Forbidden Amanda Heartley, 2017-08-13 I'm her teacher... but rules are made to be broken. Lennon Eight years together and my high school sweetheart cheats on me. C'est la vie. I'm moving on, hopelessly defeated by love and relationships. Until I see her, a dark-haired beauty at a friend's wedding slipping a stolen beer bottle under her skirt. And when I catch her drinking it in my car, her ballsy attitude blows my mind ...and that's not all she blows. Can't wait to see this little firecracker again. Though I didn't expect to see Darcy so soon, just two days later sitting in my class - on the first day of my first teaching job after finishing college. Not the best start to my career. I'm intrigued by her, although it's wrong. Her sexy smile, the way she licks her lips at me when I look at her, the way she moves - they all make me rock hard and drive me wild. I know she wants me too, but I have to push her out of my mind. This can't happen... we can't happen. There are rules against teachers having s*x with their students, and I've spent six long years working my ass off to get to this point. I won't throw it all away now. She's a divine temptation, but she's forbidden, nonetheless. *** Forbidden is a heartwarming new adult romance featuring a hot and steamy relationship between a teacher and his student. NO cliffhanger, NO cheating, and a happy-ever after guaranteed!

A Lesson in Love Agnes Canestri, 2022-02-15 Sometimes what's forbidden can't be ignored... ROSE: Rasheed is everything I could ever want in a man. He's charming, intelligent, shares my passion for music, and has fathomless eyes that seem to look right into the depths of my soul. Too bad he's also my university professor. A relationship between us is strictly prohibited, so I'll just have to somehow ignore the way my heart hammers whenever he's near. RASHEED: Rose entices me like no one else. Her sweet, shy spirit and sharp, creative mind almost make me forget that being with her is wrong—even though it feels so right. But when she and I get paired on a dance project, I struggle to find a balance between what I deeply desire and what is forbidden. Even one sweet kiss with Rose could destroy my career, but how can I keep my distance from her when fate seems to be pulling us together? If you enjoy clean & wholesome romances that bring back that first love feel then you'll adore this sweet teacher-student romance. *A Lesson in Love* is a standalone.

The Dirty Professor Arya Wett, 2016-12-11 Stealing the exam was the stupidest thing I'd ever done. I have always been a good girl. I studied hard to get my scholarship at a good school and had little experience with men. This year though I was going to enjoy myself and find a man to satisfy me. But all the partying had to catch up with me at some point and two weeks

out from my exams, I was so desperately far behind (and desperate for something from behind!) I had to do something drastic to save my scholarship ... I didn't plan to get caught though. I thought it was over. But when Professor Thompson made me an offer to help me ... well maybe I could have my cake and eat it too. This is a standalone romance novella with a HEA! Arya Wett hopes the girls will be just that :) She writes short read romances that are just a little bit dirty and make you feel naughty, right where it counts. For lovers of Penny Wylder

Mr. August Nicole S Goodin, 2019-08-10 Liam Conrad. University lecturer. Sexy as hell. ... And considering risking his career. Perry Jenkins. University student. Natural beauty. ... Perry's focus has always been to graduate with top marks, but she's finding herself distracted by her sexy, off limits professor. Liam is scared to share his past. Perry is struggling to hide her feelings. Both start to fall hard, but is their student/teacher relationship the only reason that Liam wants to keep Perry as his dirty little secret?

BOOK 1 Being a teacher is not an easy job! Being a supply teacher can be much harder. However, two days work at the end of the school year sounds like a pretty easy way to earn a little extra money before the summer holidays. Jason might even have enough to take the traveling vacation he has been planning for years. However, day one throws up a big curve ball; one of the students in his class gets his attention. She might not be the typical beauty but she stirs something in him, a deep seated lust and a desire to do things to her that no

teacher should consider with his student. Perhaps the thoughts would have stayed in his head, but a chance encounter in the car park and the briefest of touches sends his head into a spin. Jason helps her out in her time of need and then crosses the line. Can he make it back, does he even want to? BOOK 2 Rebecca is a student at one of the best universities in the country, and she is top of her class. She has been chosen to assist her professor in a private project that is fully sponsored by the university. As the project nears completion a final adjustment leads to the elation of success. BOOK 3 Beth is a rarity, she is attractive, popular and a member of the cheerleading squad; yet she doesn't see her own beauty and is very particular about her taste in men. In fact, even though she is in her last year at college she is still a virgin; the right man simply hasn't come along yet. A chance meeting after the game leads her to enjoy a drink with one of the competitor's players. Even Beth is surprised by the connection and they share a gentle kiss. But the following morning she is set to discover that relationships between her and the other team, are simply not allowed. Will she choose her cheerleading team, or the new man in her life? The coach is responsible for the team and it is he who has to give her the ultimatum. Filthy Professor Niquel, 2022-02-28 I had two rules in life: Never fall in love. Never have sex with a student. As a college preceptor, you're not supposed to fraternize with your pupils, but what happens when you get a taste of the forbidden before you know it isn't supposed to be yours? That night at Brian's bachelor party was epic. We danced, I dominated, and she left. One night, no further contact, no regrets, just how I liked it-until she walked into my algebra class the next week, and I knew the two rules I had in place had to change. Never fall in love. Never get caught having sex with a student.

Avoiding Temptation Tracy Lorraine, 2020-06-13 First rule of teaching... don't fall for a student. Finally living the life of my dreams in a city I'd always wanted to experience was supposed to be a clean slate. Until him... My prim and proper world is turned upside down when he walks into my college classroom, demanding attention with a single look, his braces and glasses at complete odds with his defined body and bad boy tattoos. From the first moment we connect, it's like he's daring me to live the life I've always craved, a life on the edge...not caring what others think. Breaking the rules to be with a student will be crossing the line, but life on the other side just might be what I've been looking for. Avoiding Temptation is the first book of the Temptation duet set in the Forbidden world.

Spark Henley Maverick, 2019-02-02 An unusual opportunity presents itself... Monroe is tired of working dead-end jobs and

knows she has to do something with her life, aside from serving coffee at the local shop. But then the local college admissions officer offers Monroe an opportunity - a full scholarship to take a course that is dominated by men to help promote women in the trades. She has no prior knowledge of welding, but as the admissions officer points out - what does she have to lose? But there's one big problem... From the moment she first sets eyes on him, Monroe feels a strong and undeniable pull toward one of her instructors. Boston is a confident, sexy, charismatic man who ignites the fires within her with just a look and it's evident he feels the same way. Monroe knows that pursuing him would be wrong, forbidden, but her reasoning is a poor match for the craving he provokes within her. Is he worth risking her future for? Or should she ignore the passion between them and focus on her tasks at hand?

Pushing the Limits Brooke Cumberland, 2015-09-16 From USA Today Bestselling Author comes a new contemporary (student/teacher) romance standalone... He's my art professor. I'm his student. With an electric connection and undeniable chemistry, I know it won't be long until one of us cracks. When the opportunity arises to pose naked for the entire art class, I can't help the thrill of knowing he'll be watching me. While they all look past me with their eyes narrowed and concentrated, drawing only the lines and angles of my body, he sees right through me down to my vulnerability. He sees more than just the physical aspects-he sees me. That's when I see the struggle in his features as he tries to stay in control. How do we keep our distance when everything seems to be pulling us together? What feels so right can only go wrong if we keep pushing the limits.

[Train Me, Please](#) Lauren Fremont, 2016-03-03 >BONUS BOOK & BONUS OPPORTUNITY INSIDE WARNING: Mature Readers Only - This Book Contains Taboo Adult Content. Relations between college professors and students are forbidden; beside the ethical implications, there is the obvious risk to both their studies and the studies of others in the class. Despite this, Sasha can't help but respond to the attraction she feels for the Basketball coach. He is older, self-assured, confident and good looking. He literally makes her heart skip a beat! An enforced encounter turns into an opportunity to see him again; while the team might wonder what is going on, his only concern seems to be keeping this illicit relationship private. Show Me, Sensei Tiffany S Seaton, 2024-11-30 Love comes in all shapes and sizes, but Kelly Young had no idea it'd come in the form of her most hated teacher, Mr. Todd. Kelly Young has never been one to follow the standard rhythm of learning. It's not that she's slow-she swears-but concepts just take a little longer to click for her. One thing she does know with certainty: she's never been able to stand Mr. Todd. The man is arrogant, irritable, and so unbearably self-assured that it grates on every nerve she has. Sure, he's undeniably handsome-probably the most handsome man she's ever seen-but what's

the point of looks when the personality is the complete opposite? To Kelly, it's simple: she can't stand him. And, as far as she can tell, the feeling is more than mutual. For Nikolai Todd, perfection is everything. His world is structured, precise, and above all, orderly. Kelly Young, with her spontaneous, sometimes chaotic energy, represents everything he loathes. The girl is messy, impulsive, and seems incapable of understanding the importance of detail. To him, she's a walking disruption in his otherwise controlled life. But this semester, fate has a cruel sense of humor. Kelly is put into his class, and now she has no choice but to face the man she despises-the man who seems to be everything she's not, yet also the one person who challenges every single thing she thought she knew about herself. Reviews: This was a killer. A slow burn that had my toes curling... You have a gift with words and know how to use them. Thanks for a respectful, intimate and decent story. -Leanne (Reviewer) I really love this book. It's one of the best books I've read over the years and the writer's creativity made the book very interesting and addicting. The characters are loveable as this book shows the process of respecting, admiring and loving someone.
