Bloody Sunday Ben Coes,2018-07-31 CIA top special forces operative Dewey Andreas goes undercover in Macau, where he must foil Iran and North Korea's plot to acquire nuclear and long-range attack capabilities.

Trap the Devil Ben Coes,2017-06-20 WALL STREET JOURNAL BESTSELLER * USA TODAY BESTSELLER Intense and gripping...Coes' name should be on the lips of every reader who enjoys Vince Flynn and the Brads (Taylor and Thor). —Booklist (starred review) on *Trap the Devil* Only one man stands between a powerful cabal planning an invisible coup of the U.S. government and their brutal goals—Dewey Andreas. A group of some of the most powerful people in the government, the military, and the private sector, has begun a brutal plan to quietly take over the reins of the U.S. government. They've begun to remove the people who stand in their way—and replace them with their own sympathizers and puppets. They've already taken out the Speaker of the House—whose death was made to look like an accidental drowning—and the president and vice president are next. Once they have their own people in place, they plan to start a bloody, brutal war on an unimaginable scale. On restricted duty while he recovers from injuries incurred on a previous mission, Dewey Andreas is sent to Paris by CIA Director Hector Calibrisi. The Secretary of State is going there for secret talks, and Dewey is to be an extra layer of security above the State Department team. But what should be an easy mission couldn't go more wrong. The cabal has sent in a hit man to take out the Secretary of State and lay the blame for this murder at the feet of Dewey himself. With the Secretary of State dead, shot by Dewey's weapon, Dewey is on the run and out in the cold, desperately trying to unravel the plot before the conspirators succeed in killing millions of innocents.

Post-9/11 Espionage Fiction in the US and Pakistan Cara Cilano,2014-05-09 As the events of 11 September 2001

and their aftermath influence new developments in spy fiction as a popular genre, an examination of these literary narratives concerned with espionage and terrorism can reshape our approach to non-fictional representations of the same concerns. *Post-9/11 Espionage Fiction in the US and Pakistan* examines post-9/11 American spy fictions alongside Pakistani novels that draw upon many of the same figures, tropes, and conventions. As the Pakistani texts re-place spy fiction's conventions, they offer another vantage point from which to view the affective appeals common to these conventions' usual deployment in American texts. This book argues that the appropriation by Pakistani writers of these conventions insistently tracks how the formulaic and popular nature of post-9/11 American espionage thrillers forwards and reinforces appropriate affective responses, often linked to domestic sites and relations, to terrorism. It also analyses and compares American and Pakistani representations of the twinned figures of the spy (or his proxy) and the terrorist, a term frequently conflated with fundamentalist. The insights of these analyses can serve as interpretive interruptions of non-fictional representations of Pakistani-US war on terror relations. Offering an innovative analysis of the reflection of narrative conventions in our view of the real-life events, this book will attract scholars with an interest in Pakistani literature, Postcolonial literature, Asian Studies and Terrorism studies.

Power Down Ben Coes,2013-03-26 The first wave of terrorist attacks against America's energy-producing capacity runs afoul of oil rig crew chief Dewey Andreas, a former special forces officer. As Dewey hunts down those responsible for the attacks he comes closer and closer to sleeper agent Alexander Fortuna, who is poised to set off the final assault.
