The Devil Within Brian Levack, 2020-08-11 A fascinating, wide-ranging survey of the history of demon possession and exorcism through the ages. In the sixteenth and seventeenth centuries, the era of the Reformation, thousands of Europeans were thought to be possessed by demons. In response to their horrifying symptoms—violent convulsions, displays of preternatural strength, vomiting of foreign objects, displaying contempt for sacred objects, and others—exorcists were summoned to expel the evil spirits from victims' bodies. This compelling book focuses on possession and exorcism in the Reformation period, but also reaches back to the fifteenth century and forward to our own times. Entire convents of nuns in French, Italian, and Spanish towns, thirty boys in an Amsterdam orphanage, a small group of young girls in Salem, Massachusetts—these are among the instances of demon possession in the United States and throughout Europe that Brian Levack closely examines, taking into account the diverse interpretations of generations of theologians, biblical scholars, pastors, physicians, anthropologists, psychiatrists, and historians. Challenging the commonly held belief that possession signals physical or mental illness, the author argues that demoniacs and exorcists—consciously or not—are following their various religious cultures, and their performances can only be understood in those contexts. Riveting [and] readable . . . must-reading for students of history, psychology and religion. — Publishers Weekly Levack, a distinguished historian of early modern witchcraft, now sets exorcism in a long historical perspective, providing the most comprehensive and scholarly overview of the theme yet published. —Peter Marshall, Times Literary Supplement

Spiritual Warfare Preston T. Bailey, 2008-05 SPIRITUAL WARFARE: Defeating the Forces of Darkness is a theological and practical book on overcoming the attacks of the Devil. Christians need to use the many spiritual resources that the Lord of Hosts, the Commander in Chief of the heavenly army, has provided for us to defeat the attacks of the Wicked One. Dr. Bailey describes the nine different types of attacks by demons along with how to respond to each type of attack in order to have victory. He also describes Satan's organizational structure of demons and how they scheme to attack people. Dr. Bailey has appeared on numerous television shows and was the producer and host of a weekly series called The Christian Counselor. He has trained police departments about Satanic Ritual activities and been a consultant with law enforcement on occult related crime. He was appointed by the Governor as Chairman of the Task Force on Child Abuse and later appointed on the Juvenile Anti-crime Task Force that helped reduce juvenile crime in Florida. Since he has many years of experience in dealing with

most types of occult and satanic related groups, he has done numerous seminars in churches and Christian organizations on the subject. Dr. Bailey also has counseled thousands of demonized people and hundreds of people who were ritually abused. Since he has led many Satanists, witches, warlocks, and those involved in the occult to Christ, his insight into the occult has helped him train thousands of Christian counselors in Europe, Canada, and throughout the United States and minister to those who have been demonized. God has given him many unique experiences that he has shared in this book which will enrich your life and reveal startling truths about spiritual warfare and how to have victory over the attacks of Satan.

The Seven Demon Princes of Hell Reuben Batanai Mushaike, 2020-01-14 As twins, Satan and Jehovah are both heir to the heavenly throne, a situation destined never to end well. Satan is a young boy like any other, whose birthright is taken away by his father and given to his younger brother, Jehovah. Confused and unloved, he battles through a rough childhood. Under the tutelage of Diablo their cunning servant, he grows into his name, an adversary of the throne who is willing to do anything to protect his birthright. This is a story of how it all began. Of how the two brothers came to despise each other so much, culminating in the creation of the seven demon princes of hell, but not before the one to be later known as the devil had conceived his own children, us. Are any of the two brothers actually evil? Does a person's childhood shape whom he becomes? Is it enough to justify his actions today? Who is the true heir to the Heavenly throne? All this you will have to decide for yourself. This beautiful story forms the fulcrum of two separate yet interconnected series of novels, *The Seven Demons of Hell* and *Children of the Devil*.
