## Sarah Ban Breathnach

**Romancing the Ordinary** Sarah Ban Breathnach, 2003 ROMANCING THE ORDINARY is organised as a yearbook, celebrating a spirituality of the senses seasonally, monthly and weekly. Sarah Ban Breathnach introduces the concept that women are endowed with not five, but seven senses: Sight, Hearing, Taste, Touch, Scent, Knowing and Wonder. Each day's reflection, each week, will highlight one of the senses drawing on the natural and supernatural worlds. By exulting in the ecstatic experience of daily life, by romancing your soul - working out what excites or moves you to tears, what makes your heart miss a beat, your knees shake and soul sigh - Sarah Ban Breathnach shows you how to embrace your magical, mystical, sensitive and spiritual Essential Self, restoring weary and jaded feminine souls.

**Romancing the Ordinary** Sarah Ban Breathnach, 2001-01-01 The latest book from the author of phenomenal bestsellers Simple Abundance and Something More takes readers on the next step of their spiritual journey and shows them how to come to their senses and indulge in the splendor of the ordinary. I took the tatters of my life and created something incredible using my mindset alone. I did it with tiny newborn twins and a toddler in tow. I did it on my own. I did it with no money and with no coaches, courses or retreats - and so can you! Successful author, entrepreneur and podcast host Francesca Amber is on a mission to make manifesting accessible to the most time-poor and overworked demographic in our society: MOTHERS. Having used manifesting to go from being a single mum of three who lost her business during COVID, to a highly successful entrepreneur and host of a no. 1 hit podcast, Francesca has created to help you take control of your life as well and achieve the life you want. Covering all the basics of manifesting, this book offers you so much more, showing you how your home

environment, the way you dress, energetic spending, micro habits and divine feminine energy can all help you turn your dreams into an abundant reality. Written with Francesca's signature humour, this practical and relatable guide to manifesting takes you on an inspirational journey, teaching you how to intentionally design a life you LOVE, in a way that fits into your own busy schedule.

Manipulation Elizabeth Lieurance, 2014-05-13 Relationships can be tough, and none of us are experts. Add the challenges of falling victim to manipulation to the normal complexities of our connection with others, and many of us may find we are tired of struggling to make our relationships work. A solitary life is rarely a satisfying one, however. Learning to identify and cope with manipulation can reintroduce us to the pleasure we were meant to experience when sharing our lives. Authentic relationships require us to honor our own needs and truths as well as those of others. This book encourages us to take back the power we may have relinquished by being manipulated, allowing us to regain the joy that can be found in healthy interdependence.

Living the Life Unexpected Jody Day, 2016-02-25 'The book to recommend to patients when they face coming to terms with unavoidable childlessness.' - British Medical Journal In *Living the Life Unexpected*, Jody Day addresses the experience of involuntary childlessness and provides a powerful, practical guide to help those negotiating a future without children come to terms with their grief; a grief that is only just beginning to be recognized by society. This friendly, practical, humorous and honest guide from one of the world's most respected names in childless support offers compassion and understanding and shows how it's possible to move towards a creative, happy, meaningful and fulfilling future - even if it's not the one you had planned. Millions of people are now living a life without children, almost double that of a generation ago and the numbers are rising still. Although some are childfree by choice, many others are childless due to infertility or circumstance and are struggling to come to terms with their uncertain future. Although most people think that those without children either 'couldn't' or 'didn't want' to be parents, the truth is much more complex. Jody Day was forty-four when she realized that her quest to be a mother was at an end. She presumed that she was through the toughest part, but over the next couple of years she was hit by waves of grief, despair and isolation. Eventually she found her way and in 2011 created Gateway Women, the global friendship and support network for childless women which has now helped almost two million people worldwide. This edition, previously titled *Rocking the Life Unexpected*, has been extensively revised and updated, with significant additional content and case studies from forty involuntarily childless people (mostly women) from around the world.

**Shanghai Modern** Leo Ou-fan Lee, 1999-09 In the midst of China's wild rush to modernize, a surprising note of reality arises: Shanghai, it seems, was once modern indeed, a pulsing center of commerce and art in the heart of the twentieth century. This book immerses us in the golden age of Shanghai urban culture, a modernity at once intrinsically Chinese and profoundly anomalous, blending new and indigenous ideas with those flooding into this treaty port from the Western world. A

preeminent specialist in Chinese studies, Leo Ou-fan Lee gives us a rare wide-angle view of Shanghai culture in the making. He shows us the architecture and urban spaces in which the new commercial culture flourished, then guides us through the publishing and filmmaking industries that nurtured a whole generation of artists and established a bold new style in urban life known as modeng. In the work of six writers of the time, particularly Shi Zhecun, Mu Shiying, and Eileen Chang, Lee discloses the reflection of Shanghai's urban landscape--foreign and familiar, oppressive and seductive, traditional and innovative. This work acquires a broader historical and cosmopolitan context with a look at the cultural links between Shanghai and Hong Kong, a virtual genealogy of Chinese modernity from the 1930s to the present day.

**Jane Urquhart** Laura Ferri, 2005 Jane Urquhart has published three books of poetry, a collection of short stories and five best-selling novels. Her fiction has won many honours including Canada's 1997 Governor General's Award, and France's prestigious Prix du Meilleur Livre Etranger. She lives in Ontario, Canada. The essays in this book investigate Jane Urquhart's interweaving of historical events, myth, folk tales, journeys and landscape with her acute perceptions of memory and self-transformation. The many critical voices in this collection invite readers to consider Jane Urquhart's very special vision of the world, one made up of migrations, dreams, spiritual quests and prophecy. Along with an interview with Urquhart recorded by the editor, there are essays by David Staines, Allan Hepburn, T.F. Rigelhof, Mary Conde, Caterina Ricciardi, John Moss, Marlene Goldman and Anne Compton.

**The Twilight of the Gothic?** Joseph Crawford, 2014-05-15 This book explores the history of the paranormal romance genre; from its origins in the revisionist horror fiction of the 1970s, via its emergence as a minor sub-genre of romantic fiction in the early 1990s, to its contemporary expansion in recent years into an often-controversial genre of mainstream fiction. Tracing the genre from its roots in older Gothic fiction written by and for women, it explores the interconnected histories of Gothic and romantic fiction, from Ann Radcliffe and Jane Austen in the eighteenth century to Buffy, Twilight, True Blood and The Vampire Diaries in the present day. In doing so, it investigates the extent to which the post-Twilight paranormal romance really does represent a break from older traditions of Gothic fiction – and just what it is about the genre that has made it so extraordinarily divisive, captivating millions of readers whilst simultaneously infuriating and repelling so many others.

**The Art of Marriage Maintenance** Sylvia R. Karasu, Toksoz Byram Karasu, 2005 Given the fact that 50% of marriages end in divorce, you would think marriage wouldn't be so popular, but getting married is one of the most popular of all life events. In fact, many new couples are willing to face considerable debt for the wedding ceremony alone! It seems that many people spend more time on planning the wedding than on thinking about marriage and what it entails. The Art of Marriage Maintenance is about marital life after the wedding. It is about psychological and biological difficulties between men and women that make marriage so challenging. It is about why passion is in danger of fading within marriage, how hormones

exacerbate behavior, and how the brain confounds us. It is about how pregnancy and having young children and adolescents often catapult a marriage to its breaking point and how the stresses of mid-life contribute to marital discord. It is, in effect, how to ensure a happy enduring marriage. It is the art of marriage maintenance.

The Speedicut Papers Book 2 (1848-1857) Christopher Joll,2017-12-11 Book 2 of The Speedicut Papers continues the first hand account of the life, loves and adventures of Jasper Speedicut: charmer, sexual libertine and reluctant hero. It is also a unique account of events in the British Empire and beyond, comprising a series of linked adventures and anecdotes which, when taken together, comprise a fascinating insight into many of the half-remembered or wholly-forgotten events of the second half of the 19th century. It is a matter of considerable regret to me that The Speedicut Papers were not available to me when I wrote my History of the English Speaking Peoples. Sir Winston Churchill This book contains the only lucid explanation of the Schleswig-Holstein question ... to which Ive completely forgotten the answer. Henry Temple, 3rd Viscount Palmerston I was delighted to discover that, like me, Speedicut has committed every sin in the Decalogue. Sir Richard Burton Having read this remarkable narrative I would swim the Hellespont to meet the man who wrote it. George, 6th Baron Byron Speedicuts adventures in Berlin have given me an idea for a book. Bram Stoker
