Summa on Marriage Saint Raymond (of Peñafort),Pontifical Institute of Mediaeval Studies,2005 The birth and flowering of canonical jurisprudence in the twelfth century is one of the most striking and fruitful developments of the age, marking an important turn in the history of the Church and in framing the essential elements of the rule of law in political

and social life. Raymond of Penyafort was an important participant in these developments. Born near Barcelona in 1175, he became a teacher of canon law at Bologna, the greatest centre of legal studies. He joined the newly founded Order of Preachers (Dominicans), and championed multilingual education of the friars for a more effective evangelization of Muslims and Jews. He became Master General of the Order in 1238, and died in 1275. He was canonized in 1601 and has been declared the patron saint of canon lawyers. Pope Gregory IX appointed Raymond to produce a comprehensive compilation of papal legal decisions. The result, the Decretals of Gregory IX (1234), would remain normative in the Catholic Church until 1917. Raymond drew on it to compose his Summa on Marriage, a summary of learned reflection on the law of marriage, to aid his Dominican brothers in hearing confessions, where numerous problems touching on marriage would have been encountered. The definition of marriage and of its ends, stages and impediments, arrangements and consequences are the subject of the work. This translation of it offers students and scholars alike a comprehensive presentation of the medieval teaching on marriage - learned in content, practical in orientation.--BOOK JACKET.

The Marriage Nullity Process in the Reform of Pope Francis with Special Reference to the Processus Brevoir Roberto Rosas, Yeshica Umaña Jcl, 2023-01-04 The authors of this book, both prominent scholars of matrimonial canon law, have extensive knowledge of the subject. They have written this book to explain in a clear manner the new reform for the nullity of marriage within the Catholic Church, established by Pope Francis on August 15, 2015. The new matrimonial reform serves as an instrument to reach the faithful who have become unmotivated in pursuing an annulment because of the difficulties presented by the old annulment process and invites those who have strayed to be a part of the Church once again. Dr. Roberto Rosas is not only a husband living the sacrament of marriage but is also a recognized Matrimonial Canon Lawyer in Ecclesiastical Tribunals in Mexico and the United States. Yeshica Umaña, JCL, who has done extensive research on the institution of marriage, provided her invaluable insight as a woman in the writing of this book.

When Is Marriage Null? Guide to the Grounds of Matrimonial Nullity for Pastors, Counselors, Lay Faithful Paolo Bianchi, 2023-07-14 from Foreword by Raymond Leo Cardinal Burke (former prefect of the Supreme Tribunal of the Apostolic Signatura) There is no doubt that Father Bianchi's book ... will be of tremendous benefit for those who work in the field of marriage law. ... Father Bianchi's vast experience and expertise ... are manifest in his synthetic and practical treatment of each of the grounds of the nullity of marriage. Many marriages result in divorce, but for the baptized Christian a valid marriage remains valid until the death of one of the spouses. This teaching of the Church is based on the indissoluble nature of marriage as instituted by God. There are, however, marriages between Christians that - contrary to appearances or intentions - did not in actuality take place. This book, written by a specialist with a gift for clarity on a complicated, sensitive issue, explains the grounds of matrimonial nullity. Intended for pastors and others who counsel divorced Catholics and Catholics in distressed marriages, it is a guide for helping to discern whether a particular case should be brought before a

marriage tribunal. All of the grounds of nullity are covered, including the violation of the freedom of consent and the incapacity to assume the essential obligations of marriage. Each chapter includes a Guide for the Counselor, which lists the kinds of evidence that will be requested by the tribunal. REV. PAOLO BIANCHI, born in Milan, Italy, in 1954, holds a degree in Canon Law from the Pontifical Gregorian University and is judicial vicar for the ecclesiastical region of Lombardy. He is the author of many articles on matrimonial law.
