The Power of Humility Charles Whitfield,Barbara Harris Whitfield,Russell Park,2010-01-01 Throughout our life, at each moment, from each conflict that arises throughout every day, we are given the power to choose. We all face challenges in our relationships and Dr. Whitfield gives us the secret to meeting each challenge and how to make the best choice when faced with hard decisions and irrational emotions. Using the same questions he has asked his patients, Dr. Whitfield asks readers: Do you choose to protect your point of view, your position, and your ego's limited perceptions? Or do you choose humility: open-mindedness, curiosity, and tolerance? Do you choose to play the victim, to persecute or to rescue? Or do you choose humility: to motivate, nurture, and empower? Do you choose separation, or through humility, inclusion? These are the lessons taught in The Power of Humility. Simple, easy to understand, yet life changing, Dr. Whitfield teaches us that by accepting our humility we invite peace, love, joy, and gratitude into our life and our relationships. Key Features Patient stories provide the reader with specific examples on the power of humility. Takes readers through the separate steps in identifying humility throughout their lives. Tie in to reissue of Dr. Whitfield's million copy classic Healing the Child Within.

For All as for One LeRosa Leigh,2023-05-25 Have you ever wondered if God is real? And if "He" is, does He care about what has happened or is happening to you and your loved ones? And in the world? Does He hear prayers? Does He answer them? This book speaks to those readers who are searching spiritually and in need of an "infilling," because the messages and understandings come directly from Spirit, from divine Love. There is more to life than we are aware of. Many blessings await those of us who ask, seek, and knock.

Channeling Jon Klimo,1998-04-17 In this study of channeling, earlier called spirit communication or mediumship, Klimo, who teaches at Rosebridge Graduate School in the San Francisco Bay Area, writes with clarity about the communication of information to or through a physically embodied human being from a source...on some other level or dimension of reality other than the physical as we know it. He profiles recent channels and their sources, goes back to preliterate societies and the advent of monotheism and identifies as channels such figures as Moses, Solomon, Muhammad, Merlin, Nostradamus, Swedenborg and Edgar Cayce. He discusses the sorts of people who are channels, kinds of information channeled, sources of information channeled and varieties of channeling like clairvoyance and automatic writing. According to Klimo, few people tap into their abilities to perform channelingand for those who think they can, he serves as guide.

Your Immortal Reality Gary R. Renard,2006 In this fascinating book, Gary Renard and his Ascended Master Teachers, Arten and Pursah, teach you how to integrate advanced spiritual principles into your everyday life. Doing so leads beyond theory to an experience of the Divine and the undoing of the ego. Your progress will be accelerated to such a degree that, with continued practice, you can't help but stop the need to reincarnate . . . once and for all. Like Gary's first book, *The Disappearance of the Universe*, this work elaborates on the teachings of two spiritual classics, *The Gospel of Thomas* and *A Course in Miracles*. By focusing on a unique brand of quantum forgiveness, rather than the old-fashioned kind, and taking the understanding of the importance of thought up to a whole new level, your goal will become nothing less than to break the cycle of birth and death.

A Course in Miracles in a Nutshell: Book Two Francis M. Bud Morris,2006-06-01 Drawing on the wisdom of this famous and much-loved source of spiritual education and inspiration, *Illusion's End* focuses - in concise, individual articles - on more than 80 topics that are studied and lived by hundreds of thousands of devoted people all around the globe. It is more than a reading experience, it is a workbook for living. Here for you is an opportunity to learn and grow in an easy-to-absorb way, facilitated by Rev. Bud Morris' decades of experience in living and teaching Course principles and productive life practices. Of his own experiences, the author says, I have been studying metaphysical principles and facilitating study groups in *A Course in Miracles* for close to twenty years. This book is taken from my teaching notes and material that has inspired me through the years. My goal in life is to remember more of my spiritual truth each day and to teach that truth to everyone I meet; i.e., to unconditionally love everyone I encounter and to help heal the insanity of this world through that unconditional love.
