Why is Mom So Mad? Seth Kastle, Julia Kastle, Karissa Gonzalez-Othon, 2015-08-16 The children's issues picture book *Why Is Mom So Mad?* is a story for children in military families whose mother battles with combat related Post Traumatic Stress Disorder (PTSD). After a decade fighting wars on two fronts, tens of thousands of service members are coming home having trouble adjusting to civilian life; this includes struggling as parents. Asymmetrical warfare has blurred the lines of women in combat roles, female veterans are impacted by this through current conflicts more than ever. *Why Is Mom So Mad?* Is a narrative story told from a family's point of view (father and children) of a service member who struggles with PTSD and its symptoms. Many service members deal with anger, forgetfulness, sleepless nights, and nightmares. This book explains these and how they affect Mom. The moral of the story is that even though Mom gets angry and yells, she still loves her family more than anything.

Why is Dad So Mad? Seth Kastle, The children's issues picture book *Why Is Dad So Mad?* is a story for children in military families whose father battles with combat related Post Traumatic Stress Disorder (PTSD). Building the Bonds of Attachment Daniel A. Hughes, 2006 This book will be of use to social workers, therapists and parents striving to assist poorly attached children. It is a narrative, composite case study of the developmental course of one child. The author blends attachment theory, research and trauma with general principles of parenting and family therapy to develop a solid model for intervention. It will prove a practical guide for all adults trying to help high-risk youth.

Why Do Fathers Molest Their Daughters Gail Peck, 2019-04-23 Jesus wanted me to write this book to help other people throughout the world. When I was sexually abused by my dad. There were no books in the library to help me understand. I thought I was the only one in this world that this happened to. I prayed and asked Jesus to help me and send me other girls that this had happened to and Jesus answered my prayers and let me know a lot of victims. Amen.

In Another Life C. C. Hunter, 2019-03-26 From the New York Times –bestselling author of the Shadow Falls series comes a new YA thriller about a girl who learns that she may have been kidnapped as a child and must race to uncover the truth about her past before she winds up a victim. What would you do if your whole life was a lie and learning the truth could cost you your life? Chloe was three years old when she became Chloe Holden, but her adoption didn't scar her, and she's had a great life. Now, fourteen years later, her loving parents' marriage has fallen apart and her mom has moved them to Joyful, Texas. Starting twelfth grade as the new kid at school, everything Chloe loved about her life is gone. And feelings of déjà vu from her early childhood start haunting her. When Chloe meets Cash Colton she feels drawn to him, as though they're kindred spirits. Until Cash tells her the real reason he sought her out: Chloe looks exactly like the daughter his foster parents lost years ago, and he's determined to figure out the truth. As Chloe and Cash delve deeper into her adoption, the more things don't add up, and the more strange things start happening. Why is Chloe's adoption a secret that people would kill for? Deftly delivers a complicated back-and-forth point of view between Chloe and Cash, building suspense along with a steamy sense of attraction. — Kirkus Reviews

Between Us Batja Mesquita, 2022-07-19 A Behavioral Scientist Notable Book of the Year * One of KCRW's Best Reads of the Year * A Next Big Idea Club Top 21 Psychology Book of the Year * One of Publishers Weekly's Best Books of the Year A pioneer of cultural psychology argues that emotions are not innate, but made as we live our lives together. "How are you feeling today?" We may think of emotions as universal responses, felt inside, but in *Between Us*, acclaimed psychologist Batja Mesquita asks us to reconsider them through the lens of what they do in our relationships, both one-on-one and within larger social networks. From an outside-in perspective, readers will understand why pride in a Dutch context does not translate well to the same emotion in North Carolina, or why one's anger at a boss does not mean the same as your anger at a partner in a close relationship. By looking outward at relationships at work, school, and home, we can better judge how our emotions will be understood, how they might change a situation, and how they change us. Brilliantly synthesizing original psychological studies and stories from peoples across time and geography, *Between Us* skillfully argues that acknowledging differences in emotions allows us to find common ground, humanizing and humbling us all for the better.

Echoes Between Us Katie McGarry, 2020-01-14 *Echoes Between Us* is bestselling author Katie McGarry's breakout teen

contemporary novel about a girl with everything to lose and the boy who will do anything to save her. Veronica sees ghosts—more specifically, her mother’s ghost, thanks to the blinding migraines that consume her whole life and keep Veronica on the fringes. But the haunting afterimages make her wonder if there is something more going on.... Golden boy Sawyer is handsome and popular, a state champion swimmer, but this All-American is hiding an adrenaline addiction that could kill him. Drawn to each other after a chance meeting, can they help each other battle the demons that haunt their every step or will they push their luck too far and risk losing it all...including their lives? At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

A Path to Healing Jade,2013-07-23 A Path to Healing is about the obstacles that my family and I have gone through. Its about how my sisters decisions tore my family apart and how we have tried our hardest to bring us back together. Sometimes it works; sometimes it doesnt. This book was my way to healing. I had a lot of anger and unforgiveness in my heart for what my sister did. God had to speak to me and encourage me to write everything that was brothering me down and tell the world what really happened. I felt that if I wrote this story, it would relate to a lot of people. I want to help others and encourage them and tell them that they arent the only ones in this world who have been through trauma. There are people who have been through the same situations in their lives. This story focuses on teen decisions and family relationships.

Divorce Poison New and Updated Edition Dr. Richard A. Warshak,2011-07-12 Your ex-spouse is bad mouthing you to your children, constantly portraying you in a negative light, perhaps even trying to turn them against you. If you handle the situation ineffectively, your relationship with your children could suffer. You could lose their respect, lose their affections—even, in extreme cases, lose all contact with them. The conventional advice is to do nothing, that fighting fire with fire will only result in greater injury to the children. But after years of consulting parents who heeded such advice with no success, Dr. Richard Warshak is convinced that this approach is wrong. It doesn't work, and parents are left feeling helpless and hopeless. DIVORCE POISON instead offers a blueprint for effective response. In it, you will learn how to distinguish different types of criticism, how and why parents manipulate their children, how to detect these maneuvers, and how these practices damage children. Most importantly, you'll discover powerful strategies to preserve and rebuild loving relationships with your children. DIVORCE POISON is a time-tested work that gives parents powerful strategies to preserve and rebuild loving relationships with their children-and provides practical advice from legal and mental-health professionals to help their clients and safeguard the welfare of children. Whether they are perpetrators of divorce poison, victims of it, or both, parents who heed Dr. Warshak's advice will enable their children to maintain love and respect for their parents—even if their parents no longer love and respect each other.

Borderline Personality Disorder Melanie A. Dean,1995 Up to ten million people have BPD, one of the most unstable and life threatening personality disorders. Now professional information on what causes BPD and what treatments are

appropriate is available in a jargon-free, easy-to-read format. Perfect for the lay person and professional alike. Find out what is behind the behavior extremes, why people with BPD hurt themselves or commit suicide, and what medications may be appropriate.

Why Moms Are Weird Pamela Ribon, 2006-08-01 From the acclaimed author of *Why Girls are Weird* comes a second hilarious and surprising novel about love and family and the weirdo inside us all. Belinda Benny Bernstein doesn't brag about her life in Los Angeles, but she is proud of her independence. She's got a job and a place to live, and she even goes out on dates now and again. But when Benny's mother and sister get into a car accident, she drops everything to fly across the country and help her injured, unemployed mom. The only problem? She wasn't exactly invited -- and back in Virginia she finds herself confronting every issue her family has avoided for years, including her mom's thriving sex life and her sister's wild nightlife. Benny sets about fixing everything she thinks is broken at home, including mounds of clutter and the personal lives of the women she loves. But she soon stumbles upon a stack of letters that may reveal her mother's darkest secret. Benny only begins to understand her mom when she finds herself in a similar dilemma -- torn between someone she can't have and someone she thinks she shouldn't have. If Benny doesn't sort things out before she's sucked into the family vortex of dysfunction, there's no telling when she'll be able to go home again . . . unless this is home, after all.

Sexual Abuse Jean Goodwin, 1989 Surveys indicate that 16% of women in the general population have experienced sexual contact with a relative. In this book intrafamilial sexual abuse and incest are used interchangeably to mean sexual exploitation of a child by an older person in a parental role. Clinical problems described are those that the author has encountered in working with some 300 victims. Annotation copyrighted by Book News, Inc., Portland, OR

Why Is Mom So Mad Introduction

In the digital age, access to information has become easier than ever before. The ability to download Why Is Mom So Mad has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Why Is Mom So Mad has opened up a world of possibilities. Downloading Why Is Mom

So Mad provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Why Is Mom So Mad has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Why Is Mom So Mad. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many

authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Why Is Mom So Mad. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Why Is Mom So Mad, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of

the websites they are downloading from. In conclusion, the ability to download Why Is Mom So Mad has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
