Mythbusting Hemingway Thomas Bevilacqua, Robert K. Elder, 2023-11-01 Did Ernest Hemingway kill 122 Nazis during World War II? Did he really fight champion Gene Tunney? Did he have very particular thoughts about hair? Mythbusting Hemingway answers these longstanding questions and more. It's fitting treatment for an author who won both the Pulitzer and Nobel prizes, survived back-to back plane crashes, and played the cello. He really was "The Most Interesting Man in the World," who once shot himself in the leg (while hunting sharks), and brawled with Orson Welles. In this book, Hemingway legends—both true and debunked—are informed by detective work the authors did for the Paris Review, Chicago Tribune, and Huffington Post. For this volume, the authors conducted fresh interviews and scholarship that shed new light on the man, his work, and legacy. The authors have also unearthed an original essay--never before published in a book--from Frances Elizabeth Coates, Hemingway's high school crush and classmate, about growing up in Oak Park with the young man who would become the legend.

Shatter the Darkness Mark Henry Miller, 2012-10 Easy Street, USA. Tricia Gleason figures it originated in Frisco, Colorado. No fuss, no sweat, no worry: the combination for a smooth summer. All set to be a summer intern minister following her first seminary year, she would not be challenged as she was to read Sunday worship scripture, teach church youth to fly-cast and visit hospitals when asked. That changed with one sentence, Tricia, forgot to tell you, but my wife and I are leaving Frisco for the summer; you're in charge. She could only stare. You can't be serious. The minister was. Before she could think or count to ten Tricia is THE SUMMER MINISTER IN FRISCO, COLORADO...to preach each Sunday, to coordinate all church activities and handle any surprise events. She wonders if she and her fly rod will ever have a relationship. The surprises are like fire-crackers exploding. Happens fast...a church college student is arrested for armed robbery of a 7/11, is harassed at his university and then disappears. A couple in the church are found, deader than dead according to the county sheriff. Figures it is murder/suicide. Church members rant Tricia only works three hours a week on Sunday mornings—can never find her during the week. The minister comes back earlier than he said, but not to take over. Comes back to defend sexual misconduct charges. And, as Tricia learns, that isn't even a glimpse into other ways of ministry. The county sheriff and detective ask her help. They know she has solved murders before. She'd rather put on a fishing hat but it doesn't happen enough. Soon discovers no suicide but a double-murder. Tricia has hunches but they are a cul-de-sac, leading in circles. When the who murdered this couple is learned, down deep Tricia isn't sure. And then, the one arrested states, Do you think I did this by myself? Well, folks, guess again. Tricia thought it was musing about another. She was wrong. So wrong. And, in it all she never finds Easy Street in Frisco, Colorado.

Locusts, Hollywood, and the Valley of Ashes: Individualism Versus Collectivism David Sinclair, 2023-02-21 They are the cheated, they are the crushed, they are the cursed. They pray for the Day of the Locust when the Swarm will deliver them. The sirens are sounding. The locusts are coming. Where will you hide? The world is full of the cheated. That's why the world is about to blow up. Nearly everyone belongs to the cheated. Who's doing the cheating? It's the 1%. Why do the 99% endure it? They always have. That's the great mystery. Get out of the way of the Swarm. No one gets out of this alive. When the Swarm arrives, judgment is delivered and the sentence carried out. The locusts are heading to Hollywood to destroy it. That's where the myths are created that keep the 1% in power. That's the laboratory of fraud, the factory of illusions. The locusts will turn it into a Valley of Ashes. Tinseltown will be set on fire. They're gonna burn it down. Shall we all cheer? Locusts start off as individuals before they join the collective. That's when they become powerful, an unstoppable force of nature. Hollywood is the home of liberalism, but is it liberal at all? Isn't it devoted to a narcissistic, super-rich cabal trying to get inside everyone's heads and convert them to the strange religion of celebrity worship? The Beatles said they were more famous than Jesus Christ. Celebrities have displaced the old gods and become the new gods, just as the Olympians pushed the Titans off Mount Olympus and became the new rulers of the world. Come inside and explore the strangest of worlds – the

one where you join with the locusts to devour Tinseltown, and, with hope in your heart and a smile on your face, march through the Valley of Ashes.

The Collected Sermons of William Sloane Coffin, Volume Two William Sloane Coffin, 2008-07-16 Comprising the sermons preached by William Sloane Coffin while he was senior minister at the prestigious Riverside Church in New York City, *The Collected Sermons of William Sloane Coffin: The Riverside Years* captures the renowned preacher and social activist at work: ministering to American hostages in Iran, supporting AIDS awareness, and rallying his audiences to battle poverty and nuclear proliferation--all the while celebrating marriages, baptisms, and Mother's Days and mourning the loss of loved ones, including his own son. In each of these brilliant and painstakingly crafted sermons, Coffin combined his deep love of Scripture and passionate commitment to peace and justice with his unparalleled gift for the spoken word. While also revealing the personal and pastoral dimensions of his ministry, each sermon provides a powerful example of Coffin's well-accomplished mission: to challenge the conscience of a nation.

Vote Your Conscience Richard Marano, 2003-10-30 The stigma of that defeat has often overshadowed McGovern's otherwise influential and respectable career in politics.
