

Where Is My Husband

Jacob Ludwig C. Grimm

My Husband's Crime M. R. Housekeeper, 1868

My Husband's Mistress 2 Racquel Williams, 2021-05-25 Watch the drama unfold as a love triangle between a vengeful wife, her conniving husband, and his naive mistress comes to blows... Destiny Clarke is out to claim what's rightfully hers-- Hassan Clarke and his money. Sick and tired of lies and betrayal, Destiny decides to take matters into her own hands by creating havoc in the lives of the people who've done her wrong. Engulfed in his deceitful ways, Hassan is oblivious to the fact that his life and his freedom are up for grabs. Friends become enemies, and in the end, he has no one to call on but himself. Imani Gibson is too naive to realize that some things are not worth fighting for--in this case, another woman's husband. She soon realizes that games are for children, and not everyone is playing with a full deck. As more secrets are revealed and lives are torn apart, all in the name of love, how will it end? Will Destiny finally get her man, or will her husband's mistress end up on top?

"My Husband's Trying to Kill Me!" Jim Schutze, 2023-01-10 From an award-winning journalist, this "grippingly suspenseful true-crime tale details the foiling of a wealthy Texan's plot to have his wife murdered" (Publishers Weekly). To the world, Linda DeSilva's marriage to Robert Edelman was perfect. He was her college boyfriend turned wealthy and successful husband, and the father of her children. But what friends and family didn't know was that the Texas real estate tycoon who set her up with a luxurious life in Dallas was also her abuser. When she asked him for a divorce, the violence against her only escalated, until the shocking moment she learned her husband had hired an assassin to take her life. From acclaimed journalist and author Jim Schutze, "My Husband's Trying to Kill Me!" is the riveting true-crime account of how Linda DeSilva worked with the FBI to trap her husband before he could act on his murderous intentions—and how the sting operation nearly got her killed instead. A shocking and sensational story of a wife and mother's escape from the marriage that went from American dream to every woman's worst nightmare. "Numbing." —Kirkus Reviews

Where My Heart Used to Beat Sebastian Faulks,2016-01-26 A novel that artfully mixes memory and desire as a World War II veteran accesses painful memories of a wartime romance from the author of *The Seventh Son* (Kirkus Reviews, starred review). London, 1980. Robert Hendricks, an established psychiatrist and author, has so bottled up memories of his own wartime past that he is nearly sunk into a life of aloneness and depression. Out of the blue, a baffling letter arrives from one Dr. Alexander Pereira, a neurologist and a World War I veteran who claims to be an admirer of Robert's published work. The letter brings Robert to the older man's home on a rocky, secluded island off the south of France, and into tempests of memories—his childhood as a fatherless English boy, the carnage he witnessed and the wound he can't remember receiving as a young officer in World War II, and, above all, the great, devastating love of his life, an Italian woman, L, whom he met during the war. As Robert's recollections pour forth, he's unsure whether they will lead to psychosis—or redemption. But Dr. Pereira knows. Profoundly affecting and masterfully told, *Where My Heart Used to Beat* sweeps through the 20th century, brilliantly interrogating the darkest corners of the human mind and bearing tender witness to the abiding strength of love. *Where My Heart Used to Beat* . . . has wonderful strengths, especially Faulks' lucid, philosophical voice, and it's filled with scenes of genuine power. — USA Today Faulks' appeal and popularity come from his confident balancing of historically accurate detail with ardent . . . sympathy for passionate private lives. — The New York Times Book Review A profoundly moving novel. — The Independent (UK)
