Communicating Across Boundaries Ramesh N. Rao, Avinash Thombre,2021-12-13 India is a multifaceted, multicultural nation with a rich tradition of ethnic, religious, linguistic, social and cultural mores, beliefs and practices. What has allowed for such a rich diversity of people and what have been the challenges to effective communication between and among these groups? India is also Bharat, and where does the twain meet between the imagined and the real India and the imagined and the real Bharat? This book offers insights into understanding how we deal with difference, how we perceive one another and what we do about religious, caste and regional conflicts using the lens of “communication studies”. It can be read by both intelligent and lay readers as well as students of communication, culture and other social sciences.

The Essentials of Hinduism Trilochan Sastry,2022-10-17 Hinduism is an ancient religion, philosophy and way of life. Unlike other great religions that are based on a small set of books, there are hundreds of texts in Hinduism, most of which are very voluminous. They span not merely centuries, but millennia. And most importantly, these ancient scriptures are all in Sanskrit which many do not know. Therefore for a beginner with an interest in Hinduism it is a daunting task as you don't know where to start such a study. In The Essentials of Hinduism, Trilochan Sastry unpacks all the ancient texts from the Vedas to the epics covering the entire range of scriptures and everything you need to know about them in an easy-to-read and accessible way making it of special interest to Hindus and those from other religions and nations, and even those who

are agnostic or atheistic.

Sanathana Sarathi English Volume 03 (1980 to 1989) Sri Sathya Sai Media Centre, 2022-11-09 Started in 1958, Sanathana Sarathi is a monthly magazine devoted to Sathya (Truth), Dharma (Righteousness), Shanti (Peace) and Prema (Love) - the four cardinal principles of Bhagawan Baba's philosophy. It is published from Prasanthi Nilayam (the Abode of Highest Peace) and acts as a mouthpiece of Baba's Ashram as it speaks of the important events that take place in His sacred Abode, besides carrying Divine Messages conveyed through Divine Discourses of Bhagawan Sri Sathya Sai Baba. The word meaning of Sanathana Sarathi is the 'Eternal Charioteer'. It signifies the presence of the Lord in every being as the atma guiding their lives like a charioteer. It implies that he who places his life, the body being likened to a chariot, in an attitude of surrender in the hands of the Lord, will be taken care of by the Lord even as a charioteer would take the occupant of his chariot safely to its destination. The magazine is an instrument to disseminate spiritual knowledge for the moral, physical and mental uplift of humanity without any discrimination as the subject matter discussed therein is always of common interest and of universal appeal. The fifteen Vahinis - streams of sacredness - known as the Vahini Series comprising annotation and interpretation of the Upanishads and other scriptures, Itihasas like the Ramayana, the Bhagavatha and the Mahabharata, and authentic explanations on Dhyana, Dharma, Prema, etc., have been serially published in this magazine as and when they emanated from the Divine pen of Bhagawan Baba. This magazine is published in almost all Indian languages, English and Telugu from Prasanthi Nilayam and others from respective regions. Every year Sanathana Sarathi comes out with a special issue in November commemorating the Divine Birthday. The English and Telugu magazines are posted on the 10th and 23rd respectively, of every month, from Prasanthi Nilayam. This magazine has wide, ever increasing circulation in India as well as abroad, as the study of it brings the reader closer to the philosophy of the Avatar in simple understandable language **THUS SPAKE SAI...** Discoursing during the launch of Sanathana Sarathi... From this day, our Sanathana Sarathi will lead to victory the cohorts of truth - the Vedas, the Sastras and similar scriptures of all faiths, against the forces of the ego such as injustice, falsehood, immorality and cruelty. This is the reason why it has emerged. This Sarathi will fight in order to establish world prosperity. It is bound to sound the paeon of triumph when universal Ananda is achieved.

incarnaTe R.A. Varghese, 2016-11-05 incarnaTe - How We Know That Jesus is God and Man/Top 10 Reasons seeks to show that Jesus of Nazareth can be understood only as the human locus of the Divine. Today not just skeptics but many theologians have rejected the traditional affirmation that Jesus is God and man. Yet neither group is aware of the infrastructure of hard facts that testifies to the truth of divine incarnation. The insight that Jesus is God incarnate imposes

itself on the human mind once it considers the various phenomena explored here. Once the dots are connected, we cannot but see the picture. But we cannot see the picture if we ignore the relevant dots. You have to see the trees to see the forest! All applicable evidence - the world religions, world history, Jewish history, the experience of Christians through the centuries, the Gospel narratives, the practice of the first Christian communities, the logical coherence of saying that a certain Person is both divine and human - must be submitted and studied as one whole.
