Leslie Halliwell

Bad Mormon Heather Gay, 2023-02-07 The funny, brash, and vulnerable memoir from the star of Bravo's *The Real Housewives of Salt Lake City* bravely explores her leaving the Mormon Church and her journey to success in business, television, and single motherhood. Straight off the slopes and into the spotlight, Heather Gay is known to dish God's honest truth. Whether as a businesswoman, mother, or television personality, Heather is unafraid to blaze a new trail, even if it means losing family, friends, and even her church. A born and bred Mormon, Heather did everything that was expected of her and then some. From an eighteen-month mission to attending Brigham Young University and marrying into church royalty, Heather was the ultimate good Mormon. But her seemingly perfect life was upended when her husband unexpectedly filed for divorce and she suddenly found herself struggling to find healing after heartbreak and accomplishment after abandonment. Now, with her signature witty, compassionate, and charming voice, Heather recounts her difficult but rewarding experiences navigating life post-divorce and post-Mormonism. She explores the challenges of raising strong women despite feeling broken and teases out the complicated relationship between duty to self and duty to God. An honest, witty, and ultimately healing memoir, *Bad Mormon* is an unputdownable read in the vein of *Unveiling Grace*, *What Remains*, and *One Day You'll Thank Me*--

Bad Mormon Heather Gay, 2023-03 Drinking and Tweeting meets Unorthodox in this vulnerable memoir about *The Real Housewives of Salt Lake City* star's departure from the Mormon Church, and her unforeseen success in business, television, and single motherhood. But her life as a good Mormon abruptly ended when she lost the marriage and faith that she had once believed would last forever. With writing that is beautiful, sad, funny, and true, Heather recounts the difficult discovery of the darkness and damage that often exists behind a picture-perfect life, while examining the nuanced relationship between duty to self and duty to God. Exposing secrets she once held sacred, *Bad Mormon* is an unfiltered look at the religion that broke her heart. A revealing and ultimately hopeful memoir, *Bad Mormon* is a captivating read in the vein of *Untamed*, *Educated*, and *Me Talk Pretty One Day*.

Good Time Girl Heather Gay,2025-11-25 The instant New York Times bestselling author of the “raw and revealing” (Interview magazine) Bad Mormon, and star of The Real Housewives of Salt Lake City and documentary series Surviving Mormonism, returns with a hilarious and candid national bestseller about life and love as a former Mormon, mother, and reality TV star. In the “confident debut” (The Daily Beast) Bad Mormon, Heather Gay pulled back the veil on her orthodox adolescence and marriage in the Mormon Church, and the painful process of leaving it all behind. Becoming a successful business owner and reality TV star gave the single mom of three a second lease on life. After years of living in an insular bubble, Heather emerged bright-eyed, eager to take on the world...no matter how ill-equipped her upbringing might have left her. Now, in this provocative and laugh-out-loud funny follow-up, the mother of three proves that she isn’t just a Bad Mormon—she’s also a Good Time Girl. With her “thoughtful, smart, and funny” (Kirkus Reviews) writing, Heather recounts the humorous trysts, mishaps, and serendipitous success she’s found as a life-long reveler in all things indulgent. From illicit high school trips to Tijuana and awkward dates set up by her overzealous costars, Good Time Girl is a charming and intimate meditation on community, love, independence, womanhood, and—most importantly—second chances.

The Politics of Individualism Christopher F. Karpowitz, Kelly D. Patterson, 2025-10-03 The *Politics of Individualism* demonstrates how individualist attitudes drastically reduce the possibility that people will defer to the decisions and practices of civic and political institutions, therefore threatening the stability of democratic society. Modern American justifications for individual decisions are often rooted in skepticism toward authority and the influence of social institutions. Examining this moral dimension of individualism, political scientists Christopher F. Karpowitz and Kelly D. Patterson argue that attachment to this form of the individualist attitude poses significant risks to the maintenance of democratic practices and institutions.

CHRISTIAN EDUCATION Dr. Akeam Amoniphis Simmons Th.D Ph.D Psy.D, 2025-08-10 This book is a must read for all

those that are seeking to truly walk in the foot-steps of Jesus. Dr. Simmons, a known Theologian, out-lines the true scope of the religion that The Apostle Peter started in Rome. He traces back to where Christianity started, and how it deviated from its true purpose. Dr. Simmons exposes how and why men of the clergy changed and interpreted scripture wrongfully to suit their own purposes. How they intentionally led people astray through various religions such as Calvinism, different denominations, Catholicism, and Protestants. They all have adopted and doctored scriptures to suit their own wants and needs- and all of them suppose that they are right and have the True Religion. He out-lines the cause of our gross deviation from Scripture, and how do we revamp ourselves from where we have fallen. He discusses the danger of a watered-down Gospel whose attempt is to please the masses.
