

A Guide To Recognising Your Saints

Swami Adgadanand

Robert Downey Jr. Ben Falk, 2014-12-08 The Comeback Kid will be the first biography of Robert Downey Jr. A Detailed and authoritative account of the life, career, stardom and controversy of Robert Downey JR – one of Hollywood's most popular, and gifted, actors of recent times. A behind-the-scenes look on the making of his most famous and infamous movies, talking to the people closest to him, from actors and directors to those he has encountered during his trips to the dark side. "I've always felt like an outsider in this industry. Because I'm so insane I guess." – Robert Downey Jr. Robert Downey Jr's life isn't a movie – but it could be. Now one of the biggest box office stars in the world thanks to Iron Man and Sherlock Holmes, he's come a long way since his early days as a rising actor amidst the Brat Pack of the Eighties, as well as stints on Saturday Night Live and Ally McBeal. His incredible journey has also encompassed prison and drug addiction – experiences which left him just one bad choice away from death. Funny, definitive and entertaining, this is the first book that dares to glimpse inside the psyche of a brilliant and complex icon of our times.

Resolution of Doubts: Answers to the inquiry Swami Adgadanand, In order to free society from the clutches of misleading religion rituals, Swamiji compiled a book - 'Shanka Samadhan' (Doubts and clarifications). In this book, Swamiji has resolved the prevailing pretentious rituals by giving references of the discourses of the great saints and sages as well as citing the dictates of the Srimad Bhagavad Gita, the Ramayana and the Purana on topics such as Who should be Worshiped, Religious Rituals (Karmkand), Havan, Yagya (Sacrificial Action), Celibacy, Gayatri, Yuga Dharma, Non-violence (Ahimsa), Sin and Righteousness, Santana Dharma, Varna (Caste System and its Classification), Vipra, Arya, Protection of Cows (Gau Raksha) etc. Essence of Sciences: - In the whole of the Universe, there is only one Religion (Dharma) - attainment of the immortal principle, peace forever, unbound happiness and it all begins with the faith in the Almighty. - Truth is the only Almighty. That what refutes this Truth cannot be called a religion (dharma). If the religion (dharma) does not have this truth then it will become meaningless. - Any body who has the unfaltering faith in the Almighty and recognises Ram or Om as the sign of the same thus chants the name is purely religious even if he does not know what the religion (dharma) is. - That what is forever, un-transformable, ancient, is the religion (dharma) and that what is there today but will not be there tomorrow, destructible is not religion. - There is a single Religion (Dharma) in the Universe. The strife to seek that forever being Almighty is the Religion (Dharma). If there are two almighties then He will need another Universe - to fulfil the same.

The English Connection Bryan W Ball, 2014-10-30 Seventeenth-century England was a confused world of conflicting religious thought, made more complex by the tumultuous events of the English Civil Wars and the Interregnum under Oliver Cromwell. Puritanism, a thoroughly Protestant offshoot of the Reformation in England, was to take centre stage in these years, coming to prominence as a direct result of the conflict that would see the execution of an English king. It is argued in 'The English Connection' that Seventh-day Adventism, established over two centuries later in nineteenth-century America, can trace its roots back to this distinct form of seventeenth-century English Puritanism. Dr. Ball explores the connection between Puritanism and Seventh-day Adventism by examining doctrinal tenets adopted in England, such as Gospel obedience and the sufficiency of Scripture. In this way, he dexterously proves the continuity and cohesion of Puritan ideas from their growth in the early-modern world to the thriving present-day community of Seventh-day Adventists. This book will appeal to those with an academic or general interest in English Puritanism and seventeenth-century England, as well as to all practising Adventists and members of the wider Christian community intrigued by the relationship between contemporary Christian thought and traditional Puritan doctrine.
