Faith-Based Organizations in Transnational Peacebuilding Tanya B. Schwarz, 2018-03-23 How do faith-based organizations influence the work of transnational peacebuilding, development, and human rights advocacy? How is the political role of such organizations informed by their religious ideas and practices? This book investigates this set of questions by examining how three transnational faith-based organizations—Religions for Peace, the Taizé Community, and International Justice Mission—conceptualize their own religious practices, values, and identities, and how those acts and ideas inform their political goals and strategies. The book demonstrates the political importance of prayer in the work of transnational faith-based organizations, specifically in areas of conflict resolution, post-conflict integration, agenda setting,

and in constituting narratives about justice and reconciliation. It also evaluates the distinctive strategies that faith-based organizations employ to navigate religious difference. A central goal of the book is to propose a new way to study “religion” in international politics, by actively questioning and reflecting on what it means for an act, idea, or community to be “religious.”

Spiritual Warfare Chris Ojigbani, 2009-02 Being a Christian is not a guarantee that you will receive all your heart desires. Though God wants you to receive all your heart desires, you must conform to the principle of Spiritual Warfare before you can receive them. The physical is governed by the spiritual. For you to control your physical environment, you have to win your Spiritual Warfare. If you want to enjoy good health, prosper in the area of marriage, prosper financially, or receive any desire of yours, you must win your Spiritual Warfare. Unfortunately, very many people neither know what Spiritual Warfare really means nor how to wage the war. Some even call it 'warfare prayers'. Though prayer is very important, it has nothing to do with Spiritual Warfare. This explains why many pray so much and still experience lack. If Spiritual Warfare were about prayers, you probably wouldn't have any of your needs unmet - because I believe you must have prayed very hard. If Spiritual Warfare is not about prayers, what then does it mean? This book contains a shocking revelation of the actual meaning of Spiritual Warfare and how to wage the war successfully. Pastor Chris Ojigbani is the Senior Pastor of Covenant Singles and

Married Ministries. God commissioned him to liberate marriages through the preaching of the Word. He and his wife Uche, who is also involved in the ministry, live in Lagos, Nigeria. Winning the War Through Prayer C. Fred Dickason Th. D., 2016-10-25 No more general, routine, and unfocused praying. This book lays the foundation for engaging in spiritual warfare by effective, pointed, biblically based prayer. Part I presents in the first chapter a solid theological foundation, treating worldview, the reality of the spirit world, and our resources. The next chapters show the place of prayer in warfare and delineate some strategies, tactics, and cautions. Part II suggests some pattern warfare prayers for personal, church, and world needs. Believers have used some of these very effectively to see the Lord intervene and remove oppression and obstacles. "Winning the War through Prayer is like a bucket of cold water thrown onto a largely lukewarm Church. For those who have already experienced the power of demonic forces and the triumph of Christ, this book will give them more practical knowledge of how to confront the enemy. For those who have ignored the biblical teaching about our invisible war, such readers will be jolted in to reality. Their eyes will be open to a new level of spiritual discernment and a new way of praying that is directed against the forces that seek to destroy us" (Dr. Erwin Lutzer). "In my evaluation, this book is the best presentation of biblical warfare praying that has been written. God has use Fred to write an articulate, doctrinally sound, biblical call to warfare praying that exceeds anything yet written—an academic and

biblical study, a very useable and much needed document” (Dr. Mark I. Bubeck).
