The Way Ahead 5 Kaleb England,2023-09-25 An old enemy threatens to destroy everything Edwin has achieved in the final installment of this witty and inventive blend of science, fantasy, and LitRPG. Life in Joriah isn't exactly easy . . . especially since it's only been two years since Edwin Maxlin fell out of the sky and crash-landed in this strange, magical world. Still, despite some near-fatal challenges, he's managed to make pretty good use of his time. Drawing on his innate blend of curiosity and perseverance, he's learned spellcasting, forged alliances, and even formed a motley crew of adventurers with whom to journey. Unfortunately, not all of Edwin's exploits have been positive, and a particularly nasty blast from his past has unexpectedly reappeared. It turns out the outlaw alchemist Niall isn't as dead as Edwin thought. And while Edwin's been leveling up his skills and learning to fly, Niall's been perfecting a dangerous type of enchantment. Now, if our unlikely hero hopes to not only save his own skin but also keep his crew from being ripped apart at the seams, he'll need to draw on every last reserve of cunning and creativity to stop a man who's truly out for blood. Another irresistible entry in the must-read series, *The Way Ahead 5* is the heart-pounding conclusion of a progression fantasy known for flawless world-building, unforgettable characters, and an ingenious blend of magic and science. The fifth volume of the hit LitRPG adventure series—with almost four million views on Royal Road—now available on Audible and wherever ebooks are sold!

The Way Ahead 3 Kaleb England,NorskDaedalus,2022-12-26 Outsider Edwin Maxlin must play a tricky game of politics to level up his alchemy skills in the third book of this witty LitRPG fantasy series. Like any good student of science, Edwin Maxlin knows there's no better way to gain knowledge than through trial and error. But if his trials since being magically transported from Earth to the land of Joriah have taught him anything, it's that he doesn't have much room for error. Edwin has spent a year in the Verdant now, working with a strange, but seemingly benevolent, fey Inion to get a grasp on how skills, paths, and mana operate in his new home. He's finally ready to leave the relative comfort of the wild and venture into the cities of the Lirasian Empire to take his alchemical and healing abilities to the next level. But training with an alchemy guild isn't as easy as it may seem. Not only will Edwin need all his talents—magical and scientific alike—to stay ahead in his studies, he'll have to tread carefully to avoid attracting too much attention from guildmasters, governors, even the Emperor himself. Because Outsiders aren't common in Joriah, and Edwin's very existence could be seen as a threat . . . The continuation of an imaginative, addictive, and altogether entertaining adventure, *The Way Ahead 3* is perfect for fans of role-

playing games, epic fantasy, and, of course, the scientific method. The third volume of the hit LitRPG adventure series—with more than three million views on Royal Road—now available on Audible and wherever ebooks are sold!

The Way Ahead 4 England,NorskDaedalus,2023-05-29 As he navigates a strange new world, Edwin weighs forming alliances and deciding who to trust, in the fourth book of this smart, entertaining fantasy series. Ever since Edwin Maxlin literally fell out of the sky and landed in Jorlah, life has been a little bit complicated. For one thing, he's adapting to a new world that's nothing like Earth. For another, he's learning magic, leveling up skills, and adjusting his scientific knowledge to a whole new set of natural rules. Plus, he's an outsider maneuvering the dangerous politics of an empire he knows zilch about. No wonder he hasn't had much time to rest. Having devoted himself to training and studying (when he's not building incredible new inventions!), Edwin's finally starting to get somewhat of a handle on all his new abilities—with the help of fellow adventurer Lefi and water naiad Inion. But as his quest for improvement brings him closer to the mysterious and mystically powerful Rillah, he's faced with a new set of obstacles. Because in a world where his very existence could make him a target, Edwin must be very careful about who he lets get close . . . Effortlessly combining elements of high fantasy, character-driven storytelling, and the scientific method, *The Way Ahead 4* is the fun, funny, and fantastically addictive next chapter of a remarkable quest. The fourth volume of the hit LitRPG adventure series—with more than 3.5 million views on Royal Road—now available on Audible and wherever ebooks are sold!

Attack of the Drowned Maggie Marks,2019-11-12 Introducing the second novel of the brand-new series about the aquatic world of Minecraft! Brothers Mason and Asher have only ever known the comfort of dry land in the Overworld. But when a terrifying shipwreck leaves them stranded, their new friend Luna urges them to safe haven—underwater. In each story of the all-new series for Minecrafters, Aquatic Adventures in the Overworld, this unlikely trio must make the choice of staying in the world they know best and risk death, or voyaging into an unknown world where anything could happen. Follow their journey as Mason, Asher, and Luna face incredible obstacles and discover strength they never knew they had in Aquatic Adventures in the Overworld. In the second novel of their aquatic adventures, Mason and Asher's underwater base seems safe and peaceful, except for the fish-beast guardians that swim past. But when glowing eyes appear—watching the brothers through their glass walls—they realize they're trapped. The Drowned are everywhere! Food is running low and a leaking roof threatens to cave in. Will Luna arrive in time to help, or will Mason need to leave his home and face the Drowned head-on?
