

Where Is God When I Hurt

Philip Yancey

Where Is God When It Hurts? Philip Yancey, 2010-02-23 Gold Medallion Book Award Winner. Over a million copies sold. An inspirational classic for more than thirty years, *Where Is God When It Hurts?* honestly explores pain—from physical wounds to emotional and spiritual pain—and sheds new light on God's presence in our suffering. How can a loving God allow this to happen? God is either all-loving or all-powerful, but he can't be both. You've heard that question, and perhaps you've even asked it yourself. When a loved one dies, we receive a terminal diagnosis, or natural disasters strike, people often wonder whether God is the cause of suffering and why he doesn't immediately take away the pain or fix the situation. As a result, we become angry at the once-beloved God who betrayed us. Bestselling author Philip Yancey uses examples from the Bible and from his own experiences to show us how we can learn to accept—without blame, anger, or fear—what we don't understand. Along the way, he answers questions such as: Why is there such a thing as pain? Is pain a message from God? How should we respond to suffering? How can we learn to cope with pain? *Where Is God When It Hurts?* speaks to everyone who thinks that suffering doesn't make sense. With compassion and clarity, Yancey brings us one step closer to finding an answer when our pain, or the pain of those we love, is real and we are left wondering, *where is God when it hurts?* One of the most helpful treatments of the problem of evil that I've ever read. If I were looking around for something to give to individuals who are going through travail or difficulty, this is the book I'd recommend. —Dr. Vernon Grounds, former Chancellor of Denver Seminar

Where Is God When It Hurts? Philip Yancey, 1997 This perennial best-seller, now in a revised and expanded edition, includes a study guide. The book and study materials focus on the role of pain in God's plan for life and how we can respond to it.

When Life Hurts Philip Yancey, 2010-03-10 Many strong believers begin to feel disillusioned with God or to doubt their faith when faced with great pain or suffering. Even the strongest believers may begin to wonder where God is when they need him most or why he doesn't seem to care. In this book Philip Yancey inspires those for whom life hurts to look beyond their immediate suffering and to understand that God is offering an invitation to hope and a doorway to his gracious gifts.

Where Is God? John Townsend, 2012-07-23 Hard times make us look for God. Everyone has problems. But if we could solve all our difficulties ourselves, would we ever search for God? Psychologist John Townsend says It is actually the very

unfixability of our problems and our powerlessness to bring right results that keep us asking, 'Where is God?' With a compelling narrative, Townsend offers new insights into the pursuit for God's help and presence. Designed to give readers hope and meaning, he divides the discussion into three parts: Why does a loving God allow us to experience difficulties? How is God active in the middle of our hard times? How can I find God? With powerful stories and practical applications, *Where Is God?* assures readers that even when it feels as though God is absent it is his nature to be in relationship, to connect with, love, and guide us. And when we seek him with all our heart, soul, mind, and strength, he shows up in ways that transform us forever.

Where is God when Bad Things Happen? Luis Palau, 1999 An international evangelist helps those in pain come to grips with the crushing adversities of life by pointing them to the limitless resources found in God.

In Every Pew Sits a Broken Heart Ruth Graham, Stacy Mattingly, 2008 Offers help and hope to those who wonder if they have out-sinned God's grace or if their life circumstances have set them aside from being used by God, with practical help to every believer and church leader who sits side by side each Sunday with the broken and hurting. Foreword by Billy Graham.

I Never Knew How You Hurt Until Your Pain Became Mine Joan Knierim, 2018-02-01 As a pastors wife, author Joan Knierim stood with those who had to say good-bye to a loved one for the last time, and she expressed her love and sympathy. However, not until God suddenly called her husband home to heaven did she realize the pain, grieving, and loneliness that was ahead for her. In *I Never Knew How You Hurt until Your Pain Became Mine*, Knierim opens her heart about her pain and how God brought her through the most difficult time of her life. She shares her personal story of loss and offers both practical and spiritual advice and encouragement for those who are suffering and for those who are wanting to help others deal with their pain. Grounded in scripture, *I Never Knew How You Hurt until Your Pain Became Mine* helps those grieving to find hope and peace in the midst of pain and suffering. Knierim invites those suffering to give their pain to the Lord and seek his eternal joy where all will be reunited as a family once more.

Where Is God When it Hurts/What's So Amazing About Grace? Philip Yancey, 2009-12-15 Award-winning author Philip Yancey takes you for a soul-searching look at two of Christianity's most important topics. WHAT'S SO AMAZING ABOUT GRACE? In this critically acclaimed, bestselling book, Philip Yancey explores the church's great distinctive--grace--at

street level. If grace is God's love for the undeserving, and if Christians are its sole dispensers, then how are we doing at lavishing grace on a world that knows far more of cruelty and unforgiveness than it does of mercy? Offering compelling, true portraits of grace's life-changing power, Yancey searches for its presence in his own life and in the church. And he challenges us to become living answers to a world that desperately wants to know, What's So Amazing About Grace? WHERE IS GOD WHEN IT HURTS? If there is a loving God, then why is it that ... ? You've heard that question, perhaps asked it yourself. No matter how you complete it, at its root lies the issue of pain. In this award-winning book, Philip Yancey reveals a God who is neither capricious nor unconcerned. Using examples from the Bible and from his own experiences, Yancey looks at pain--physical, emotional, and spiritual--and helps us understand why we suffer. Where Is God When It Hurts? will speak to those for whom life sometimes just doesn't make sense. And it will help equip anyone who wants to reach out to someone in pain but doesn't know what to say.

Being Hurt by What Hurts God Grace and Glory, 2018-07-09 The things that hurt God, hurt those who desire to know Him as well. Yet, how do we deal with His hurt? Being Hurt by What Hurts God reveals the challenge and call for God's wisdom to understand the things which bring grief to God's heart. Grace and Glory has lived a life that has led to seeking and crying out to God for wisdom to deal with situations which were beyond understanding. God reveal Your heart to me was the prayer that opened up the keys of comprehension that are contained in this book which empower the demonstration of Christ's love to those who are trapped in darkness, in nations that restrict the spreading of the light of the gospel. Now is the time...God's eyes are riveted on the regions of the world which are in desperate darkness and need. Being Hurt by What Hurts God is for those who are preparing for passionate engagement in the Great Commission as followers of Christ, so that we can intercede for the very things that are causing pain deep within in Jesus' grace filled heart. The question is, will we respond to God's call and allow ourselves to be filled with the Holy Spirit to manifest His love and freedom in the needy regions on our planet. May the reader of this book revive the passion to serve the Lord and reach out to the sin ridden world.

Where God Meets Man Gerhard O. Forde,1972-01-01 This book about Luther's theology is written out of a two-fold conviction. First, that many of our problems have arisen because we have not really understood our own traditions, especially in the case of Luther; and second, that there is still a lot of help for us in someone like Luther if we take the trouble to probe beneath the surface. It is an attempt to interpret Luther's theology for our own day. The fundamental theme of the book is the down-to-earth character of Luther's theology. In using this theme, Forde points out that we have failed to understand the basic thrust or direction of Luther's theology and that this failure has caused and is still causing us grief. Modern scholarship has demonstrated that Luther simply did not share the views on the nature of faith and salvation that subsequent generations have foisted upon him and used to interpret his thinking. This book attempts to bring the results of some of that scholarship to light and make it more accessible to those who are searching for answers today. The central questions of Christianity are examined in this fresh restatement of Luther's thought the God-man relationship, the cross, the sacraments, this world and the next, and the role of the church. The author presents the down-to-earth character of Luther's theology in the hope that it will help individual Christians today to be both faithful to God and true to their human and social responsibilities.
