a Ninja that it doesn't matter if you make it through every step of the obstacle course on the first try. Ninjas keep pushing themselves until they reach their goals, and they don't let anyone or anything stand in their way. It is easy to see greatness in others; it's hard to see it in ourselves. Everyone Can Be a Ninja shows you that we can fulfill our potential and achieve our dreams by finding our inner warriors.

Become the Next American Ninja Warrior Brian Davidson, 2015-03-02 How to train for American Ninja Warrior (revised 2018 version) Today only, get this Amazon book for just \$6.99. Regularly priced at \$9.99. In 15th-century Japan, ninjas had more to worry about than their bench press and body-mass index. They were too busy being awesome. Some 600 years later, exercise routines tend to put health before stealth - and with good reason, given today's obesity and heart disease rates. But they also increasingly value versatility, mixing sports to cross-train better all-around athletes. And now a globe-trotting TV show is taking that idea a quintuple step further, mobilizing an army of would-be ninjas in the name of fitness. NBC's American Ninja Warrior, now with six seasons under its belt, is a spinoff of the long-running Japanese show Sasuke (aka Ninja Warrior). Contestants face a grueling array of athletic tests, similar to ABC's Wipeout but in the more serious style of Japan's original obstacle-course game shows. From schoolteachers to firemen to police officers to social workers, this competition gives everyday men and women the chance to transform into fearless acrobatic competitors, a shot at a \$500,000 cash prize, and--perhaps most relevant to you--the ability to do special workouts and training that build a very impressive combination of a lean body, grip strength, speed, explosiveness, flexibility and balance. The U.S. version has yet to crown its first champion, but if you think you have what it takes, this book will teach you all the tips, including application, preparation, workout techniques and meal plans, to help you release your inner ninja. Here Is A Preview Of What You'll Learn... Overview of the American Ninja Warrior competition The Application Process Tips and Tricks The American Ninja Workout Plan How to conquer tough Obstacles The Ninja Nutrition Plan Event Preparation Tips Much, much more! Purchase your copy today! Take action today and buy this book for a limited time discount of only \$6.99, increasing your chance for the title of American
