**Protecting You** Claire Kingsley, 2020-05-21 One night brings them together. Another night tears them apart. Grace Miles misses her easy friendship with Asher, but growing up means growing apart. And really, how could he fall for her when they spent their childhood getting muddy in the creek and splitting sticks of gum? But this summer, something feels different. If Grace didn't know better, she'd think Asher was flirting with her. Those dark eyes, hard body, and wicked smile make her insides swirl and her heart dare to hope for things she's convinced herself she'll never have. Falling for your best friend shouldn't be complicated, but for Asher Bailey, loving Grace is anything but simple. The road to romance isn't smooth thanks to his pack of wild brothers who are protective of the girl next door, a take-no-sass grandmother, a small town where gossip is a spectator sport, and a feud that spans generations. But Asher realizes his feelings are too big to ignore. Loving her isn't the risk. Losing her would be. And one night, one kiss, changes everything. Finally admitting their feelings is the beginning of their happily ever after. Until their fairy tale love story is tragically interrupted, and neither of them will ever be the same. Author's note: Lifelong soulmates, ridiculous pranks, brother shenanigans, and a feuding town. *Protecting You* is the Bailey Brothers series origin story. Be there when it begins and fall in love with this wild band of unruly brothers. The series is meant to be read in order, and Grace and Asher's story concludes in *Fighting for Us*.

**Protecting You & Fighting for Us** Claire Kingsley, 2024-08-01 Die emotionale Geschichte von Asher und Grace erstmals in einem E-Book Bundle. *Protecting You* - Eine Nacht vereint sie. Eine Nacht trennt sie. In ihrer Kindheit waren Asher und Grace beste Freunde, die sich alles erzählt und alles miteinander geteilt haben. Jetzt sind sie erwachsen und Grace studiert in einer anderen Stadt. Asher vermisst sie sehr und als sie im Sommer nach Hause kommt, ist plötzlich alles anders. Er sieht nicht mehr nur die beste Freundin in ihr, sondern auch die wunderschöne, erwachsene Frau. Doch Asher möchte ihre Freundschaft nicht riskieren. Nicht in einer Kleinstadt wie Tilikum, in der sich alle kennen und Klatsch und Tratsch ein Volkssport ist. Dazu noch seine wilden Brüder, denen nichts entgeht, und Intrigen, die sich über Generationen erstrecken. Ihre Liebe hätte wahrscheinlich keine Chance. Grace zu lieben ist ein Risiko. Sie zu verlieren ist seine größte Angst ... *Fighting for Us* - Wie lange würdest du auf die Liebe deines Lebens warten? Asher ist nicht mehr derselbe Mann wie damals, als er Grace den Ring gab. Zuviel ist seitdem geschehen. Doch er hat sich nicht unterkriegen lassen und ist größer, härter und stärker geworden. Nun ist er zurück in Tilikum und für den ganzen Ort das einzige Gesprächsthema. Mit Klatsch

und Tratsch hat Asher gerechnet, nicht aber damit, dass Grace immer noch seinen Ring trägt und all die Jahre auf ihn gewartet hat. Doch Asher fällt es schwer zu lieben, zu vertrauen und jemanden in sein Herz lassen. Für Grace war ihr Märchen nur unterbrochen und sie will ihn eines Besseren belehren. Wird es Asher gelingen, die Dämonen in seinem Inneren zu bezwingen? Die ersten beiden Bände der Bailey Brothers Reihe von Bestsellerautorin Claire Kingsley. Wir empfehlen die Titel in der richtigen Reihenfolge zu lesen.

Researching Domestic Abuse and Sexual Violence Claire McLoone-Richards,2023-08-25 This book offers a critical

examination of the ethical and moral challenges in conducting research about domestic abuse or sexual violence from the perspectives of studentpractitioners and novice researchers within various professional disciplines, offering rich insights based on the experiences of each author. Including the research expertise of academics in this field and importantly, the experiences of student-practitioners in conducting their research, the book explores practice-informed research and research-informed practice, in relation to the examination of a range of issues and themes related to DA and SV. All contributors consider the challenges and reflect on the salient issues related to their ethical research, and with some of the research conducted during the global pandemic of COVID-19, they also reflect on these additional challenges and how they sought to address them. The reader is invited to consider the different national and international, gendered, cultural, and social contexts of DA and SV from early childhood to old age. With a constant thread of critical reflection, they are encouraged to think about their own positionality to the unfolding discussions within each chapter, and how these may relate to their professional practice, their research, and their professional values. Overall, the book sets out to (1) articulate the dominant theoretical frameworks that have sought to offer explanations about domestic abuse and sexual violence within the research problems presented by the student-practitioners, (2) evaluate the significance of the legislation and policy provision within the UK in service provision and interventions for victims and perpetrators, (3) showcase best practice examples of research studies on domestic abuse and sexual violence based on the experiences of studentpractitioners, (4) promote a critical appraisal of the self and the positionality of the practitioner as researcher, through reflection on their personal and professional development, and (5) reflect on the impact of the shadow pandemic on the experiences of vulnerable individuals and the challenges of conducting research ethically and safely. This is essential reading for students either currently engaged in or with aspirations to work in professional practice in the DA and SV sectors. It is also useful for students on related graduate MA professional courses, practitioners in social work, health care, criminal justice, counselling, and particularly in the multi-faceted 'women's sector'. It will also appeal to final-year students undertaking primary research in social work, health care, women's studies, and criminology.
