Angels of Death Gary C. King, 2003-09-15 The Accused: 13-year-old Derek King and his 12-year-old brother, Alex, Sunday school students with choirboy looks. After midnight on November 26, 2001, someone bludgeoned Terry King to death while he slept, and set his Florida home afire. By the time the firefighters extinguished the blaze, King's sons, Alex, 12, and Derek, 13, were at the home of their forty-year-old friend, Ricky Chavis, a convicted child-molester. By the next afternoon, following confessions, both boys were charged as adults in their father's slaying. Chavis was tried separately for the same crime—incriminated by the same attorney who would prosecute Alex and Derek, and argue two contradictory theories. The Victim: Their own father. When Alex divulged his sexual relationship with Chavis, the trial took a sensational turn. So did Alex and Derek, who recanted their confession and blamed Chavis to no avail. A jury convicted the boys of second-degree murder, but the judge threw the verdict out. Chavis was acquitted. But the case wasn't over. As more disturbing revelations came to light, as criminal motives became more complex, and as the line between guilt and innocence was crossed, a stunned nation watched in disbelief to learn the ultimate fate of the...Angels of Death.

The Real Story Sarah Statz Cords, Robert Burgin, 2006-03-30 Here is your road map to the vast and previously uncharted terrain of recreational nonfiction. After defining the genre and discussing its unique characteristics and appeals, the author describes more than 500 popular nonfiction titles and organizes them according to genre. Everything from true adventure, true crime, and travel narratives to investigative nonfiction, environmental writing, and life stories. Genres are subdivided into subgenres and popular themes, such as micro-histories, deep science, and humorous memoirs. Focus is on the best titles published within the last decade, with key classics and benchmark titles also cited. For each title you'll find a short list of nonfiction read-alikes; and fiction read-alikes are listed for each genre.

*Murder of Innocence* Joel Kaplan, George Papajohn, Eric Zorn, 2017-03-08 Early on a May morning in 1988, Laurie Dann, a thirty-year-old, profoundly unhappy product of the wealthy North Shore suburb of Chicago, loaded her father's car with a cache of handguns, incendiary chemicals, and arsenic-laced food. Driven by fear and hate, she was going to make something terrible happen. Before the end of the day, Dann had blazed a murderous trail of poison, fire, and bullets through the unsuspecting town of Winnetka, Illinois, and other North Shore suburbs. She murdered an eight-year-old boy and critically wounded 5 other children inside an elementary school. It finally took a massed force of armed police to end the killing. The

shocking story of innocence destroyed by a rich young babysitter inexplicably gone mad made headlines all across the nation and inspired at least two psychotic killers to follow her example. What led her to do it? Could she have been stopped? The case raised a host of agonizing questions that have remained unanswered—until now. In this book, three Chicago Tribune reporters who covered the Laurie Dann tragedy have pulled together all the available police evidence, unearthed valuable psychiatric information, and interviewed at length scores of people who knew Dann, many of whom had never before spoken to the media about this case. Despite clear and ominous warning signs, a young woman of beauty and privilege was allowed to deteriorate and go slowly berserk—and no one stopped her. Her parents, her doctors, and the police officers who knew her pathological behavior all failed her at critical times. By its passivity and silence, a community comfortable and quiet on the surface, yet reluctant to admit its underlying flaws, became an unwitting accomplice to the final rampage of Laurie Dann. **MURDER OF INNOCENCE** is a searing portrayal of a family—and a society—unable to cope, and of a young woman who wanted all too desperately only to be loved.

**True Stories of Law & Order** Kevin Dwyer, Juré Fiorillo, 2006-11-07 True Stories of Law & Order reveals the fascinating and shocking facts behind 25 of the hit show's most popular episodes - from the incredible account of how a woman's repressed memory leads to the solving of a 30-year-old cold case to the high-profile investigation of tranvestite millionaire Robert Durst. And just like in Law & Order, the actual crime is just the beginning, as you follow these cases from the initial stages of the investigation through the trial and up to the often controversial verdicts. Part of the reason millions of fans tune in to Law & Order is the gritty realism of its storytelling. The monumentally popular show has included many episodes inspired by actual cases ripped from the headlines - true crimes that are often stranger and more chilling than fiction.
