**The Dictators** Iain Dale, 2024-09-05 \*\*IAIN DALE'S LATEST COLLECTION OF ESSAYS: AVAILABLE TO BUY NOW\*\*

Praise for Iain Dale: 'Riveting and enlightening. A history lesson via a novel route.' 'Really enjoying reading this book. It is easy to dip in and out and each chapter is well written.' 'Illuminating yet balanced' 'Were the signs that Putin is a ruthless dictator there all along? How should we deal with President Xi of China? Given the world seems to be moving more and more towards authoritarian rule, this is the right moment to seek warnings, and lessons, from history. In *The Dictators*, Iain Dale brings together 64 essays by historians, academics, journalists and politicians about elected and unelected dictators, wartime and peacetime dictators, those driven by ideology and those with a reputation for sheer brutality. How did these tyrants, autocrats and despots seize power - and how did they exercise it? And how did they lose it? Very few dictators die peacefully in their own beds, after all. Only by examining these figures from the 6th century BC to the present, from ancient Greece to present day Saudi Arabia, do patterns start to emerge. We can see the shared character traits, the common conditions, the patterns of behaviour that have enabled dictators to seize power - time and time again. *The Dictators* is acutely relevant to world politics today: it is indeed a warning from history. Will we take heed? Or will history, in fact, teach us that history teaches us nothing?

*Tito* Vladimir Dedijer, 2018-12-01 THE STORY, TOLD LARGELY BY HIMSELF, OF MARSHAL TITO OF

YUGOSLAVIA—THE MAN WHOM STALIN MOST HATES AND FEARS THE FIRST BIG HOLE in the iron curtain was cut in 1948 by Marshal Tito and the Yugoslavian people when they walked out of the Cominform, defying Stalin, the Red Army, and Moscow's secret police. This was the first rebellion of a Soviet satellite state. It is not likely to be the last. Here is the only authentic inside story of this decisive moment in modern history, told in the context of Tito's life, with about forty per cent of the text in Tito's own words, recorded by one of his closest friends. Here is the story of Tito's personal relations with Stalin, how the leaders of the Communist world would drink and talk and joke with each other, how Stalin felt about the Communists in Greece and China, the true stories of Dimitrov, Gomulka, Anna Pauker and the fierce struggle for power which goes on among the rulers of the Communist world. No other man has seen this world on the top level and survived to

tell it. It is told here in the exciting story of the life of an itinerant machinist who wandered around Europe, Russia and the revolutionary movement until Hitler's attack on his country in 1941 threw him into leadership of the Yugoslav Partisan Army.

The Soul of a Shoemaker Susan Cork,2022-10-31 A Shoemaker struggles to survive in an oppressed society. Can he outsmart the brutal regime before he becomes the next victim? In 1950s Yugoslavia, master cobbler Frank Katana must make a harrowing decision: stay and face certain death, or flee to Canada and leave everything he knows and loves behind. But in a new country, Frank must navigate the struggles of building a new life and the ache of longing for his family, his true love and his homeland in this heart-wrenching story of survival and sacrifice. My father, Frank Katana, escaped communist Yugoslavia on foot over sixty years ago and found his way to Canada, where he started a shoe empire. He left everything behind to escape from a brutal regime. He believed he would have a better life for himself and his family if he could have the opportunity to thrive in a free country. This story is a glimpse into his life on the farm, his challenges living under the communist dictatorship in Yugoslavia, and his dramatic escape to freedom in Canada. *The Soul of a Shoemaker* is a fascinating story, an homage, and a retelling of my father's journey to Canada with absolutely nothing in his pockets and how he built something spectacular. Born early in 1932, in the Croatian part of Yugoslavia, to parents who were farmers, Frank Katana apprenticed with shoemakers after the devastating war. I was the only one who could never really adapt to the farm life. I was always looking for something easier than farming. I always wanted to achieve something on my own, whether in Austria or somewhere else. The somewhere else would be Canada, but not without the kind of horrifying close calls once so familiar to people who attempted to leave Eastern Europe and so unknown to most Canadians. The painful memories of escape and resurgence in the new world are still there, but so is the drive that made it possible.

**Tito's Secret Empire** William Klinger,Denis Kuljis,2022-05-01 This groundbreaking biography of Marshal Tito of Yugoslavia presents many startling new revelations, among them his role as an international revolutionary leader and his relationship with Winston Churchill. It highlights his early years as a Comintern operative, the context for his later politics as a leader of the Non-Aligned Movement (NAM). The authors argue that in the 1940s, between the dissolution of the Comintern

and the rise of NAM, Tito's influence and ambition were far wider than has been understood, extending to Italy, France, Greece and Spain via the international Communist networks established during the Spanish Civil War. Klinger and Kuljiš disclose for the first time the connection between Tito's expulsion from the Cominform and the Rome assassination attempt on the Italian Communist Party leader, Palmiro Togliatti--the man who had plotted to overthrow Tito. Tito's Secret Empire offers a pivotal contribution to our understanding of Tito as a figure of real, rather than imagined, global significance. This dazzlingly original book will reward all those who are interested in the history of international Communism, the Cold War and the Non-Aligned Movement, or in Tito the man--one of the most significant leaders of the twentieth century.
